

Activities in “The Well”, to which you are invited
(Bourtree Terrace, Hawick)

Friendship Hour

This is a group of older citizens who meet together for interesting talks with a different speaker each week (sometimes with a Christian theme), and a cup of tea and chat. It provides great entertainment, outings, and is a good antidote to loneliness! For more details please contact Elizabeth Allan 01450 363994

Open House

Open House is a group that meet together to socialise, share experiences and work together to form a community who can share resources. Each meeting is topically themed, and the meal which is provided, varies with the theme. There is provision for entertainment for the children, so come along and relax after a hard days work, and enjoy a meal with the whole family. This is organised by church members so has a Christian ethos. For details on meeting times, please contact Wendy Underhill 01450 375524.

Grafted Drug and Alcohol dependency Drop-in

This group meet every Thursday from 10-2pm, and offer opportunity for support for those struggling with dependency issues, and the problems which result. It offers non-judgemental befriending, in a warm, relaxed environment, with experienced support workers. A substantial free meal is available at 12.30 hrs. Please contact Community Pastor, Mike McLeister, Tuesday or Thursday, 07432151020.
