

Freedom of Information request 95-23

Request

We are currently trying to do some mapping of Learning Disability Services across the UK.

I'm requesting information on Learning Disability Services operating under NHS Borders namely a list of all active specialist Learning Disability inpatient services within the health board January 2023 and all Community Learning Disability Services the health board is responsible for.

Response

NHS Borders does not have a specialist Learning Disability inpatient service and is responsible for one Community Learning Disability team.
