

Freedom of Information request 169-23

How many specialist training posts were available for newly qualified junior doctors who have completed their two years foundation training in your health board in 2022, broken down by specialist discipline.

By 'discipline' I mean specialist areas e.g. cardiology, psychiatry, general practice and so on.

I would also be grateful for this information for 2021, 2020, 2019 and 2018.
