

Freedom of Information request 571-23

Request

Can you provide the following information:

1. The number of adults diagnosed each year from 2013-2022. And a breakdown of these numbers by gender of patients.
2. Number of patients assessed for ADHD from 2018-2022. And a breakdown of these numbers by gender of patients.
3. Number of GP referrals requesting ADHD assessment for a patient from 2018-2023. And a breakdown of these numbers by gender of patients.
4. The average current waiting time for patients to get an ADHD assessment.
5. Any criteria you insist patients meet before they can be assessed for ADHD.

Please provide these in excel or CSV.

Response

1	This information is not held electronically. The data may be held in a patient's record, but to extract this data would require a manual trawl of all patient records and the cost of carrying out this work would exceed the limit set in the Fees Regulations of the Freedom of Information (Scotland) Act 2002 and under Section 12 we are not required to provide.

4	This information is not held, as defined in Section 17, Freedom of Information (Scotland) Act 2002.
5	Adult patients referred for ADHD assessments are accepted into service for secondary care if they have a co-morbidity as well as potential ADHD and therefore meet the criteria for Secondary Care Mental Health.

Please see attached response from NHS Borders in spreadsheet form as requested.
