

Freedom of Information request 200-19

Request

I would like to make a freedom of information request and receive information in regard to the number of business miles your staff travelled in 2017/18 using private cars, and the amount of reimbursement paid to the staff for that travel (£s total).

I have received this information from other NHS Departments and Trusts and therefore believe that this should be information available from NHS Borders.

Response

In the year 2017/18 the number of business miles staff travelled using private cars totalled 850,714 miles and the amount of reimbursement provided for this travel was £449,158.
