

Freedom of Information request 192-23

Request

I would be very interested to know how many knee replacement procedures were carried out between 1/10/22 and 31/01/23 by the Borders General Hospital Melrose.

Response

NHS Borders carried out 36 knee replacement procedures between 1 October 2022 and 31 January 2023. Please note that due to the lag time in the coding of discharge records, final data may be incomplete for January 2023 and this could lead to a change in the total figure.
