

## Freedom of Information request 171-20

---

### Request

I would like to request the below information:

A list of pharmaceutical products/drugs that your primary care organisation currently holds rebate agreements for.

I would like to request the product names (brand and generic when applicable) with start and finish dates and I fully understand that the financial details of the rebates would be considered commercially confidential.

### Response

Please find attached data as per request:

FOI Proforma 171-20

In addition, the standard NHS Scotland Patient Access Scheme (PAS) Agreement includes provision for primary care rebates against supplies made in primary care. This is a standard clause and is included in contracts regardless of whether the medicine is actually supplied in primary care. A list of medicines with a Patient Access Scheme can be found on the SMC website: <https://www.scottishmedicines.org.uk/medicines-advice/> (medicines advice 'advanced search' option, then select Patient Access Scheme check box.)
