

Freedom of Information request 285-23

Request

How many assaults have been reported against paramedics between the period of March 2020 until March 2023?

Could any information on this please be provided broken down on a monthly basis?

Furthermore, how many paramedics have had to take long term sick leave, defined by a period of more than one month, as a direct result of those reported assaults?

Can this information be provided on a yearly breakdown of March 2020-2021; March 2021-2022; March 2022-2023.
