

## Freedom of Information request 498-18

---

### Request and Response

I am interested in the variation between the guidelines in UK relating to the management of septic arthritis. Please complete the two attached surveys and forward them to this email address.

I would also be very grateful if you would forward to this email address the guidelines your hospital uses for septic arthritis in both paediatrics and adult populations. If you don't currently use a guideline I would also be grateful to know.
