

Freedom of Information request 92-20

Request

Please provide me with the information for the 2017/18, 2018/19 and 2019/20 to date, financial years.

Please provide me with a list of medication that has been approved for use but is restricted due to its cost.

Response

All new drugs are considered by [Scottish Medicines Consortium](#) (SMC) and local decisions are then based upon this. The decision to add to the local Formulary is made by the Formulary Group based on assessment of clinical need and place in therapy by local specialists, financial management of any associated impact being managed through other processes (ie we wouldn't exclude from the formulary specifically on the basis of cost).

Therefore under Section 25 of the FOI(S)A 2002 this data is accessible elsewhere.
