

## Freedom of Information request 326-22

---

### Request

I would like to submit a freedom of information request on whether NHS Borders is aware of intimidation, harassment, or anti-abortion protesting outside any of their premises?

By harassment/ intimidation I mean any incidents in which patients or staff have claimed to feel harassed or intimidated by any anti-abortion related individuals outside of any clinics.

Any instances of individuals gathering or standing outside of the clinic with signs, handing out leaflets, engaging in prayer or talking to patients entering or leaving the clinic.

Any incidents within the past 10 years would be great
