Independent Auditor's Report to the Board of Borders Health Board

We have audited the attached abstract of receipts and payments of patients' private funds administered by Borders Health Board ("the abstract") for the year ended 31 March 2018 which has been prepared for the reasons and on the basis of the accounting policies set out in Note 1 to the abstract.

This report has been prepared for Borders Health Board, as a body, solely in connection with the audit of the abstract. Our report was designed to meet the agreed needs of Borders Health Board and should not therefore be relied upon by any other party. To the fullest extent permitted by law, we will not accept or assume responsibility or liability in respect of our report to any other party for our audit work, for this report, or for the opinion which we have formed.

Respective responsibilities of Board members and auditors

As explained more fully in the Statement of Board Members' Responsibilities the Board members are responsible for the preparation of the abstract in accordance with the requirements of the NHS Scotland Unified Board Accounts Manual.

Our responsibility is to audit and express an opinion on the abstract in accordance with the terms of our engagement and having regard to International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the abstract

An audit involves obtaining evidence about the amounts and disclosures in the abstract sufficient to give reasonable assurance that the abstract is free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the circumstances and have been consistently applied and adequately disclosed and the reasonableness of significant accounting estimates made by the board members.

Opinion on abstract

In our opinion, the abstract of receipts and payments presents fairly the state of the funds administered by the Board on behalf of its patients as at 31 March 2018.
