

## Freedom of Information request 592-18

---

### Request

#### Question 1

Does your Health Board have a 'Local Enhanced Service' (LES) or 'Near Patient Testing' scheme in place with primary care providers for the monitoring or prescribing of Prolia (denosumab) for the treatment of osteoporosis in postmenopausal women or men at increased risk of fractures?

#### Question 2

If answer is 'yes' to question 1, please could you provide the pricing arrangement (including cost and time schedule) for Prolia prescribing and Prolia monitoring and any further details of the scheme, for example if Prolia is anticipated to remain within the scheme for the forthcoming year.

#### Question 3

Does your Health Board have a 'Local Enhanced Service' (LES) or 'Near Patient Testing' scheme in place with primary care providers for the monitoring or prescribing of any other osteoporosis therapies. Please could you provide the pricing arrangement (including cost and time schedule) for the prescribing and monitoring of the therapy and any further details of the scheme.

### Response
