Response

1. The total locum agency spend by NHS Borders for nurses working in both acute settings and in Primary Care is:

2017/18	£1,145,343
2018/19	£918,945
2019/20	£797,342
2020/21	£808,182
2021/22	£1,611,143
2022/23	£1,080,869 up to October 2022

2. The total locum agency spend by NHS Borders for nurses working in the Accident and Emergency Department is:

2017/18	£35,593
2018/19	£62,501
2019/20	£41,448
2020/21	£35,331
2021/22	£17,766

3. NHS Borders does not record this level of detail on the electronic systems therefore under Section 17 of the FOI(S)A 2002 this data is not held.

4. The electronic Finance System used by NHS Borders does not detail the charge for each individual shift but is a consolidated invoice from the relevant Agency Nursing supplier. To identify this information would require a manual trawl of all invoices received for Agency Nurse shifts worked during this time period and the cost of carrying out this work would exceed the limit set in the Fees Regulations of the FOI(S)A 2002 therefore under Section 12 cost of compliance we are not required to provide.
5. Please see Table 1 attached for the names of each agency used by NHS Borders to provide locum Nurses.

6. Please see Table 1 attached for the total amount of money paid by NHS Borders to each of the agencies.

Please note that from November 2020 NHS Borders Nursing Bank and Agency transferred to the management of NHS Lothian, therefore the amounts noted in Table 1 may not have been paid by NHS Borders.
