Response

Please note the data provided in the spreadsheet attached has been retrieved from the NHS Borders patient management system (TrakCare), therefore any data that has not been recorded and held electronically will not be included in this submission. This data may be available within a patient's medical notes but this would require a manual trawl of all records and the cost of carrying out this work would exceed the limit set in the Fees Regulations of the FOI(S)A 2002 and therefore under Section 12 we are not required to provide.
