Response

1&2 NHS Borders do not record data on children under 10 years of age. Therefore under Section 17 of the FOI(S)A 2002 this data is not held.

3&4 Please find below data on children aged 10-16 as per request. Please note that as NHS Borders is such a small Board the numbers are very small, and to provide further details of these could allow individuals to be identified and we would be in breach of the Data Protection Act 1998. We are therefore withholding all other data under Section 38(2)(ii) of the Freedom of Information (Scotland) Act 2002. This is also in accordance with the Code of Practice for Official Statistics any number that is less than five, actual numbers and potentially identifiable information is withheld to help maintain patient confidentiality due to potential risk of disclosure. Further information is available in the ISD Statistical Disclosure Control Protocol.
