

Freedom of Information request 215-23

Request

1. As of March 2023, how many residential rehabilitation beds are available within this Health and Social care partnership? Please also break this down by rehab facility. E.g. 100 beds in this partnership, 50 beds in facility A, 50 beds in facility B.
2. In relation to question 1, please provide a description of exactly what kind of services are being provided at these facilities. If different services are only available for a certain number of beds, please provide this information as well. For example, is this a rehab service that actually try and eliminate dependence on drugs and alcohol, or crisis centres that try and stabilise drug use below dangerous levels.

Response

1. We do not have allocated drug or alcohol residential rehabilitation beds within our Health & Social Care Partnership (H&SCP).
2. Not applicable.

As a HSCP we commission residential rehabilitation beds predominately with a service called Phoenix House outwith the Scottish Borders.
