

Freedom of Information request 209-23

Request

My thesis is to generate hospital architectural floor planning with artificial intelligence, especially for emergency areas. In this context, I need the floor plans of the hospital emergency departments as data. The hospital floor plans that I want to collect as data are floor plans of emergency departments of NHS hospitals in the UK. That's why I'm writing to you.

Could you please share with me the floor plans of the emergency area of your hospitals? I would be pleased if you could share it.

I am sharing with you how I will use the data I have collected on the subject and the approval letter from my school for your evaluation.

Response

Please find attached a copy of the ground floor layout plan of Borders General Hospital (1:200 scale @ A0 paper size) and an extract of ground floor plan capturing A&E and the immediate vicinity (1:100 scale @ A1 paper size) as per request:
