

Freedom of Information request 524-19

Request

Please could you tell me which out of hours centres/locations you have had to close, whether temporarily or permanently, **as a result of not having enough GPs to staff them over the past 12 months**? Please break this down into those that were closed temporarily – and how many times each one was closed (for example 20 non-consecutive days, or three consecutive days) – before reopening, and those that have been closed permanently and are no longer in OOH operation.

Response

None
