

## Freedom of Information request 8-20

---

### Request

I am doing a bit of work on understanding epilepsy services across Scotland. Around six or seven years ago Epilepsy Consortium Scotland produced a document listing all of the individuals involved in epilepsy care in each individual board.

Please see attached what we gathered for the Borders at that point.

I am contacting you to ask if you would be willing to help me update this? There will undoubtedly be changes in staff e.g. retirements, new posts or more services offered. We would like to know every epilepsy service available in the board to adults and children.

### Response

Please find attached below updated document:
