

Freedom of Information request 131-17

Request

Regarding the board's stocks of transvaginal mesh implants, and tension free vaginal tape, please tell me:

- By financial year, since 2011/12, how many have been donated/exported to foreign countries. Please break this down by (a) country exported/donated to and (b) type i.e. implant vs tape.
- By financial year, since 2011/12, how many of the above implants/tape were donated/exported because they had passed their best before or expiration dates. Please break this down by country exported/donated to.
