

Freedom of Information request 299-22

Request

1. Please can you tell me how many adverse events were recorded on your Datix system in each month of the last three full financial years and April, May and June of this financial year. Can this be broken down by the associated harm in the following categories (or similar):
 - Adverse events that led to harm
 - Adverse events that did not lead to harm
 - Near misses
 - Fatality Learning Event
 - Never Events
2. In addition, again in each month of the last three full financial years and April, May and June of this financial year, which categories of seriousness these Datix entries were put into (so how many were in adverse event categories one, two or three).
3. Lastly, please can you tell me how many significant adverse event reviews (SAER) were instigated by the health board in each month of the last three full financial years and April, May and June of this financial year.

My preferred format for all of the above is MS Excel.

CLARIFICATION RECEIVED:

So on the first one can we reword the question to

- Please can you tell me how many adverse events were recorded on your Datix system in each month of the last three full financial years and April, May and June of this financial year. Can this be broken down by the following descriptors:

Negligible (1) Minor (2) Moderate (3) Major (4) Extreme (5)

And for Q2.

Yes, can you please break it down by category and level please.
