

Freedom of Information request 238-20

Request

How many cases of suicide have been recorded in your health board area in the past three years, dating up to the most recent month possible.

Could this please be broken down by month.

Response

Please note the data in the table below has been extracted from NHS Borders electronic Adverse Event Recording System (Datix). It includes all adverse events relating patient's/service user's death that was confirmed to be suicide. As the number in some areas are very small and in accordance with the Code of Practice for Official Statistics any number that is less than five, actual numbers and potentially identifiable information is withheld to help maintain patient confidentiality due to potential risk of disclosure. Further information is available in the [ISD Statistical Disclosure Control Protocol](#):
