### Request

Please may you provide me with:

1. The total amount spent in the last five financial years on public relations, both in-house and externally (split if possible).
2. The total number of public relations officers or communications officers employed by your organisation over the last five years. (I am looking for the number of posts rather than the number of individuals employed to eliminate discrepancies involving staff turnover.)

Please provide the information in the form of an Excel spreadsheet if at all possible.
