

Freedom of Information request 10-23

Request

I would like to know how many people have been diagnosed with pericarditis or myocarditis since 2018 , in the Borders .

Clarification:

NHS Borders do not hold data electronically for diagnoses and would therefore not be able to provide this information; however, we can provide data on the number of patients treated for a condition. Please can you confirm if you would like us to continue with this request based on the numbers of patients treated for Pericarditis and for Myocarditis?

I would like to know how many people have been treated with pericarditis or myocarditis at Borders General Hospital . I'd like to know the numbers of people treated each year from 2018 .

Response

The number of NHS Borders patients treated for Pericarditis or Myocarditis is:

	2018	2019	2020	2021	2022
Pericardium	9	<5	5	11	5
Myocarditis	<5	<5	<5	<5	0

Please note: 2022 data should be treated as provisional due to the time lag in coding / verification of records.

As the number of events in some areas are very small and in accordance with the Code of Practice for Official Statistics any number that is less than five, actual numbers and potentially identifiable information is withheld to help maintain patient confidentiality due to potential risk of disclosure. Further information is available in the [ISD Statistical Disclosure Control Protocol](#).

If you are not satisfied with the way your request has been handled or the decision given, you may ask NHS Borders to review its actions and the decision. If you would like to request a review please apply in writing to, Freedom of Information Review, NHS Borders, Room 2EC3, Education Centre, Borders General Hospital, Melrose, TD6 9BS or foi.enquiries@borders.scot.nhs.uk.

The request for a review should include your name and address for correspondence, the request for information to which the request relates and the issue which you wish to be reviewed. Please state the reference number **10-23** on this request. Your request should be made within 40 working days from receipt of this letter.

If following this review, you remain dissatisfied with the outcome, you may appeal to the Scottish Information Commissioner and request an investigation of your complaint. Your request to the Scottish Information Commissioner should be in writing (or other permanent form), stating your name and an address for correspondence. You should provide the details of the request and your reasons for dissatisfaction with both the original response by NHS Borders and your reasons for dissatisfaction with the outcome of the internal review. Your application for an investigation by the Scottish Information Commissioner must be made within six months of your receipt of the response with which you are dissatisfied. The address for the Office of the

Scottish Information Commissioner is, Office of the Scottish Information Commissioner, Kinburn Castle,
Doubledykes Road, St Andrews, Fife.
