

Freedom of Information request 13-22

Request

Among all the children and young people from your health board area who waited in excess of the 18-week CAMHS standard and started their treatment in

- (a) 2017-18
- (b) 2018-19
- (c) 2019-20 and
- (d) 2020-21 to date (including those still waiting),

what was the total number of days over the 18-week standard that they collectively waited.

Please break down the figures for each year specified.

For example, if a child began their treatment after 30 weeks, then that child would contribute 84 days towards the total for the year in which they started their treatment (12 weeks x 7 days).
