Borders Emergency Care Service provides out of hours primary care to the population of the Scottish Borders. We welcome applications from suitably qualified practitioners. Sessional GPs form one pillar of the integrated clinical team for the Borders Emergency Care Service providing care across both the Primary Care and the Borders General Hospital setting. You would work as part of a multi-disciplinary team of professional and administrative colleagues to provide a range of appropriate unscheduled care services to the public within Borders

The cover required is during the out of hours period, 1800 to 0800 Monday to Friday and throughout Saturdays, Sundays and public holidays.

Candidates should be fully registered in the GMC register for General Practice with a licence to practice and have been awarded a CCT in General Practice or have completed equivalent vocational training in General Practice. Candidates should have recent experience of working in a comparable Primary Care out of hours service.

Informal e-mail enquiries and visits to the hospital are welcome: please contact Dr Craig Wheelans (Clinical Lead / Salaried GP), on [craig.wheelans@borders.scot.nhs.uk](mailto:craig.wheelans@borders.scot.nhs.uk) or phone 01896 827005.

**To apply, please submit your Curriculum Vitae along with the application from in the job description immediately with the addresses of two referees, one being your current or most recent employer, together with a daytime telephone number where you can be contacted to**
