

Freedom of Information request 267-22

Request

I would like to have the figures for the number of stillbirths in the Borders NHS trust for each year between and including 2001 and 2021. 'Stillbirth' is defined as any baby born dead after 24 weeks of pregnancy by the NHS (<https://www.nhs.uk/conditions/stillbirth/>).

Response

Please find below the number of stillbirths recorded by NHS Borders, please note we do not hold data prior to 2003:

Year	Still Births

2004'5	<5
2005'6	5
2006'7	<5
2007	<5
2008	7
2009	9
2010	6
2011	5
2012	5

2016	<5
2017	<5
2018	<5

Please note that as NHS Borders is such a small Board the number of stillbirths is very small, and to provide further details of these could allow individuals to be identified and we would be in breach of the Data Protection Act 2018. We are therefore withholding all other data under Section 38(2)(ii) of the Freedom of Information (Scotland) Act 2002. This is also in accordance with the Code of Practice for Official Statistics any number that is less than five, actual numbers and potentially identifiable information is withheld to help maintain patient confidentiality due to potential risk of disclosure. Further information is available in the ISD Statistical Disclosure Control Protocol.
