2016-17	1,249,582

NHS Borders receives funding from Scottish Government to provide drug and alcohol related services. In partnership with other agencies NHS Borders uses this funding through the Area Drug and Alcohol Partnership to jointly commission services for the Borders population. Due to the nature and size many services cover both drug and alcohol related support and therefore drug related services cannot be separately identified.

The Area Drug and Alcohol Partnership produces an annual report which details the services provided- [http://www.nhsborders.scot.nhs.uk/patients-and-visitors/our-services/generalservices/alcohol-and-drugs-partnership-\(adp\)-support-team/key-documents/](http://www.nhsborders.scot.nhs.uk/patients-and-visitors/our-services/generalservices/alcohol-and-drugs-partnership-(adp)-support-team/key-documents/)
