

## Freedom of Information request 51-18

---

### Request

I have a question regarding your online medicines formulary that I'm hoping you can help with please - specifically around Chapter 3.2 (respiratory), available at <http://www.nhsborders.scot.nhs.uk/BordersFormulary/index.htm>

Please can you clarify the position of Seretide on your formulary for Asthma?

Reason I ask is that on the one hand, it is mentioned in Chapter 3.2 as 'non formulary', however, later on the in the Chapter, Seretide Accuhaler 500 as an 'Alternate preparation' for Asthma.

### Response

The formulary position for Seretide 500 Accuhaler is as "an alternative product". Apologies for this error, an amendment will be made to the Formulary at the next update in February 2018.
