

Freedom of Information request 163-21

Request

I am hoping you might be able to provide me with a list of cognitive/memory clinics in NHS Borders?

Specifically, I am interested in clinics which provide assessment/treatment of cognitive complaints (e.g., dementia services, older adult mental health services, etc.).

If possible, I would be grateful for a list including clinic name, clinic location (e.g., town/postcode), and contact information (email preferable) for each clinic.

Response

All assessments within specialist services are carried out by the Mental Health Older Adults Service which has a postal address of Melburn Lodge, BGH Melrose. However, the team carry out assessments in GP surgeries, NHS buildings and client's own home depending on the situations, access to facilities and the demand for services.

Names and addresses of all NHS premises and GP practices are available on the NHS Borders website at the following link: <http://www.nhsborders.scot.nhs.uk/patients-and-visitors/our-services>
