

Freedom of Information request 641-18

Request

In your health board, how many GP practices have expressed concerns over futures sustainability of their practices, since 2007?

Response

Following a request for clarity I am able to confirm that there have been no requests from GP practices in terms of patient list closures. I am also able to confirm that we have been approached by one GP practice during 2018 regarding recruitment concerns.

As independent contractors GP practices would not necessarily formally approach the Health Board regarding recruitment issues.
