# Borders NHS Board

# NHS BORDERS BOARD COMMITTEES

### Aim

To seek approval of the Board of the current membership of Non Executive members on Board Committees and other associated Committees attended by Non Executive Directors.

### Background

In line with the Code of Corporate Governance the Board must create such Committees, as are required by statute, guidance, regulation and Ministerial direction and as are necessary for the economical efficient and effective governance of its business.

The Board shall delegate to such Committees those matters it considers appropriate. The matters delegated shall be set out in the Purpose and Remits of those Committees.

The Board may by resolution of a simple majority of the whole number of Members of the Board, present and voting, vary the number, constitution and functions of Committees at any meeting of which due notice has been given specifying the proposed variation. Exemptions are committees required by statute, or where the terms of reference have been clearly defined through regulation or ministerial direction.

The Chair shall appoint the membership of Committees. By virtue of their appointment the Chair of the Board is an ex officio member of all Committees except the Audit Committee.

Any Committee, shall include at least one Non-Executive Member of the Board, and may include persons, who are co-opted, and may consist wholly or partly of Members of the Board. There are 14 (9 Non Executive Directors, 5 Executive Directors) ministerially appointed members of the Board.

In determining the membership of Committees, the Chair shall have due regard to its purpose, role and remit, and accountability requirements. Certain members may not be appointed to serve on a particular Committee as a consequence of their positions. Specific exclusions are:

- Audit Committee Chair of the Board together with any Executive Member or Officer.
- Remuneration Committee any Executive Member or Officer.

The Chair has the power to vary the membership of Committees at any time, provided that:

• In any case this is not contrary to statute, regulation or Direction by Scottish Ministers

• Each Member of the Board is afforded proper opportunity to serve on Committees

The Committees determined by statute are the Audit Committee, Staff Governance Committee, Clinical Governance Committee, Community Health & Care Partnership (AH&SC Integration Joint Board), and Pharmacy Practices Committee.

Other Committees of the Board are determined by regulation, Ministerial direction or as determined by the Board to be necessary for the efficient and effective governance of the Boards' business.

The Chair shall appoint Chairs and Vice-Chairs of Committees who shall hold office for two years. In the case of Members of the Board, this shall be dependent upon their continuing membership of the Board.

The persons appointed as Chairs of Committees shall usually be Non-Executive Members of the Board and only in exceptional circumstances shall the Chair appoint a Chair of a Committee who is not a Non-Executive Member.

Casual vacancies occurring in any Committee shall be filled as soon as possible after the vacancy takes place.

#### Summary

The membership of Board Committees by Non Executive members is a feature of the Non Executive members' annual appraisal process.

The Terms of Reference for each individual Board Committee are required to be reviewed by that individual Committee on an annual basis. The Terms of Reference for Committees are contained within the Code of Corporate Governance.

#### Recommendation

The Board is asked to **note** the current membership of Non Executive members on Board Committees as appended.
