

## Environmental Information Regulations Request 45-19

---

### Request

Please provide, in accordance with FOI, your most recent report on the condition of buildings within your estate.

I am told this may be called your 'estate condition survey'. It may also be the report submitted to the Scottish Government, to feed into their NHS State of the Estate report.

It should be your report on what maintenance, repairs and faults exist within buildings you own or use (I am particularly interested in hospitals).

### Response

Please find below a copy of an extract from NHS Borders' Property and Asset Management Strategy key Issues report which give details on the on the condition of the buildings within the estate:
