

## Freedom of Information request 178-20

---

### Request

I would like to request the following information under the Freedom of Information (Scotland) Act 2002.

1. A copy of all Mobilisation Plans submitted to the Scottish Government in connection with the COVID-19 pandemic.
2. A copy of all correspondence related to these mobilisation plans.
3. A copy of all recorded information and correspondence concerning the facilitation of early discharge or reducing delayed discharge in connection with the COVID-19 pandemic.

### Response

1. Please find attached a copy of all the Mobilisation Plans for NHS Borders in relation to the Covid-19 Pandemic as requested. To note LMP3 and LMP4 were not submitted to SG but we produced them locally to continue our local planning to respond to Covid:

2. NHS Borders are unable to provide all correspondence related to these mobilisation plans due to the large volume of data. This would require a manual trawl of all data and the cost of carrying out this work would exceed the limit set in the Fees Regulations therefore under Section 12 of the FOI(S)A 2002 we are not required to provide.
