

## Freedom of Information request 46-21

---

### Request

Under 'Freedom of Information' could you please advise the budget allocated to the Borders ADP for drug awareness and prevention programmes only.

I do not require any figures for drug treatment, harm reduction and recovery.

### Response

The majority of work to support drug education and prevention is done 'in-kind' e.g. by education and children's services staff and it is not possible to disaggregate established costs to provide an estimated figure. Therefore under Section 17 of the FOI(S)A 2002 this data is not held.

Under Section 15 Duty to provide advice and assistance we can confirm in 2019-20 £15,000 of the ADP budget was spent on directly commissioned work.

If you are not satisfied with the way your request has been handled or the decision given, you may ask NHS Borders to review its actions and the decision.
