

Freedom of Information request 13-21

Request

I wish to request the following under freedom of information laws and would accept any response to this e-mail address –

- 1) Data showing the number of Do Not Attempt Resuscitation (DNAR) forms signed in the health board area, in each of the last five years, including 2020, broken down by month.

Response

NHS Borders do not hold this data electronically. This data is only available in a patient's notes and to extract this would require a manual trawl of the records of all patients admitted to hospital during this period and the cost of carrying out this work would exceed the limit set in the Fees Regulations of the Freedom of Information (Scotland) Act 2002, therefore we are not required to provide.

This information may be accessible electronically from a GP practice, but you would need to contact each practice individually. A list of practices is available at the following link:

If you are not satisfied with the way your request has been handled or the decision given, you may ask NHS Borders to review its actions and the decision. If you would like to request a review please apply in writing to, Freedom of Information Review, NHS Borders, Room 2EC3, Education Centre, Borders General Hospital, Melrose, TD6 9BS or foi.enquiries@borders.scot.nhs.uk.

The request for a review should include your name and address for correspondence, the request for information to which the request relates and the issue which you wish to be reviewed. Please state the reference number **13-21** on this request. Your request should be made within 40 working days from receipt of this letter.

If following this review, you remain dissatisfied with the outcome, you may appeal to the Scottish Information Commissioner and request an investigation of your complaint. Your request to the Scottish Information Commissioner should be in writing (or other permanent form), stating your name and an address for correspondence. You should provide the details of the request and your reasons for dissatisfaction with both the original response by NHS Borders and your reasons for dissatisfaction with the outcome of the internal review. Your application for an investigation by the Scottish Information Commissioner must be made within six months of your receipt of the response with which you are dissatisfied. The address for the Office of the Scottish Information Commissioner is, Office of the Scottish Information Commissioner, Kinburn Castle, Doubledykes Road, St Andrews, Fife.
