INTRODUCTION

INTRODUCTION

1. CODE OF CORPORATE GOVERNANCE

The Code of Corporate Governance includes the following sections:

Section A – How business is organised
Section B – Members' code of conduct
Section C – Standards of business conduct for NHS staff
Section D – Health & Social Care Integration - Scottish Borders Integration Joint Board
Section E – Counter Fraud Policy & Action Plan
Section F – Reservation of powers and delegation of authority
Section G – Standing financial instructions

It uses best practice in Corporate Governance as set out in the Cadbury, Nolan and other Reports, and guidance issued by the Scottish Government Health Department and others.

The Board reviews and approves the Code of Corporate Governance each year. Sections A to F are NHS Borders Standing Orders. The Standing Orders are made in accordance with the Health Board (Membership and Procedure) (Scotland) Regulations 2001.

Statutory provision, legal requirement, regulation or a direction by Scottish Ministers take precedence over the Code of Corporate Governance if there is any conflict.

2. BORDERS NHS BOARD

Borders NHS Board, 'The Board', means Borders Health Board.

The common name of Borders NHS Board as an organisation is "NHS Borders".

The Board is a single legal entity, accountable to the Scottish Government Health Department and to Scottish Ministers for the functions and performance of NHS Borders.

The Board will not concern itself with day-to-day operational matters, except where they have an impact on the overall performance of the system.

The Board consists of the Chair, Non-Executive and Executive Members appointed by Scottish Ministers to constitute Borders Health Board. (National Health Services (Scotland) Act 1978 as amended).

Remuneration will be paid as determined by Scottish Ministers to the Chair and other Non-Executive Board Members.

Any member of the Board may, on reasonable cause shown, be suspended or removed or disqualified from membership of the Board in accordance with the Regulations identified Section 1 above.

A member of the Board may resign office at any time by giving notice in writing to Scottish Ministers to that effect.

The overall purpose of Borders NHS Board is to:

- Review and ensure the efficient, effective and accountable governance of NHS Borders
- Provide strategic leadership and direction
- Focus on agreed outcomes
- Work in partnership with the Scottish Borders Health and Social Care Integration Joint Board and Scottish Borders Council to deliver the Strategic Commissioning Plan and associated outcomes.

The Role of the Board is to:

- Provide and improve and protect the health of local people,
- Provide and improve health services for local people,
- Focus clearly on health outcomes and people's experience of NHS Borders,
- Work in conjunction with the Scottish Borders Health and Social Care Integration Joint Board to improve the wellbeing of people who use health and social care services,
- Improve community planning within the Scottish Borders through membership of the Community Planning Partnership,
- Be accountable for the performance of NHS Borders as a whole,
- Involve the public in the design and delivery of healthcare services,

The Functions of the Board are to:

- Set the strategic direction of NHS Borders within the overall policies and priorities of the Scottish Parliament and the Scottish Government, define its annual and longer-term objectives and agree plans to achieve them;
- Delegate functions and related resources to the Scottish Borders Health and Social Care Integration Joint Board in line with legislation (Joint Working Act 2014)
- Deliver services as commissioned by the Scottish Borders Health and Social Care Integration Joint Board in line with the agreed Health and Social Care Implementation Strategic Commissioning Plan.
- Approve resource allocation to address local priorities;
- Ensure effective financial stewardship through value for money, financial control and financial planning and strategy;
- Oversee implementation and delivery of the Local Delivery Plan
- Manage the performance of NHS Borders, including risk management, by monitoring performance against objectives and ensuring corrective action is taken when necessary;
- Appoint, appraise and remunerate senior executives;
- Be responsible for the recruitment, and authorise the appointment of, consultants as required under the National Health Service (Appointment of Consultants) (Scotland) Regulation 2009.
- Approve governance arrangements for NHS Borders which the Board will discharge including through the Standing Committees of Audit, Clinical, Staff and Public Governance.

Responsibilities of Members of the Board include:

- Shared responsibility for the discharge of the functions of the Board
- Exercise independent, impartial judgement on issues of strategy, resource allocation, performance management, key appointments and accountability, to Scottish Ministers and to the local community
- Responsibility and accountability for the overall performance of NHS Borders

4. CORPORATE GOVERNANCE

Corporate Governance is the term used to describe our overall control system. It details how we direct and control our functions and how we relate to our communities and covers the following dimensions:

- Community focus and communication
- Service delivery arrangements
- Structures and processes
- Risk management
- Systems of internal control
- Standards of conduct

Borders NHS Board is responsible for:

- Giving leadership and strategic direction
- Putting in place controls to safeguard public resources
- Supervising the overall management of its activities
- Reporting on management and performance

5. CONDUCT, ACCOUNTABILITY AND OPENNESS

Members of the Board are required to comply with the Members' code of conduct and the Standards of business conduct for NHS staff.

Board Members and staff are expected to promote and support the principles in the Members' code of conduct and to promote by their personal conduct the values of:

- Public service
- Leadership
- Selflessness
- Integrity

- Objectivity
- Openness
- Accountability and stewardship
- Honesty
- Respect

6. UNDERSTANDING RESPONSIBILITIES ARISING FROM THE CODE OF CORPORATE GOVERNANCE

It is the duty of the Chair and the Chief Executive to ensure that Board Members and staff understand their responsibilities. Board Members shall receive copies of the Code of Corporate Governance. The Code of Corporate Governance is made available to the organisation via electronic means on both the internal intranet and external website. Managers are responsible for ensuring their staff understand their responsibilities.

7. ENDOWMENT FUNDS

The principles of this Code of Corporate Governance apply equally to Members of the Board who have distinct legal responsibilities as Trustees of the Endowment Funds.

8. ADVISORY AND OTHER COMMITTEES

The principles of this Code of Corporate Governance apply equally to all Board Advisory Committees and all committees and groups which report directly to a Board Committee.

9. REVIEW

The Board will keep the Code of Corporate Governance under review and undertake a comprehensive review at least every two years. The Board may, on its own or if directed by the Scottish Ministers, vary and revoke Standing Orders for the regulation of the procedure and business of the Board and of any Committee. The Audit Committee is responsible for advising the Board on these matters.

10. FEEDBACK

NHS Borders wishes to improve continuously and reviews the Code of Corporate Governance regularly. To ensure that this Code remains relevant, we would be happy to hear from you with regard to new operational procedures, changes to legislation, confusion regarding the interpretation of statements or any other matter connected with the Code.

Comments and suggestions for improvement are most welcome, and these should be sent to:-

1. THE BOARD AND ITS COMMITTEES

* The Pharmacy Practice Committee has delegated authority from the Board to meet when there are applications to consider in line with Statutory Instrument 1995 NO 414 (S28)
The National Health (Pharmaceutical Services) Service (Scotland) - Regulations 1195

2. HOW BOARD AND COMMITTEE MEETINGS MUST BE ORGANISED

This section regulates how the meetings and proceedings of the Board and its Committees will be conducted and are referred to as 'Standing Orders'. The Health Boards (Membership and Procedure) (Scotland) Regulations 2001 confirms the matters to be included in the Standing Orders. This is attached for reference at Appendix 1 of this section. The following is NHS Borders' practical application of these Regulations.

1. Calling and Notice of Meetings

- 1.1 The first meeting of the Board shall be held on a day and at a place fixed by the Chair.
- 1.2 The Chair may call a meeting of the Board at any time and the Chair of a Committee may call a meeting of that Committee at any time or when required to do so by the Board.
- 1.3 Ordinary meetings of the Board or Committees will be held in accordance with the timetable approved by the Board. Meetings of the Board will normally be held bi-monthly and not more than 3 months between meetings.
- 1.4 Meetings of the Board and its Committees may be conducted in any way in which each member is enabled to participate including video or teleconferencing. A meeting shall only be conducted by video or teleconferencing on the direction of the Chair, or Vice Chair of the Board, or Committee.
- 1.5 A meeting of the Board may be called if one third of the Members make the request in writing. If the Chair does not call a meeting within seven days of the request, the Members who signed the request may call the meeting provided that only the requested business is transacted.
- 1.6 The notice of a Board or Committee meeting (agenda and papers) must be delivered to each member, at least seven clear days before the date of the meeting, other than in exceptional circumstances when it must be delivered three clear days before the meeting.
- 1.7 Before each Board meeting a notice (agenda and papers) specifying the time, place and business to be transacted, shall be delivered to every Member or sent by post to the home of the Members or sent by email if requested.
- 1.8 Notification of the time and place of Board Meetings for the forthcoming year shall be published on the NHS Borders website: www.nhsborders.org.uk
- 1.9 Lack of service of the notice on any member shall not affect the validity of a meeting.
- 1.10 Special meetings of committees shall be held on the dates and times that the Chairs of those Committees determine.

- 1.11 It is within the discretion of the Chair of any Committee to cancel, advance or postpone an ordinary meeting if there is a good reason for doing so.
- 1.12 Two or more members of any Committee may, by notice in writing, require a special meeting to be called to consider the business specified in the notice. Such a meeting shall be held within fourteen days of receipt of the notice by the Board Secretary or Lead Executive Director.
- 1.13 In the case of the Audit Committee a special meeting maybe called by the Audit Committee Chair, Chair of Borders NHS Board, the Chief Executive, the Director of Finance, the Chief Internal Auditor or the Appointed External Auditor.

2. Appointment of Chair of Borders NHS Board

- 2.1 The Chair is appointed by the Cabinet Secretary for Health and Well Being. The regulations governing the period of terms of office and the termination or suspension of office of the Chair are contained in the 1978 Act.

3. Appointment of Vice-Chair of Borders NHS Board

- 3.1 To enable the business of the Board to be conducted in the absence of the Chair, a Non-Executive Member who is not an NHS employee or an independent Primary Care Contractor (for example Employee Director, Chair of the Area Clinical Forum or Scottish Borders Council appointed representative) shall be appointed Vice-Chair. The Chair will nominate a Vice Chair for approval of the Board and subsequently the approval of the Cabinet Secretary.
- 3.2 The Vice-Chair may resign from the office at any time by giving notice in writing to the Chair. The Chair will appoint a new Vice Chair in these circumstances in accordance with 3.1 above.
- 3.3 Where the Chair of the Board has ceased to hold office or has been unable to perform their duties as Chair, owing to illness, absence or any other cause, the Vice-Chair shall take the place of the Chair in the conduct of the business of the Board and references to the Chair shall be taken to include references to the Vice-Chair.

4. Duties of Chair and Vice-Chair

- 4.1 At every meeting of the Board, the Chair, shall preside. If the Chair is absent a Vice-Chair, shall preside. If the Chair and Vice-Chair are both absent, the Members present shall elect a Non-Executive Member to act as Chair for that meeting.
- 4.2 If both the Chair and Vice-Chair (if any) of a Committee are absent from a meeting a member of the Committee chosen at the meeting by the other members to act as Chair for that meeting.
- 4.3 It shall be the duty of the Chair:
 - To ensure that Standing Orders are observed and to facilitate a culture of transparency, consensus and compromise.

- To preserve order and ensure that any member wishing to speak is given due opportunity to do so and a fair hearing.
 - To decide all matters of order, competence and relevance.
- 4.4 The Chief Executive or Board Secretary shall draw the attention of the Chair to any apparent breach of the terms of these Standing Orders.
- 4.5 The decision of the Chair on all matters referred to in this Standing Order shall be final and shall not be open to question or discussion in any meeting of the Board.
- 4.6 Deference shall at all times be paid to the authority of the Chair. When the Chair commences speaking, they shall be heard without interruption.

5. Quorum

5.1 The quorum for Board meetings is one-third of the whole number of Members, of which at least two are Non-Executive Members. No business shall be transacted at a meeting of the Board unless this is met. It is at the discretion of the Chair as to whether an inquorate meeting still takes place even though it shall not be possible to make any decisions at such a meeting.

5.2 The quorum for Committees shall be as follows:-

- | | |
|---------------------------------------|---|
| 1. Strategy and Performance Committee | One-third of the whole number of Members, of which at least two are Non-Executive Members |
| 2. Financial Performance Group | Three members of the Group of which Two members must be Non-Executives. |
| 3. Audit Committee | Two members who must be Non-Executives |
| 4. Clinical Governance Committee | Two members who must be Non-Executive Members |
| 5. Staff Governance Committee | Two members who must be Non-Executive Members |
| 6. Remuneration Committee | Two members |
| 7. Public Governance Committee | Four core members or their deputies must be present (this includes two Non Executive Directors), and at least two public members to be present. |
| 8. Area Clinical Forum (ACF) | Four members of the Committee |
| 9. Area Partnership Forum (APF) | A minimum of five members each for the management side and the staff side. |

- 5.3 If a quorum is not present ten minutes after the time specified for the start of a meeting of the Board or Committees the Chair will seek agreement to adjourn the meeting and reschedule.
- 5.4 If during any meeting of the Board or of its Committees a Member or Members are called away and the Chair finds that the meeting is no longer quorate, the meeting shall be suspended. If a quorum is not present at the end of ten minutes, the Chair will seek agreement to adjourn the meeting and reschedule.

6. Order of business

- 6.1 The Chair in conjunction with the Chief Executive shall set the agenda for meetings of the Board.
- 6.2 For ordinary meetings of the Board or its Committees, the business shown on the agenda shall normally proceed in the following order:
- Business determined by the Chair to be a matter of urgency by reason of special circumstances
 - Reception of deputations, followed by consideration of any items of business on which the deputations have been heard
 - Petitions
 - Minutes of the previous meeting for approval
 - General Business
 - Minutes of Committees
 - Questions and motions of which due notice has been given
- 6.3 No item of business shall be transacted at a meeting, unless either:
- It has been included on the agenda for the meeting, or
 - It has been determined by the Chair to be a matter of urgency by reason of special circumstances

7. Conflict of interest

- 7.1 If a Member, or associate of theirs, has any interest, direct or indirect, in any contract or proposed contract or other matter, they shall disclose the fact. Members with a pecuniary interest shall leave the room during discussion of the matter in which they have an interest. Members with an interest in a non pecuniary matter shall declare that interest and may remain in the room.
- 7.2 The Scottish Ministers may, subject to such conditions as they may think fit to impose, remove any disability imposed by the 2001 Regulations in any case in which it appears to them in the interests of the health service that the disability should be removed.
- 7.3 Remuneration, compensation or allowances payable to a Chair or other Member shall not be treated as an interest for the purpose of the 2001 Regulations. (Paragraphs 4, 5 or 14 of Schedule 1 to the Act)
- 7.4 A Member, or associate of theirs, shall not be treated as having an interest in any contract, proposed contract or other matter if the interest is so remote or insignificant that they cannot reasonably be regarded as

likely to effect any influence in the consideration or discussion of or in voting on, any question with respect to that contract or matter.

7.5 The 2001 Regulations apply to a Committee as they apply to the Board and apply to any Member of any such Committee (whether or not they are also a Member of the Board) as they apply to a Member of the Board.

7.6 For the purposes of the 2001 Regulations, the word 'associate' has the meaning given by Section 74 of the Bankruptcy (Scotland) Act 1985 (a).

8. Reception of deputations

8.1 Every application for the reception of a deputation must be in writing, duly signed and delivered, faxed or e-mailed to the Board Secretary at least three clear working days prior to the date of the meeting at which the deputation wish to be received. The application must state the subject and the action which it proposes the Board or Committee should take.

8.2 The deputation shall consist of not more than ten people.

8.3 No more than two members of any deputation shall be permitted to address the meeting, and they may speak in total for no more than ten minutes.

8.4 Any member may put any relevant question to the deputation, but shall not express any opinion on the subject matter until the deputation has returned to the public gallery/audience. If the subject matter relates to an item of business on the agenda, no debate or discussion shall take place until the relevant minute or other item is considered in the order of business.

9. Receipt of petitions

9.1 Every petition shall be delivered to the Board Secretary at least three clear working days before the meeting at which the subject matter may be considered. The Chair will be advised and will decide whether the contents of the petition should be discussed at the meeting or not.

10. Submission of reports

10.1 Reports shall be submitted by the Executive Member or other Senior Officer when requested, or when, in the professional opinion of such an officer, a report is required to enable compliance with any statute, regulation or Ministerial Direction, or other rule of law, or where the demands of the service under their control require.

10.2 Any report to be submitted shall be provided not later than fourteen days prior to the meeting of the Board or Committee to the Board Secretary and where appropriate the Director of Finance. Any observations by those officers on matters within their professional remit shall be incorporated into the report.

10.3 Only those reports which require a decision to be taken by the Board or Committee, or are necessary to enable the Board or Committee to discharge its business or exercise its monitoring role, will normally be included on the agenda . The Chair of the Committee and the Chair of

the Board with the Chief Executive shall make the final determination on whether or not an item of business should be included on an Agenda.

- 10.4 All reports requiring decisions will be submitted in writing. Verbal reports will only be accepted in exceptional circumstances, and with the prior approval of the Chair of the Board or the Chair of the Committee.

11. Right to attend meetings and/or place Items on an agenda

- 11.1 Any Board Member shall be entitled to attend any meeting of any Committee, and shall, with the consent of the Committee, be entitled to speak but not to propose, second any motion or vote. Executive Members cannot attend the Remuneration Committee when matters pertaining to their terms and conditions of service are being discussed and the Audit Committee when deemed necessary by the Chair of that Committee.
- 11.2 A Board Member, who is not a member of a particular Committee and wishes that Committee to consider an item of business which is within its remit, shall inform in writing the Committee Administrator no later than 12 noon on the fourteenth day prior to the meeting of the issue to be discussed. The Committee Administrator shall arrange for it to be placed on the agenda of the Committee. The Member shall be entitled to attend the meeting and speak in relation to the item, but shall not be entitled to propose or second any motion or to vote.
- 11.3 A member of a Committee who wishes to raise any item of business which is within its remit shall inform in writing the Committee Administrator no later than 12 noon on the fourteenth day prior to the meeting the issue to be discussed. The Committee Administrator shall arrange for it to be placed on the agenda of the Committee.
- 11.4 The Chief Internal Auditor and External Auditor have a right of attendance at all Committees. The Chief Internal Auditor and External Auditor shall have the right of direct access to the Chairs of the Board and all Committees.
- 11.5 The Chair of the Area Clinical Forum will be appointed as a Non-Executive of the Board. As such they will be invited to attend Board and Committee meetings except the Remuneration Committee. The Chair will also be invited to attend the Area Partnership Forum.
- 11.6 The Chair of the meeting will have the discretion to decide if the representatives will not be issued with reserved business and will be required to leave due to the nature of business to be discussed in Reserved Business.
- 11.7 Persons attending in this capacity shall be entitled to speak but not to propose or second any motion or to vote.

12. Alteration or revocation of previous decision

- 12.1 Subject to 13.2 below, a decision shall not be altered or revoked within a period of six months from the date of such decision being taken.
- 12.2 Where the Chair rules that a material change of circumstances has occurred to such extent that it is appropriate for the issue to be

reconsidered, a decision may be altered or revoked within six months by a subsequent decision arising from:

- A recommendation to that effect, by an Executive Member or other officer in a formal Report
- A motion to that effect of which prior notice has been given in terms of 10.1

12.3 This does not apply to the progression of an issue on which a decision is required.

13. Suspension of standing orders

13.1 So far as it is consistent with any statutory provisions, any one or more of the Standing Orders may be suspended at any meeting of the Board, but only as regards the business at such meeting, provided that two-thirds of the members present and voting so decide.

14. Admission of public and press

14.1 Members of the public and representatives of the Press will be admitted to every formal meeting of the Board but will not be permitted to take part in discussion. (Public Bodies (Admission to Meetings) Act 1960)

14.2 The Board may exclude the public and press while considering any matter that is confidential. (Exemptions, Freedom of Information (Scotland) Act 2002 (the Act) and Environmental Information (Scotland) Regulations 2004 (the Regulations))

A summary of the exemptions specified in the Act is contained at the end of this section at Para 18.3, but should not be relied upon as a comprehensive application of the exemptions in restricting access to information.

For guidance on application of the Act and Regulations, please contact the Board Secretary on 01896 825525.

14.3 The terms of any such resolution specifying the part of the proceedings to which it relates and the categories of exempt information involved shall be specified in the minutes.

14.4 Members of the public and representatives of the press admitted to meetings shall not be permitted to make use of photographic or recording apparatus of any kind unless agreed by the Board. (1960 Act)

14.5 The Chair of the Board can request a private meeting of the Board to consider business as appropriate to a private discussion.

15. Members' code of conduct

15.1 All those who are appointed as Members of the Board must comply with

- the Members' Code of Conduct as incorporated into the Code of Governance and approved by the Scottish Government
- approved NHS Borders Board policies and procedures

This also applies equally to all members of Committees whether they are employed by NHS Borders or not when undertaking Committee business.

- 15.2 For the purposes of monitoring compliance with the Members' Code of Conduct, the Board Secretary has been appointed as the designated monitoring officer.
- 15.3 Board Members and committee Members having any doubts about the relevance of a particular interest should discuss the matter with the Chair or Board Secretary.
- 15.4 Members should declare on appointment any material or relevant interest and such interests should be recorded in the Board and Committee minutes. Any changes should be declared and recorded when they occur.
- 15.5 Members interests will be entered into a register that will be maintained by the Board Secretary and will be available to the public on request.

16. Minutes, agendas and papers

- 16.1 The Board Secretary is responsible for ensuring that Minutes of the proceedings of a meeting of the Board or its Committees, including any decision or resolution made at that meeting, shall be drawn up. The minutes shall be submitted to the next meeting of the Board, or relevant Committee, for approval by members as a record of the meeting subject to any amendments proposed by members and shall be signed by the person presiding at that meeting.
- 16.2 The names of members present at a meeting of the Board or of a Committee of the Board shall be recorded in the Minute, together with the apologies for absence from any member.
- 16.3 The Freedom of Information (Scotland) Act 2002 gives the public a general right of access to all recorded information held. Therefore, when minutes of meetings are created, it should be assumed that what is recorded will be made available to the public.
- 16.4 The Minute of a meeting being held where authority or approval is being given by the committee and the Minutes are intended to act as a record of the business of the meeting, then the Minute should contain:
 - A summary of the Committee's discussions
 - A clear and unambiguous statement of all decisions taken
 - If no decision is taken, a clear and unambiguous statement of where the matter is being referred or why the decision has been deferred
 - Where options are presented, a summary of why options were either accepted or rejected
 - Reference to any supporting documents relied upon
 - Any other relevant points which influenced the decision or recommendation
 - Any recommendations which require approval by a higher authority
- 16.5 The contents of a Minute will depend upon the purpose of the meeting.

If the meeting agrees actions they will be recorded in an Action Tracker:

- A description of the task, including any phases and reporting requirements
 - The person accepting responsibility to undertake the task
 - The time limits associated with the task, its phases and agreed reporting
- 16.6 The agendas and papers for all Board, Committee and Sub-Committee meetings shall be circulated to members by post at least 7 days before any given meeting.
- 16.7 The draft minutes and action trackers from all Board, Committee and Sub-Committee meetings shall be issued as soon as possible following a meeting, ideally within 5 working days.

17. Freedom of Information (Scotland) Act 2002

- 17.1 The Freedom of Information (Scotland) Act 2002 (FOI(S)A) was introduced by the Scottish Parliament to ensure that people have the right to access information held by Scottish public authorities. The Act states that any person can receive information that they request from a public authority, subject to certain exemptions such as protection of personal data and commercial interests, or national security. It came into force on 1 January 2005 and is retrospective, so that it includes all records held by the Board prior to 2005 as well as since that date.

Under FOI(S)A NHS Borders is required to:

- Provide applicants with help and assistance in finding the information they require within a given timescale
 - Maintain a publication scheme of information to be routinely published
 - Put in processes for responding to enquiries and undertaking appeals against decisions to withhold information
- 17.2 Information as defined under FOI(S)A includes copies or extracts, including drafts, of any documents such as:
- reports and planning documents
 - committee minutes and notes
 - correspondence including e-mails
 - statistical information
- 17.3 The FOI(S)A provides a range of exemptions which may be applied allowing the public authority to withhold information. Exemptions must be considered on a case by case basis and may be applied to all or only part of the information requested.

All documents will be scrutinised for information which may be withheld under an exemption to the Act prior to release.

Full details of the FOI(S)A exemptions and how to apply them can be found in the Freedom of Information (Scotland) Act 2002 which is available on the NHS Borders intranet Information Governance site at http://intranet/new_intranet/microsites/index.asp?siteid=41&uid=2

Briefings on how to apply exemptions can be found on the Scottish Information Commissioners website at

<http://www.itspublicknowledge.info/ScottishPublicAuthorities/ScottishPublicAuthorities.asp>.

For further advice on the Freedom of Information (Scotland) Act 2002, processes and application contact the Public Involvement & Communications Team.

18. Records management

Under the Freedom of Information (Scotland) Act 2002, NHS Borders must have comprehensive records management systems and process in place which must give clear guidance on time limits for the retention of records and documents.

Separate guidance has been produced for records management. The NHS Borders Records Management Policy can be found on the NHS Borders Intranet Information Governance site at

http://intranet/new_intranet/microsites/index.asp?siteid=41&uid=2

3. STANDING COMMITTEES

1. Establishing Committees

- 1.1 The Board on the recommendation of the Chair shall create such Committees, as are required by statute, guidance, regulation and Ministerial direction and as are necessary for the economical efficient and effective governance of the Boards' business.
- 1.2 The Board shall delegate to such Committees those matters they consider appropriate. The matters delegated shall be set out in the Purpose and Remits of those Committees detailed in Paragraph 8, Purpose and Remits
- 1.3 The Chair may vary the number, constitution and functions of Committees at any meeting by specifying the proposed variation.

2. Membership

- 2.1 The Board on the recommendation of the Chair shall appoint the membership of Committees on an annual basis. By virtue of their appointment the Chair of the Board is an ex officio member of all Committees except the Audit Committee.

- 2.2 Any Committee, shall include at least one Non-Executive Members of the Board, and may include persons, who are co-opted, and may consist wholly or partly of Members of the Board.
- 2.3 In recommending to the Board the membership of Committees, the Chair shall have due regard to the Committee purpose, role and remit, and accountability requirements. Certain members may not be appointed to serve on a particular Committee as a consequence of their positions. Specific exclusions are:
 - Audit Committee - Chair of the Board together with any Executive Member or Officer.
 - Remuneration Committee - any Executive Member or Officer.
- 2.4 The Board on the recommendation of the Chair has the power to vary the membership of Committees at any time, provided that this is not contrary to statute, regulation or direction by Scottish Ministers
- 2.5 The Board on the recommendation of the Chair shall appoint Vice-Chairs of Committees. In the case of Members of the Board, this shall be dependent upon their continuing membership of the Board.
- 2.6 The persons appointed as Chairs of Committees shall usually be Non-Executive Members of the Board and only in exceptional circumstances shall the Chair recommend to the Board the appointment of a Chair of a Committee who is not a Non-Executive Member, such circumstances are

to be recorded in the Minutes of the Board meeting approving the appointment.

- 2.7 Casual vacancies occurring in any Committee shall be filled as soon as may be by the Chair after the vacancy takes place.

3. Functioning

- 3.1 An Executive member or another specified Lead Officer shall be appointed to support the functioning of each Committee.
- 3.2 Committees may seek the approval of the Chair to appoint Sub-Committees for such purposes as may be necessary.
- 3.3 Committees may from time to time establish working groups for such purposes as may be necessary.
- 3.4 Where the functions of the Board are being carried out by Committees, the membership, including those co-opted members who are not members of the Board, are deemed to be acting on behalf of the Board.
- 3.5 During intervals between meetings of the Board or its Committees, the Chair of the Board or the Chair of a Committee or in their absence, the Vice Chair shall, in conjunction with the Chief Executive and the Lead Officer concerned, have powers to deal with matters of urgency which fall within the terms of reference of the Committee and require a decision which would normally be taken by the Committee. All decisions so taken should be reported to the next full meeting of the relevant Committee. It shall be for the Chair of the Committee, in consultation with the Chief Executive and Lead Officer concerned, to determine whether a matter is urgent in terms of this Standing Order.

4. Minutes

- 4.1 The Minute of each Committee of the Board shall be submitted as soon as is practicable to an ordinary meeting of the Board for information, and for the consideration of any recommendations having been made by the Committee concerned.
- 4.2 The Minute of each Committee meeting shall also be submitted to the next meeting of the Committee for approval as a correct record.
- 4.3 Minutes of the proceedings at a meeting of a Special Committee shall be made but these proceedings may be reported to the Board or to any Committee of the Board either by the Minutes or in a report from the Special Committee as may be considered appropriate.

5. Frequency

- 5.1 The Committees of the Board shall meet no fewer than four times a year.

6. Delegation

- 6.1 Each Committee shall have delegated authority to determine any matter within its purpose and remit, with the exception of any specific restrictions contained in Section E, Section 1.

- 6.2 Committees shall conduct their business within their purpose and remit, and in exercising their authority, shall do so in accordance with the following provisions. However, in relation to any matter either not specifically referred to in the purpose and remit, or in this Standing Order, it shall be competent for the Committee, whose remit the matter most closely resembles, to consider such matter and to make any appropriate recommendations to the Board.
- 6.3 Committees must conduct all business in accordance with NHS Borders policies and the Code of Corporate Governance.
- 6.4 The Chair may deal with any matter falling within the purpose and remit of any Committee without the requirement of receiving a report of Minute of that Committee referring to that matter.
- 6.5 The Chair may at any time, vary, add to, restrict or recall any reference or delegation to any Committee. Specific direction by the Chair in relation to the remit of a Committee shall take precedence over the terms of any provision in the purpose and remit.
- 6.6 If a matter is of common or joint interest to a number of Committees, and is a delegated matter, no action shall be taken until all Committees have considered the matter.
- 6.7 In the event of a disagreement between Committees in respect of any such proposal or recommendation, which falls within the delegated authority of one Committee, the decision of that Committee shall prevail. If the matter is referred but not delegated to any Committee, a report summarising the views of the various Committees shall be prepared by the appropriate officer and shall appear as an item of business on the agenda of the next convenient meeting of the Board.

The Chair of the Committee, in conjunction with the Chief Executive shall set the agenda for the meetings. Committee members who wish to raise items for consideration on future agendas can do so under Any Other Business or through the Committee Chair.

The agenda and supporting papers will be sent out by the Board Secretary, at least seven days in advance of the meetings to allow time for members' due consideration of issues.

Formal minutes and an action tracker arising from Committee business shall be kept to record, identify and ensure actions are carried out. The Committee will be supported by the Board Secretary who will submit the minutes for approval at the next Strategy & Performance Committee meeting, prior to submission to the Board.

1.4 Remit

1.4.1 Strategy Development

The Committee will have an important role in shaping the development of the Strategic Framework of the Board.

The Committee will ensure detailed and appropriate scrutiny of the development of all strategies, which require approval by the Board, including the Local Delivery Plan, and make recommendations on them to the Board. The Committee will ensure that strategies are compliant with the duties of the Board in respect of meeting legislative and good practice requirements. The Committee will also ensure that there is an integrated approach to workforce, finance and service planning.

1.4.2 Service Redesign

The Committee will ensure that service redesign encompasses collaborative working across health, social care and other organisations, with explicit links between service redesign, service improvement, workforce planning and the strategic priorities for NHS Scotland.

1.4.3 Patient Stories

The Committee will ensure the organisation is supportive of the Patient Rights (Scotland) Act and the Person Centred Health and Care Programme through the receipt of patient stories at each meeting. The patient stories will highlight to the Committee the experiences of patients and carers. The Committee will support organisational learning and priority setting and consider the opportunities and positive outcomes which can be delivered by working in partnership with service users in an innovative and creative way.

1.4.4 Inspections and Inquiries

The Committee will seek assurance of an ongoing focus to achieve inspection standards as outlined by Health Improvement Scotland. The Committee may make recommendations to the Board.

The Committee shall review actions taken by NHS Borders in relation to high profile inquiries that may attract media interest. The Committee may make recommendations to the Board.

1.4.5 Financial Framework

The Strategy and Performance Committee will support the development of a Financial Strategy that is consistent with national and local priorities, and specifically:

1. The Committee shall support the development of the Board Financial Strategy and the Local Delivery Plan.
2. The Committee shall review the financial impact of planned future policies and known or foreseeable future developments.

3. The Committee will annually review and agree the level of budget to be provided to the IJB for the functions delegated and make recommendations to the Board.
4. The Committee will review the H&SCI Strategic Commissioning Plan to ensure the outcomes can be delivered within the Board's revenue and capital plan.
5. The Committee shall review the Property Strategy (including the acquisition and disposal of property) and make recommendations to the Board.

1.4.6 Performance Management

The Committee shall have oversight of systems and processes to secure economy, efficiency and effectiveness in the use of resources. The Committee may, from time to time, review individual services in relation to performance management, ensuring that health care is delivered to an efficient and cost-effective level. Specifically, the Committee will:

1. Ensure a rigorous and systematic approach to the monitoring of delivery of national and local priorities.
2. Monitor the delivery of health related Outcomes and Performance Targets for functions delegated and resources provided to the IJB and for services commissioned by the IJB.
3. Promote an integrated approach to performance management and risk, including review of the Strategic Risk Register of the Board.
4. Oversee an effective approach to prioritisation of resources, supported by appropriate and relevant benchmarking and comparative information to inform decision-making.
5. Ensure the organisation works with other partners to secure effective and integrated systems of performance management.

The Committee is clear of its corporate responsibilities and accountabilities.

1.5 Risk Reporting

To avoid the Committee's agenda becoming over-burdened and unmanageable specific pieces of work will be delegated to the appropriate Director, sub group or short-life task and finish groups reporting to the Committee with very specific remits, objectives, timescales and membership.

1.6 Best value

The Committee will put in place arrangements which will provide assurance to the Chief Executive as Accountable Officer, that NHS Borders has systems and processes in place to secure best value for these delegated areas.

The Terms of Reference of the Clinical Governance Committee will be reviewed on an annual basis.

E) STAFF GOVERNANCE COMMITTEE

1.1 Purpose

To advise the Board on its responsibility, accountability and performance against the NHS Scotland Staff Governance Standard; addressing the issues of policy, targets and organisational effectiveness.

The NHS Reform (Scotland) Act requires Boards to put and keep in place arrangements for the purpose of improving the management of the officers employed, monitoring such management, and workforce planning.

This will be demonstrated through achievement and progress towards the Staff Governance Standard through:

- Scrutiny of performance against individual elements of the Staff Governance Standards;
- Data collected during the self-assessment audit conducted under the auspices of the Area Partnership Forum;
- The action plans submitted to, and approved by, the Staff Governance Committee;
- Staff Survey results and participation in IMatter staff questionnaire, management reports and agreed team action plans;
- Data and information provided in statistical returns reports to the Committee.

1.2 Membership

Membership of the Staff Governance Committee will be:-

- A minimum of four Non-Executive Members, one of which must be the Employee Director;
- Staff Side Chairs of the Local Partnership Forums; (Ex officio members)

In addition there will be in attendance:-

- Chief Executive or their nominee;
- Director of Nursing, Midwifery & Acute Services
- Director of Workforce and Planning
- Head of Human Resources
- Head of Occupational Health
- Head of Risk, Health & Safety
- Head of Service, Training & Professional Development

1.3 Meetings

Meetings of the Committee will be quorate when at least three Non-Executive Members are present.

The Staff Governance Committee will meet at least four times a year to fulfil its remit.

The Chair of the Committee, in conjunction with Lead Officer of the Committee will set the agenda for the meetings. Committee members who wish to raise items for consideration on future agendas can do so under AOB or through the committee chair.

The agenda and supporting papers will be sent out by the nominated PA, at least seven days in advance of the meetings to allow time for members' due consideration of issues.

Formal minutes and an action tracker arising from Committee business shall be kept to record, identify and ensure actions are carried out. The Committee will be supported by a nominated PA who will submit the minutes for approval at the next Staff Governance Committee meeting, prior to submission to the Board.

1.4 Remit

- To monitor performance of the Board against the Staff Governance Standard;
- To monitor and evaluate Human Resources Strategies and Implementation plans;
- To monitor pay modernisation processes;
- To establish an Area Partnership Forum that will have the responsibility for facilitating and monitoring the effectiveness of partnership working between management and staff at all levels in NHS Borders and Contractors and to develop and approve Employment Policies through the Partnership process;
- To monitor and evaluate the progress of the Staff Governance Committee against the annual Work Plan;
- To provide timely staff governance information required for national monitoring arrangements;
- To provide staff governance information for the statement of internal control;
- To approve and monitor the Workforce Plan.

1.5 Best value

The Committee will put in place arrangements which will provide assurance to the Chief Executive as Accountable Officer, that NHS Borders has systems and processes in place to secure best value for these delegated areas.

1.6 Authority

The Committee is authorised by the Board to investigate any activity within its terms of reference, and in so doing, is authorised to seek any information it

requires from any employee. The Committee is required to review its Terms of Reference on an annual basis.

In order to fulfil its remit, the Staff Governance Committee may obtain whatever professional advice it requires, and require Directors or other officers of the Board to attend meetings.

1.7 Reporting Arrangements

- The Staff Governance Committee reports to the Board.
- Following a meeting of the Staff Governance Committee, the minutes of that meeting should be presented to the Board.
- The Staff Governance Committee should annually and within three months of the start of the financial year provide a work plan detailing the work to be taken forward by the Staff Governance Committee;
- The Staff Governance Committee will produce an Annual Report for presentation to the Board. The Annual Report will describe the outcomes from the Committee during the year and provide an assurance to the Board that the Committee has met its remit during the year.

1.8 Review

The Terms of Reference of the Staff Governance Committee will be reviewed on an annual basis.

F) REMUNERATION COMMITTEE

1.1 Purpose

The fourth edition of the Staff Governance Standard made clear that each NHSScotland Board is required to establish a Remuneration Committee, whose main function is to ensure application and implementation of fair and equitable pay systems on behalf of the Board as determined by Ministers and the Scottish Government and applies to Executives and Senior Managers only.

1.2 Membership

Membership of the Remuneration Committee will be:-

- The Chair of the Board (who will be the Chair);
- The Vice Chair of the Board
- Employee Director
- One other Non-Executive Member

Non Executive Members cannot be members of this committee if they are members of staff or independent primary care contractors.

In addition there will be in attendance:

- Board Secretary
- Chief Executive
- Director of Workforce and Planning
- Head of Human Resources

At the request of the Committee, other Senior Officers also may be invited to attend.

All members of the Remuneration Committee will require to be appropriately trained to carry out their role on the Committee.

No employee of the Board shall be present when any issue relating to their employment is being discussed.

1.3 Meetings

The Committee will meet no less than 3 times per annum.

Remuneration issues may arise between meetings and will be brought to the attention of the Chair of the Remuneration Committee by the Chief Executive or the Director of Workforce and Planning. The Chair may call a special meeting of the Remuneration Committee to address the issue.

Meetings of the Committee will be quorate when three Non-Executive Members are present.

The Chair of the Committee, in conjunction with Lead Officer of the Committee will set the agenda for the meetings. Committee members who wish to raise items for consideration on future agendas can do so under AOB or through the committee chair.

The agenda and supporting papers will be sent out by the nominated PA, at least seven days in advance of the meetings to allow time for members' due consideration of issues.

Formal minutes and an action tracker arising from Committee business shall be kept to record, identify and ensure actions are carried out.

1.4 Remit

The Remuneration Committee will oversee the remuneration arrangements for Executive Directors and others under the Executive Cohort and Senior Manager Pay Systems and also to discharge specific responsibilities on behalf of the Board as an employing organisation.

Ensure that arrangements are in place to comply with NHS Borders Performance Assessment Agreement and Scottish Government direction and guidance for determining the employment, remuneration, terms and conditions of employment for Executive Directors, in particular:-

- Approving the personal objectives of all Executive Directors in the context of NHS Borders Local Delivery Plan, Corporate Objectives and other local, regional and national policy.
- Receiving formal reports on the operation of remuneration arrangements and the outcomes of the annual assessment of performance and remuneration for each of the Executive Directors.

Ensure that arrangements are in place to determine the remuneration, terms and conditions and performance assessment for other staff employed under the Executive Cohort and Senior Manager pay systems. The Committee will receive formal reports annually providing evidence of the effective operation of these arrangements.

Promote the adoption of an NHS Borders approach to issues of remuneration and performance assessment to ensure consistency.

Undertake reviews of aspects of remuneration/employment policy for Executive Directors (e.g. Relocation Policy) and other Senior staff (e.g. special remuneration), when requested by NHS Borders.

Consider and keep under regular review the arrangements for those NHS Borders staff on external secondment.

Consider any redundancy, early retiral or termination arrangement in respect of all NHS Borders staff, excluding early retirals on grounds of ill health, and approve these or refer to the Board as it sees fit.

To be assured as to the proper processes of the Discretionary Points Committee in the award of discretionary to eligible specialist, medical and dental staff based on competent recommendations from the appropriate advisory bodies, and to receive reports from the Committee for approval.

Confidentiality and Committee Decisions

Decisions reached by the Committee will be by agreement and with all Members agreeing to abide by such decisions (to the extent that they are in accordance with the constitution of the Committee). All Members will treat the business of the Committee as confidential. The Committee may in certain circumstances decide a voting approach is required with the Chair having a second and casting vote.

Minutes and Reports

Reports issued to Members will contain full details of the issues to be considered with clear recommendations to the Committee. The minutes will record the decisions reached by the Committee with due regard to confidentiality in relation to individuals.

1.5 Best value

The Committee will put in place arrangements which will provide assurance to the Chief Executive as Accountable Officer, that NHS Borders has systems and processes in place to secure best value for these delegated areas.

1.6 Authority

The Remuneration Committee is authorised by the Board to investigate any activity within its terms of reference, and in doing so, is authorised to seek any information it requires about any employee.

In order to fulfil its remit, the Remuneration Committee may obtain whatever professional advice it requires, and it may require Directors or other officers of NHS Borders to attend meetings.

1.7 Reporting Arrangements

The Remuneration Committee reports through the Staff Governance Committee to the Board.

Following a meeting of the Remuneration Committee the minutes of that meeting shall be marked as 'confidential' and made available to the Non Executive Directors.

The Remuneration Committee should annually and within three months of the start of the financial year provide a work plan detailing the work to be taken forward by the Remuneration Committee.

The Remuneration Committee will produce a high level Annual Report for presentation to the Staff Governance Committee to provide assurance that the Remuneration Committee is addressing appropriate business in line with due process.

The Remuneration Committee will through the Staff Governance Committee provide an annual assurance that systems and procedures are in place to manage the pay arrangements for all Executive Directors and others under the Executive Cohort and Senior Manager pay systems so that overarching Staff Governance responsibilities can be discharged. The Staff Governance Committee will not be given the detail of confidential employment issues that are considered by the Remuneration Committee; these can only be considered by the Non-Executive Members of the Board.

The Annual Report will be prepared as close as possible to the end of the financial year but in enough time to allow it to be considered by the Staff Governance Committee. This is to ensure that the Staff Governance Committee is in a position in its annual report to provide the annual assurance that systems and procedures are in place to manage the pay arrangements for all staff employed in NHS Borders.

1.8 Review

The Terms of Reference of the Remuneration Committee will be reviewed on an annual basis.

G) PUBLIC GOVERNANCE COMMITTEE

1.1 Purpose

To provide Borders NHS Board with the assurance that public governance mechanisms are in place and effective across NHS Borders.

1.2 Membership

Non Executive Members

- Four Non Executive Board members, one of whom shall be the Employee Director/Non Executive Director.

The Chair of the Public Governance Committee is appointed by the Chair of NHS Borders Board.

Attendees

- NHS Borders Public Involvement Lead & Officer(s) in support
- NHS Borders Patient Focus/Experience Lead
- Scottish Health Council Local Officer(s)
- SBC representative
- NHS Borders Area Clinical Forum representative
- Lead Officer for Equality & Diversity
- Other officers of statutory and third sector organisations may attend for specific items of interest as required

1.3 Responsibility of Members

Members of the Committee will have the following responsibilities in this role:-

- To identify and liaise with key stakeholders both in advance of meetings and in communicating outcomes of meetings as required.
- To ensure liaison, information sharing and consistency of approach with other Board committees of governance.
- To ensure the committee operates in function and process within best practice principles to ensure full participation and engagement.

- To act as advocates across NHS Borders for the principles and best practice of a person centred approach and involving, engaging and consulting patients and public.

1.4 Meetings

The Committee will meet on a quarterly basis – dates will be agreed annually in advance.

No business shall be transacted at a meeting unless at least four core members or their deputies are present (this includes two Non Executive Directors), and at least two public members are present.

The Chair of the Committee, in conjunction with the Lead Officer of the Committee will set the agenda for the meeting.

The agenda and supporting papers will be sent out by the nominated PA at least seven days in advance of the meetings to allow time for members due consideration of issues.

Formal minutes and an action tracker arising from Committee business shall be kept to record, identify and ensure actions are carried out.

The Committee will be supported by the Head of Public Involvement & Communications and team.

There will be standing business items including review of previous minutes; receiving reports on progress on Public Governance and reports on Public Partnership Forum and a range of sub groups.

The Public Governance Committee shall receive quarterly reports from relevant service leads within the areas of its remit. As a result of these reports, and considering areas of interest to the Committee, any areas of risk shall be highlighted and reported.

The Board shall receive reports from lead officers and other standing committees of the Board related to national performance monitoring of public involvement activities.

Other meetings of the Committee shall be held at such intervals as the Committee may determine in order to conduct its business.

1.5 Remit

The Public Governance Committee provides governance and accountability to the Board on the following range of work areas:-

- Reporting and monitoring of public involvement activities, policy and guidance
- Reporting and monitoring of Equality and Diversity requirements

- Public and patient involvement in service change, improvement and redesign
- Ensuring cross referencing and links to committees of clinical governance and staff governance as appropriate
- Accountability and performance management of public involvement work streams and developments including links with planning partners

1.4.1 Background

The Public Governance Committee was established in November 2005 and reviewed in 2009/10 in line with an updated policy context. This is not a statutory Committee of NHS Borders Board.

The following Scottish Government policies and legislative requirements set the context for NHS Borders public involvement requirements:-

- *Better Health, Better Care: Action Plan (2007)*
- *Guidance on Informing, Engaging and Consulting the Public in Developing Health & Community Care Services CEL 4 (2010)*
- *NHS Scotland Quality Strategy (February 2010)*
- *Scottish Health Council Draft Participation Standard (2010)*
- *Scottish Health Council, Identifying Major Service Change – Criteria to Consider: 2009*
- *Patients' Rights Bill for users of the NHS in Scotland (March 2010)*
- *HDL (2005) 51 Fair for All: Working Together Towards Culturally-competent Services*
- *HDL (2005) 9 Equality & Diversity Impact Assessment Toolkit*
- *The Disability Equality Duty (DED) (Disability Discrimination (Amendment) Act 2005)*
- *Scottish Borders Council & NHS Borders Equality Impact Assessment (EIA) Policy & Toolkit (September 2009)*

1.6 Best value

The Committee will put in place arrangements which will provide assurance to the Chief Executive as Accountable Officer, that NHS Borders has systems and processes in place to secure best value for these delegated areas.

1.7 Authority

The Committee is authorised by the Board to investigate any activity within its terms of reference. It is authorised to seek any information it requires from any employee and all employees are directed to co-operate with any request made by the Committee. The Committee is required to review its Terms of Reference on an annual basis.

The Committee is authorised by the Board to obtain independent professional advice and to secure attendance of others with relevant experience and expertise if it considers it necessary.

1.8 Reporting Arrangements

- The Public Governance Committee will report to the Board Executive Team and the Clinical and Staff Governance Committees by means of submission of minutes after each meeting.
- The Committee will also make available reports and minutes to the Chair of the Public Partnership Forum.
- The Public Governance will produce an Annual Report on the work for presentation to the Board. The Annual Report will describe the outcomes from the Committee during the year and provide an assurance to the Board that the Committee has met its remit during the year.

1.8 Review

The Terms of Reference of the Public Governance Committee will be reviewed on an annual basis.

H) AREA CLINICAL FORUM (ACF)

1.1 Purpose

As required by “Rebuilding our NHS”, the Area Clinical Forum (ACF) exists to advise the NHS Board. The Chair of the ACF is a Non-Executive Director of the NHS Board.

The purpose of the Area Clinical Forum is to formulate comprehensive clinical advice to the Board on matters of policy and implementation. The Committee will consult widely with its constituency and the Board. It will be proactive in:

- Reviewing the business of the Area Professional Committees to ensure a co-ordinated approach on clinical matters among the different professions and within the component parts of the local NHS systems (acute services, primary care, health improvement, etc);
- Promoting work on service design, redesign and development priorities and playing an active role in advising the NHS Board on potential for service improvement;
- Sharing best practice among the different professions and actively promoting multi-disciplinary working in both health care and health improvement;
- Engaging widely with local clinical and other professionals, with a view to encouraging broader participation in the work of the Area Professional Advisory Committees;
- Providing the NHS Board with a clinical perspective on the development of the Local Health Plan and the NHS Board’s strategic objectives.

1.2 Membership

The membership of the Committee will be the Chairs of the single disciplinary Committees namely;

- Area Allied Health Professionals Committee

- Area Medical Committee
- Area Dental Committee
- Area Optical Committee
- Area Nursing & Midwifery Committee
- Area Pharmaceutical Committee

In Attendance:

The Committee may invite others to attend a meeting for discussion of specific items. That person may take part in the discussion but will not have a vote.

The Committee may appoint additional shortlife or regular Sub-Committees as appropriate to consider and provide advice on specific issues.

The Chair of the Board shall appoint the Chair of the Area Clinical Forum.

Conditions:

- 1) Interests: Members must declare any pecuniary or other interests which could be construed as influencing the advice given to the NHS Board, and must not participate in discussion leading to that advice.
- 2) Removal: An Office Bearer may be removed from office at a meeting of the Committee only if the removal has been included as an agenda item. Such removal would require the agreement of 4 members of the Committee.

Executive Powers:

The Chair (or in his/her absence the Vice Chair) will have discretionary power to act on behalf of the Committee but in doing so it is answerable to the Committee.

Membership of the NHS Board:

The Chair will be appointed by the Minister of Health as a full member of the NHS Board.

1.3 Meetings

Meetings will be held monthly although the Committee may vary these arrangements to cover holiday months or other circumstances.

A quorum of the Committee will be 4 members.

The agenda and supporting papers will be sent out by the nominated PA at least seven days in advance of the meetings to allow time for members due consideration of issues.

Formal minutes and an action tracker arising from Committee business shall be kept to record, identify and ensure actions are carried out.

Other meetings of the Committee shall be held at such intervals as the Committee may determine in order to conduct its business

Where the Committee is asked to give advice on a matter and the majority vote is reached the Chair or Secretary will record the majority view but will also make

known any significant minority opinion and present the supporting arguments for both view points.

Alterations to the Constitution and Standing Orders may be recommended at any meeting of the Committee provided notice of the proposed alteration is circulated with the notice of the meeting and that the proposal is seconded and supported by two-thirds of the members present and voting at the meeting.

Any alterations must be submitted to the Chair of the Board for approval before any change is made.

1.4 Review

The Terms of Reference of the ACF will be reviewed on an annual basis.

I) AREA PARTNERSHIP FORUM (APF)

1.1 Purpose

The Area Partnership Forum as a strategic body, is responsible for facilitating, monitoring and evaluating the effective operation of partnership working across NHS Borders, and to develop and approve Workforce Policies in accordance with agreed timetables and priorities through the partnership process, for adoption of these policies by the Staff Governance Committee on behalf of the Board as the employer.

1.2 Membership

Membership of the Area Partnership Forum shall comprise representatives of management and all recognised staff organisations (Staff Side). [Appendix 1]

A nominated deputy will be identified for each full member. Nominated deputies may only attend in the absence of the principal member. Management and Staff Side representatives may attend as observers with the agreement of the joint Chairs. Full Time Officers for recognised Staff Side organisations may attend as ex officio members.

Respective memberships will be formally updated annually.

Membership (and Deputy Membership) is conferred without limit of time subject to acceptable record of attendance and continuing within the position they are accepted on.

The Employee Director's PA shall ensure that an accurate record of attendance is maintained and absence from three consecutive meetings of the Forum shall result in membership being withdrawn and alternative representative being sought.

Should there then be continued non-attendance of a nominated representative to the APF, the Joint Chairs shall contact the nominated representative and/or (in the case of a Staff Side representative) their relevant staff organisation and

clarify if the nominated representative wishes to continue as a member of the APF, or if another nominated representative from that organisation will be replacing them on the APF.

Formal Sub Groups

- Local Partnership Forums x 4
- Terms and Conditions Group
- HR Policy Development Group

The Area Partnership Forum will also act as a resource for other groups seeking Staff Side views / opinions relating to NHS Borders development.

The Occupational Health and Safety Forum, as a statutory committee for Health and Safety, will communicate directly to the Area Partnership Forum on matters agreed in partnership with managers and health and safety representatives but is not a sub committee.

1.3 Meetings

The Forum will meet on an agreed basis, but routinely every 8 weeks, unless otherwise agreed by the Joint Chairs.

There will be Joint Chairs appointed from the management and Staff Side who will chair meetings of the Forum on an alternating basis. It is the responsibility of the Joint Chairs to agree in advance any agenda items and agenda planning meetings will therefore take place between the Joint Chairs in advance of each meeting of the Forum.

The Employee Director's PA will distribute an agenda and supporting papers for each Forum meeting no later than seven days in advance of the date of the meeting to all Forum members. Written reports will be required for all agenda items otherwise the matter will not be discussed unless otherwise agreed by the joint chairs in advance.

Meetings if the Forum will be deemed to be quorate when:

- a minimum of five members of the management side are present
- a minimum of five members of the Staff Side are present

1.4 Remit

The Area Partnership Forum will:

- Take a proactive approach in embedding partnership working at all levels of the organisation to assist the process of devolved decision making;
- Approve and monitor the implementation of all Workforce Policies;
- Consider and comment on other policies;
- Support the work of the Staff Governance Committee when required;
- Ensure the best Workforce practice is shared across the area;
- Contribute to the development of Strategies and Action Plans to inform the Borders Health Plan;

- Oversee, monitor and evaluate the processing of staff surveys and Self Assessment Audit Tool (SAAT); (See staff governance standard)
- Assess the impact of strategic decisions upon Staff;
- Liaise and ensure a two way communication with the Scottish Partnership Forum;
- Respond to consultation from the Scottish Partnership Forum, its sub groups and supporting infrastructure;
- Ensure that any Workforce strategies and policies are underpinned by appropriate Staff Governance, financial planning, implementation planning and evidence;
- Contribute to local and regional planning arrangements for service and workforce development and delivery;
- Ensure adequate and necessary Facilities arrangements are in place.
- Ensure the views of all Staff Side with an interest in improving local health and healthcare services, local communities and healthcare staff are appropriately heard and considered; (this is in line with national partnership agreements)
- Ensure Area Partnership Forum have knowledge and understanding of national health policies and local health issues, and the ability to contribute to strategic leadership and to develop effective working relationships;
- Ensure all staff, are effectively trained, properly supported and performance is formally reviewed on an annual basis. This statement is in keeping with National Agreement and is a monitoring role on behalf of the Staff Governance Committee

1.5 Values

To underpin the working of the Area Partnership Forum, the following values will be adopted and govern the approach taken to consideration of issues, in line with the requirements of MEL (1999) 59:

- mutual trust, honesty and respect;
- openness and transparency in communications;
- recognising and valuing the contribution of all partners;
- access and sharing of information;
- consensus, collaboration and inclusion as the “best way”;
- maximising employment security;
- full commitment to the framework and good employment practice;
- the right of stakeholders to be involved, informed and consulted;
- early involvement of all staff and their trade unions in all discussions regarding change;
- a team approach to underpin partnership working.

1.6 Authority

The Forum is authorised by NHS Borders to investigate any activity within its terms of reference.

In order to fulfil its remit, the Area Partnership Forum may obtain whatever professional advice it requires (including that from professional/trade

union/national or local representative), and require Directors or other officers of the Board to attend meetings.

The external Auditor and Chief Internal Auditor shall have the right of direct access to the Joint Chairs of the Area Partnership Forum.

The Forum is authorised by the Board to approve employment policies through the partnership process before adoption of these policies by the Staff Governance Committee on behalf of the Board as the employer. This was agreed at the APF on 12th July 2010.

1.7 Reporting Arrangements

- The Area Partnership Forum acts as a sub group of and reports to the Staff Governance Committee;
- Following a meeting of the Area Partnership Forum, the minutes of that meeting will be presented for information at the next meeting of the Staff Governance Committee and approval at the next APF;
- The Area Partnership Forum should annually and within three months of the start of each financial year provide, approve and agree a workplan detailing the work to be taken forward by the Forum;
- The Area Partnership Forum will produce an annual report for presentation to the APF and Staff Governance Committee that will describe outcomes from the Forum during the year.

1.8. Decision of the Forum

Consultation

Any party may request that a matter brought before the Forum be subject to appropriate consultation with management and Staff Side colleagues prior to any final agreement being reached.

Decisions reached by the Forum which impact on the operation of policy and practice will take effect from a date agreed by the parties and will apply to all relevant staff employed within NHS Borders.

Referral

Any matter considered by the Area Partnership Forum which is deemed to fall outwith its terms of reference, or which is subject to Board or Staff Governance Committee approval, will be referred to the Board or Staff Governance Committee on the basis of Area Partnership Forum support. Reference to the Scottish Partnership Forum may also take place as appropriate.

Failure to Agree

In the event of any failure to agree in matters under consideration by the Forum, the matter will be referred via the Joint Chairs to the Staff Governance Committee, who will endeavour to find a way forward.

1.9 Review

The Terms of Reference of the APF will be reviewed on an annual basis.

J) PHARMACY PRACTICES COMMITTEE

Section B – Appendix 1: Sanctions Available to the Standards Commission for Breach of Code

Section B – Appendix 2: Definitions

SECTION 1: INTRODUCTION TO THE CODE OF CONDUCT

- 1.1 The Scottish public has a high expectation of those who serve on the boards of public bodies and the way they conduct themselves in discharging their duties. You must meet those expectations by ensuring that your conduct is above reproach.
- 1.2 The Ethical Standards in Public Life etc. (Scotland) Act 2000 provides for new Codes of Conduct for Local Authority councillors and members of relevant public bodies; imposes on councils and relevant public bodies a duty to help their members to comply with the relevant code; and establishes a Standards Commission for Scotland to oversee the new framework and deal with alleged breaches of the codes.
- 1.3 This Code covers members of the Board. As a member of the Board, it is your responsibility to make sure that you are familiar with, and that your actions comply with, this Code of Conduct.

Guidance on the Code of Conduct

- 1.4 You must observe the rules of conduct contained in this Code. It is your responsibility to comply with them and review your personal circumstances regularly, and at least annually, or when your circumstances change. You must not at any time advocate or encourage any action contrary to the Code of Conduct.
- 1.5 The Code has been developed in line with the key principles listed in Section 2 and provides additional information on how the principles should be interpreted and applied in practice. The Standards Commission may also issue guidance. No Code can provide for all circumstances and if you are uncertain about how the rules apply, you should seek advice from the Board. You may also choose to consult your own legal advisers and/or other relevant professionals.

Enforcement

- 1.6 Part 2 of the Ethical Standards in Public Life etc (Scotland) Act 2000 sets out the provisions for dealing with alleged breaches of this Code of Conduct and the sanctions to be applied if the Standards Commission finds that there has been a breach. Those sanctions are outlined in Annex A. Special provisions apply in respect of employee and ex-officio members of the Board.

SECTION 2: KEY PRINCIPLES OF THE CODE OF CONDUCT

- 2.1 The general principles upon which this Model Code of Conduct are based are:-

Public Service

You have a duty to act in accordance with the core tasks and in the interests of the Board.

Selflessness

You have a duty to take decisions solely in terms of public interest. You must not act in order to gain financial or other material benefit for yourself, family or friends.

Integrity

You must not place yourself under any financial, or other obligation to any individual or organisation that might reasonably be thought to influence you in the performance of your duties.

Objectivity

You must make decisions solely on merit when carrying out public business.

Accountability and Stewardship

You are accountable for your decisions and actions to the public. You have a duty to consider issues on their merits, taking account of the views of others and must ensure that the Board uses its resources prudently and in accordance with the Law.

Openness

You have a duty to be as open as possible about your decisions and actions, giving reasons for your decisions and restricting information only when the wider public interest demands.

Honesty

You have a duty to act honestly. You must declare any private interests relating to your public duties and take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

You have a duty to promote and support these principles by leadership and example, to maintain and strengthen the public's trust and confidence in the integrity of the public body and its members in conducting public business.

Respect

You must respect fellow members and employees of NHS Borders and the role they play, treating them with courtesy at all times.

- 2.2 You should apply the principles of this Code to your dealings with fellow members of the Board and its employees.

SECTION 3 GENERAL CONDUCT

Relationship with Employees of NHS Borders

- 3.1 You will treat staff employed by NHS Borders with courtesy and respect. It is expected that employees will show you the same consideration in return.

Allowances

- 3.2 You must comply with any rules of the Board regarding remuneration, allowances and expenses.

Gifts and Hospitality

- 3.3 You must never seek or canvas gifts or hospitality.
- 3.4 You are responsible for your decisions connected with the offer or acceptance of gifts or hospitality and for avoiding the risk of damage to public confidence in NHS Borders. As a general guide, it is usually appropriate to refuse offers except:
- a) Isolated gifts of a trivial character or inexpensive seasonal gifts such as calendars or diaries, or other items of modest value;
 - b) Normal hospitality associated with your duties and which would reasonably be regarded as inappropriate to refuse; or
 - c) Gifts received on behalf of the Board.
- 3.5 You must not accept any offer by way of gift or hospitality which could give rise to a reasonable suspicion of influence on your part to show favour, or advantage, to any individual or organisation. You should also consider whether there may be any reasonable perception that any gift received by your spouse or partner, or by any company in which you have a controlling interest, or by a partnership of which you are a partner, can or would influence your judgement. The term 'gift' includes benefits such as relief from indebtedness, loan concessions, or provision of services at a cost below that generally charged to members of the public. You must not accept repeated hospitality from the same source.
- 3.6 You must record details of any gifts and hospitality offered or received and the record must be made available for public inspection.
- 3.7 You must not accept any offer of a gift or hospitality from any individual or organisation which stands to gain or benefit from a decision the Board may be involved in determining, or who is seeking to do business with your organisation, and which a person might reasonably consider could have a bearing on your judgement. If you are making a visit to inspect equipment, vehicles, land or property, then as a general rule you should ensure that NHS Borders pays for the costs of these visits.

Confidentiality Requirements

- 3.9 There may be times when you will be required to treat discussions, documents or other information relating to the work of the Board confidentially. You will often receive information of a private nature which is not yet public, or which would not be intended to be public. There are provisions in legislation on the categories of confidential and exempt information and you must always respect and comply with the requirement to keep such information private.
- 3.9 It is unacceptable to disclose information to which you have privileged access either orally or in writing. In the case of other documents and information, you are requested to exercise your judgement as to what should or should not be made available to outside bodies or individuals. Such information should never be used for the purpose of personal or financial gain, or used in such a way as to bring the Board into disrepute.

Use of Public Body Facilities

- 3.10 Members of the Board must not misuse facilities, equipment, stationery, telephones and services, or use them for party political or campaigning activities. Use of such

equipment and services, etc must be in accordance with NHS Borders policy and rules on their usage.

Appointment to Partner Organisations

- 3.11 You may be appointed, or nominated by the Board, as a member of another body or organisation. If so, you are bound by the rules of conduct of these organisations and should observe the rules of this Code in carrying out the duties of that body.
- 3.12 Members who become directors of companies as nominees of their public body will assume personal responsibilities under the Companies Act. It is possible that conflicts of interest can arise for such members between the company and the public body. It is your responsibility to take advice on your responsibilities to the public body and to the company. This will include questions of declarations of interest.
- 3.13 Members must be aware of their requirement to comply with the terms of the Bribery Act 2010 which makes it a criminal offence (varying degrees of penalty on a Corporate or Individual basis may be incurred) to accept any inducement for giving any person or body of persons an advantage to perform a relevant function or activity.

SECTION 4: REGISTRATION OF INTERESTS

- 4.1 The following paragraphs set out the kinds of interests, financial and otherwise, which you have to register. These are called 'Registerable Interests'. You must, at all times, ensure that these interests are registered, when you are appointed and whenever your circumstances change in such a way as to require change or an addition to your entry in the Board's Register.
- 4.2 This Code sets out the categories of interests which you must register. Annex B contains key definitions to help you decide what is required when registering your interests under any particular category. These categories are listed below with explanatory notes.

Category One: Remuneration

- 4.3 You have a Registerable Interest where you receive remuneration by virtue of being:-
- Employed;
 - Self-employed;
 - The holder of an office;
 - A director of an undertaking;
 - A partner in a firm; or
 - Undertaking a trade, profession or vocation or any other work.
- 4.4 In relation to 4.3 above, the amount of remuneration does not require to be registered and remuneration received as a Member does not have to be registered.
- 4.5 If a position is not remunerated it does not need to be registered under this category. However, unremunerated directorships may need to be registered under category two, 'Related Undertakings'.
- 4.6 If you receive any allowances in relation to membership of any organisation, the fact that you receive such an allowance must be registered.

- 4.7 When registering employment, you must give the name of the employer, the nature of its business, and the nature of the post held in the organisation.
- 4.8 When registering self-employment, you must provide the name and give details of the nature of the business. When registering an interest in a partnership, you must give the name of the partnership and the nature of its business.
- 4.9 Where you undertake a trade, profession or vocation, or any other work, the detail to be given is the nature of the work and its regularity. For example, if you write for a newspaper, you must give the name of the publication, and the frequency of articles for which you are paid.
- 4.10 When registering a directorship, it is necessary to provide the registered name of the undertaking in which the directorship is held and the nature of its business.
- 4.11 Registration of a pension is not required as this falls outside the scope of the category.

Category Two: Related Undertakings

- 4.12 You must register any directorships held which are not remunerated but where the company (or undertaking) is a subsidiary of, or a parent of, a company (or undertaking) in which you hold a remunerated directorship.
- 4.13 You must register the name of the subsidiary or parent company or other undertaking and the nature of its business, and its relationship to the company or other undertaking in which you are a director and from which you receive remuneration.
- 4.14 The situations to which the above paragraphs apply are as follows:
- You are a director of a board of an undertaking and receive remuneration - declared under category one;
 - You are a director of a parent or subsidiary undertaking but do not receive remuneration in that capacity.

Category Three: Contracts

- 4.15 You have a registerable interest where you (or a firm in which you are a partner, or an undertaking in which you are a director or in which you have shares of a value as described in paragraph 5.8 below) have made a contract with Borders NHS Board of which you are a member:
- i) Under which goods or services are to be provided, or works are to be executed; and
 - ii) Which has not been fully discharged
- 4.16 You must register a description of the contract, including its duration, but excluding the consideration.

Category Four: Houses, Land and Buildings

- 4.17 You have a registerable interest where you own or have any other right or interest in houses, land and buildings, which may be significant to, of relevance to, or bear upon, the work and operation of NHS Borders.

- 4.18 The test to be applied when considering appropriateness of registration is to ask whether a member of the public acting reasonably might consider any interests in houses, land and buildings could potentially affect your responsibilities to the organisation to which you are appointed and to the public, or could influence your actions, speeches or decision-making. If in doubt, you may consult with the Standards Commission.

Category Five: Shares and Securities

- 4.19 You have a registerable interest where you have an interest in shares which constitute a holding in a company or organisation which may be significant to, of relevance to, or bear upon, the work and operation of NHS Borders. You are not required to register the value of such interests.
- 4.20 The test to be applied when considering appropriateness of registration is to ask whether a member of the public acting reasonably might consider any interests in shares and securities could potentially affect your responsibilities to the organisation to which you are appointed and to the public, or could influence your actions, speeches or decision-making.

Category Six: Non-Financial Interests

- 4.21 You may also have a registerable interest if you have non-financial interests which may be significant to, of relevance to, or bear upon, the work and operation of NHS Borders. It is important that relevant interests such as membership or holding office in other public bodies, clubs, societies and organisations such as trade unions and voluntary organisations, are registered and described.
- 4.22 The test to be applied when considering appropriateness of registration is to ask whether a member of the public might consider any non-financial interest could potentially affect your responsibilities to the organisation to which you are appointed and to the public, or could influence your actions, speeches or decision-making. If in doubt, you may consult with the Standards Commission.

SECTION 5: DECLARATION OF INTERESTS

Introduction

- 5.1 The key principles of the Code, especially those in relation to integrity, honesty and openness, are given further practical effect by the requirement for you to declare certain interests in proceedings of the Board. Together with the rules on registration of interests, this ensures transparency of your interests which might influence, or be thought to influence, your actions.
- 5.2 Public bodies have dealings with a wide variety of organisations and individuals and this Code indicates the circumstances in which a business or personal interest must be declared. Public confidence in the Board and its members depends on it being understood that decisions are taken in the public interest and for no other reason.
- 5.3 In considering whether to make a declaration in any proceedings, you must consider not only whether you will be influenced but whether anybody else would think that you might be influenced by the interest. You must keep in mind that the test is whether a member of the public, acting reasonably might think that a particular interest could influence you.

- 5.4 If you feel that, in the context of the matter being considered, your involvement is neither capable of being viewed as more significant than that of any ordinary member of the public, nor likely to be perceived by the public as wrong, you may continue to attend the meeting and participate in both discussion and voting. The relevant interest must still be declared. It is your responsibility to judge whether an interest is sufficiently relevant to particular proceedings to require a declaration you are advised to err on the side of caution. You may also seek advice from the Standards Commission.

Interests which Require Declaration

- 5.5 Interests which must be declared may be financial or non-financial; they may or may not be interests which are registerable under this Code. Most of the interests to be declared will be your personal interests but, on occasion, you will have to consider whether the interests of other persons require you to make a declaration.

Financial Interests

- 5.6 Any financial interest which is registerable must be declared. If, under category one (or category six in respect of non-financial interests) of Section 4 of this Code, you have registered an interest:
- a) As an employee of the Board;
 - b) As a Councillor or a Member of another Devolved Public Body where the Council or other Devolved Public Body, as the case may be, has nominated or appointed you as a Member of the Board;
 - c) You do not, for that reason alone, have to declare that interest.

Shares and Securities

- 5.7 You may have to declare interests in shares and securities, over and above those registerable under category 5 of Section 4 of this Code. You may, for example, in the course of employment or self-employment, be engaged in providing professional advice to a person whose interests are part of a matter to be dealt with by a board.
- 5.8 Your interest must be declared where it is of direct relevance to a matter before the body on which you serve and you have shares in the capital of a company or other body and the nominal value of the shares is:-
- i) Greater than 1% of the issued share capital of the company or other body; or
 - ii) Greater than £25,000.
- 5.9 You are required to declare the name of the company only, not the size or nature of the holding.

Houses, Land and Buildings

- 5.10 Any interest in houses, land and buildings which is registerable under category four of Section 4 of this Code must be declared, as well as any similar interests which arise as a result of specific discussions or operations of NHS Borders.

Non-Financial Interests

- 5.11 If you have a registered non-financial interest under category six of Section 4 of this Code you have recognised that it is significant. There is therefore a very strong presumption that this interest will be declared where there is any link between a matter which requires your attention as a member of the Board and the registered interest. Non-financial interests include membership or holding office in other public bodies, clubs, societies, trade unions and organisations including voluntary organisations. They become declarable if and when members of the public might reasonably think they could influence your actions, speeches or votes in the decisions of the Board.
- 5.12 You may serve on other bodies as a result of express nomination or appointment by the Board or otherwise by virtue of being a member of the Board. You must always remember the public interest points towards transparency particularly where there is a possible divergence of interest between different public authorities.
- 5.13 You will also have other private and personal interests and may serve, or be associated with, bodies, societies and organisations as a result of your private and personal interests and not because of your role as a member of Borders NHS Board. In the context of any particular matter you will have to decide whether to declare a non-financial interest. You should declare an interest unless you believe that, in the particular circumstances, the interest is irrelevant or without significance. In reaching a view you should consider whether the interest would be seen by the public acting reasonably in a different light because it is the interest of a person who is a member of the Board as opposed to the interest of an ordinary member of the public.

Interests of Other Persons

- 5.14 The Code requires only your interests to be registered. You may, however, have to consider whether you should declare an interest in regard to the financial interests of your spouse or partner which are known to you. You may have to give similar consideration to any known non-financial interest of a spouse or partner. You have to ask yourself whether a member of the public acting reasonably would regard these interests as effectively the same as your interests in the sense of potential effect on your responsibilities as a member of Borders NHS Board.
- 5.15 The interests known to you, both financial and non-financial, of relatives and close friends may have to be declared. This Code does not attempt the task of defining 'relative' or 'friend'. The key principle is the need for transparency in regard to any interest which might (regardless of the precise description of relationship) be objectively regarded by a member of the public, acting reasonably, as potentially affecting your responsibilities as a member of the Board.

Making a Declaration

- 5.16 You must consider whether you have an interest to declare in relation to any matter which is to be considered as soon as possible. You should consider whether agendas for meetings raise any issue of declaration of interest. Your declaration must be made as soon as practicable at a meeting where that interest arises. If you do identify the need for a declaration of interest only when a particular matter is being discussed you must declare the interest as soon as you realise it is necessary.
- 5.17 The oral declaration of interest should identify the item or items of business to which it relates. The statement should begin with the words 'I declare an interest'. The

statement must be sufficiently informative to enable those at the meeting to understand the nature of your interest but need not give a detailed description of the interest.

Effect of Declaration

- 5.18 Declaring a financial interest prohibits any participation in discussion and voting. A declaration of a non-financial interest involves further judgement on your part. You must consider the relationship between the interests which have been declared, the matter to be considered, and relevant individual circumstances surrounding the matter.
- 5.19 The conclusive test is whether a member of the public acting reasonably would consider that you might be influenced by the interest in your role as a member of Borders NHS Board and that it would therefore be wrong to take part in any discussion or decision-making. If you believe that your continued presence would pass this test, then declaring an interest will not preclude your involvement in discussion or voting. If you are not confident about this test you must play no part in discussion and must leave the meeting room until discussion of the particular item is concluded.

Dispensations

- 5.20 In very limited circumstances, dispensations can be granted by the Standards Commission in relation to the existence of financial and non-financial interests which would otherwise prohibit you from taking part and voting on matters coming before your public body and its committees. Applications for dispensations will be considered by the Standards Commission and should be made as soon as possible in order to allow proper consideration of the application in advance of meetings where dispensation is sought. You should not take part in the consideration of the matter in question until the application has been granted.

SECTION 6: LOBBYING AND ACCESS TO MEMBERS OF PUBLIC BODIES

- 6.1 For the Board to fulfil its commitment to being open and accessible, it needs to encourage participation by organisations and individuals in decision-making. However, the desire to involve the public and other interest groups in the decision-making process must take account of the need to ensure transparency and probity in the way the Board conducts its business.
- 6.2 You will need to be able to consider evidence and arguments advanced by a wide range of organisations and individuals in order to perform your duties effectively. Some of these organisations and individuals will make their views known directly to individual members. The rules in this Code set out how you should conduct yourself in your contacts with those who would seek to influence you. They are designed to encourage proper interaction between members of public bodies, those they represent, and interest groups.

Rules and Guidance

- 6.3 You must not, in relation to contact with any person or organisation that lobbies, do anything which contravenes this Code of Conduct or any other relevant rule of the public body or any statutory provision.

- 6.4 You must not, in relation to contact with any person or organisation who lobbies, act in any way that could bring discredit upon the Board.
- 6.5 The public must be assured that no person or organisation will gain better access to, or treatment, by you as a result of employing a company or individual to lobby on a fee basis on their behalf. You must not therefore, give any preferential access or treatment to those lobbying on a fee basis on behalf of clients compared with that which you accord any other person or organisation who lobbies or approaches you. Nor should those lobbying for a fee on behalf of clients be given to understand that preferential access or treatment, compared to that accorded to any other person or organisation, might be forthcoming from another member of Borders NHS Board.
- 6.6 Before taking any action as a result of being lobbied, you should seek to satisfy yourself about the identity of the person or organisation that is lobbying and the motive for lobbying. You may choose to act in response to a person or organisation lobbying for a fee on behalf of clients but it is important that you know the basis on which you are being lobbied, in order to ensure that any action taken in connection with the lobbyist complies with the standards set out in this Code.
- 6.7 You should not accept any paid work:-
- a) Which would involve you lobbying on behalf of any person or organisation, or any clients of a person or organisation;
 - b) To provide services as a strategist, adviser or consultant advising on how to influence the Board and its members. This does not prohibit you from being remunerated for activity which may arise because of, or relate to, membership of the Board, such as journalism or broadcasting, or involvement in representative or presentational work, such as participation in delegations, conferences or other events.
- 6.8 If you have concerns about the approach or methods used by any person or organisation in their contacts with you, you must seek the guidance of the Chair, Chief Executive or Board Secretary.

Section B – Appendix 1:

Sanctions Available to the Standards Commission for Breach of Code

- a) Censure - The Commission may reprimand the member but otherwise take no action against them.
- b) Suspension of the Member for a maximum period of one year from attending one or more, but not all, of the following:
 - i) All meetings of the Board;
 - ii) All meetings of one or more committees or sub-committees of the Board;
 - iii) All meetings of any other public body on which that member is a representative or nominee of the public body of which they are a member.
- c) Suspension - For a maximum period of one year, of the member's entitlement to attend all of the meetings referred to in (b) above;
- d) Disqualification - Removing the member from membership of the Board for a period of no more than five years.

Where a member has been suspended, the Standards Commission may direct that any remuneration or allowance received from membership of the Board be reduced, or not paid.

Where the Standards Commission disqualifies a member of the Board, it may go on to impose the following further sanctions:-

- a) Where the member of the Board is also a Councillor, the Standards Commission may disqualify that member (for a period of no more than five years) from being nominated for election as, or from being elected, a Councillor. Disqualification of a Councillor disqualifies that member from the Board and terminating membership of any committee, sub-committee, joint committee, joint board or any other body on which that member sits as a representative of their Local Authority.
- b) Direct that the member be removed from membership, and disqualified in respect of membership, of any other devolved public body (provided the members' Code applicable to that body is then in force).

Full details of the sanctions are set out in Section 19 of the Act.

Special provisions apply in respect of employee and ex-officio members.

Section B- Appendix 2:

Definitions

1. **'Remuneration'** includes any salary, wage, share of profits, fee, expenses, other monetary benefit or benefit in kind. This would include, for example, the provision of a lease car or travelling expenses by an employer.
2. **'Undertaking'** means:-
 - a) A body corporate or partnership; or
 - b) An unincorporated association carrying on a trade or business, with or without a view to a profit.
3. **'Related Undertaking'** is a parent or subsidiary company of a principal undertaking of which you are also a director. You will receive remuneration for the principal undertaking though you will not receive remuneration as director of the related undertaking.
4. **'Parent Undertaking'** is an undertaking in relation to another undertaking, a subsidiary undertaking, if (a) it holds a majority of the voting rights in the undertaking; or (b) it is a member of the undertaking and has the right to appoint or remove a majority of its board of directors; or (c) it has the right to exercise a dominant influence over the undertaking (i) by virtue of provisions contained in the undertaking's memorandum or articles or (ii) by virtue of a control contract; or (d) it is a councillor of the undertaking and controls alone, pursuant to an agreement with other shareholders or councillors, a majority of the voting rights in the undertaking.
5. **'Group of Companies'** has the same meaning as 'group' in section 262(1) of the Companies Act 1985. A 'group', within S262 (1) of the Companies Act 1985, means a parent undertaking and its subsidiary undertakings.
6. **'Public Body'** means a devolved public body listed in Schedule 3 of the Ethical Standards in Public Life etc (Scotland) Act 2000.

Section C – Appendix 3: Criteria for NHS Borders Corporate Endorsements

STANDARDS OF BUSINESS CONDUCT FOR NHS STAFF

1. Introduction

All NHS staff and holders of honorary contracts who commit NHS resources directly or indirectly must be impartial and honest in their conduct of business and all employees must remain beyond suspicion. It is an offence under the Bribery Act 2010 which makes it a criminal offence for any employee to accept any inducement for giving any person or body of persons an advantage to perform a relevant function or activity. Individuals found guilty of bribery can be liable to a term of imprisonment and/or a fine. NHS MEL (1994) 48 details the principles for codes of conduct and accountability in situations where there is potential conflict between the private interests of NHS staff and their NHS duties and requires the establishment of a local code of conduct.

The purpose of these standards is to ensure that all NHS Borders employees are aware of their duties under The Bribery Act 2010 and NHS MEL (1994) 48 and to protect them from situations where they may be placed in a conflict of interest.

2. Principles of conduct within NHS Borders

NHS Borders employees are expected to:-

- Ensure that the interest of patients remain first at all times;
- Ensure that all identifiable personal information relating to patients or staff is kept secure and confidential at all times and in accordance with the Data Protection Act 1998. NHS Borders has implemented a privacy breach detection system (FairWarning) to assist in monitoring inappropriate access to confidential data
- Be impartial and honest in the conduct of their official business;
- Use the public funds entrusted to them to the best advantage of the service, always ensuring value for money.

It is also the responsibility of all staff to ensure that they do not:

- Abuse their official position for personal gain or to the benefit of their family or friends;
- Undertake outside employment that could compromise their NHS duties;
- Seek to advantage or further their private business or interest in the course of their official duties;
- Staff must protect themselves and NHS Borders from any allegations of impropriety by seeking advice from their line manager, or from the appropriate contact point, whenever there is any doubt as to the interpretation of this policy.

3. Action for managers

Managers must adhere to this guidance and ensure that their staff are aware of and comply with these Standards. To achieve this, each manager should record their receipt and understanding of the Standards of Business Conduct for NHS staff, together with evidence that all their staff have been informed of its contents. All staff should be asked to confirm their understanding of the Standards of Business Conduct for NHS staff and formally record any interests, outside employment, etc.

Where an interest, hospitality or relevant outside employment is declared to a manager, they must record that declaration in the employee's personal file together

with any instructions issued to the member of staff in relation to the declaration. All declarations of interests, hospitality, or relevant outside employment should be notified to the Board Secretary. Any gifts or hospitality, which are unusual, or likely to arouse controversy, should also be notified to the Board Secretary as well as the Director of Finance.

Managers should consider whether outside employment declared by employees is likely to conflict with their NHS work or be detrimental to it. Generally, directorship of, or work with, an identified NHS supplier, or business competing with the NHS, would be unacceptable.

If a manager is informed of a potential conflict of interest, hospitality or outside employment which has not been declared by a member of their staff, they must inform the Director of Finance.

4. Guidance for staff

Staff should:

- Make sure that they understand the details of Standards of Business Conduct for NHS Staff and seek advice from their line manager if they are unsure;
- Make sure that they are not in a position where private interest and NHS duties conflict;
- Declare any relevant interest to their line manager;
- Seek the permission of the line manager prior to taking on outside work if there is conflict of interests;
- Obtain permission from their line manager before accepting sponsorship;
- Be aware that all breaches of Corporate Governance will be reported to NHS Borders Audit Committee.

Staff should not:

- Accept any gifts, inducements or inappropriate hospitality which will place them in a position of conflict between their private interest and that required of their NHS duties;
- Abuse past or present official position to obtain preferential rates for private deals;
- Unfairly advantage one competitor over another or show favouritism in awarding contracts;
- Misuse official information.

5. Gifts

Gifts, which could place an individual in a position of conflict, between their private interests and that required in their NHS duties should be declined. MEL (1994) 48 provides that staff may accept gifts of low intrinsic value or small tokens of gratitude (such as diaries or calendars). NHS Borders has set an acceptable level of £25. If in doubt, staff must contact their line manager before acceptance.

All gifts accepted within the limit by staff must be declared to their line manager. Managers should on a regular basis provide this information to the Board Secretary for recording in the Register of Gifts and Hospitality.

6. Hospitality

Staff may accept modest hospitality, provided that it is normal and reasonable in the circumstances, e.g. lunches in the course of working visits, may be acceptable, though it should be similar to the scale of hospitality which the NHS as an employer would be likely to offer. NHS Borders has set an acceptable limit of £25 per employee per lunch. Staff should decline all other offers of hospitality. If in doubt, staff should seek advice from their line manager.

All hospitality accepted within the limit by staff must be declared to their line manager. Managers should on a regular basis provide this information to the Board Secretary for recording in the Register of Gifts and Hospitality.

7. Outside interests and secondary employment

Outside interests include directorships, ownership, part-ownership or material shareholdings in companies, business or consultancies likely to seek to do business with the NHS. These should be declared to the individual's line manager, as should the interests of a spouse/partner or close relative.

A particular area of potential conflict of interest is when NHS staff hold a self-beneficial interest in private care homes or hostels. Staff have an obligation to declare such interests to their line manager. Advice on professional conduct issued by the General Medical Council recommends that when a doctor refers a patient to a private care home or hostel in which he or she has an interest, the patient must be informed of that interest before referral is made.

A conflict of interest may arise as a result of an employee accepting secondary employment or an outside post, e.g. with a company that does business, or is in competition with the NHS. Where there is any doubt, the employee must seek advice and approval from their line manager before accepting secondary employment or any outside post.

8. Private practice and secondary employment

Prior to taking up private practice or secondary employment staff should seek prior approval from their line manager subject to national terms and conditions or employment contracts

Private practice for medical staff is subject to the conditions outlined in the handbook on the management of private practice in health service hospitals NHS Circular 1987 (GEN) 25 and consultants are subject to the terms detailed therein. Other staff may undertake private practice or work for outside agencies provided they do not do so within the time they are contracted to the NHS and they observe the conditions detailed in this guidance.

Doctors in the training grades should not undertake locum work outside their contract where such work would be in breach of their contracted hours as set out in the terms and conditions of service and hours of control for the training grades.

9. Tendering and contract award

Favouritism should not be shown in awarding contracts and staff should ensure when they are preparing a tender that a warning against corruption in all invitations to tender is made. See Section F, Standing Financial Instructions, Section 13 and Appendix 1.

10. Registers of interests and gifts and hospitality for staff

A central register of interests will be held by the Chief Executive's Office for Board members. Annually, the Board Secretary will inform Board members of the requirement to register outside interests and employment. Board members will be provided with the relevant form to record any interests.

Annually Board members will be reminded of the requirement to declare any gifts and hospitality received. Managers will also be reminded to provide regular reports to the Board Secretary of any gifts and hospitality received by their staff for recording in the register of gifts and hospitality.

At least annually, the registers will be reviewed by an officer appointed by the Director of Finance and confirmed to be available along with supporting information.

11. Intellectual Property Rights

If an employee invents a new technology, for instance, a device or diagnostic, or otherwise creates intellectual property (IP) as part of the normal duties of their employment, the patent rights in the invention belong to the employer (Patents Act 1977). Although legally the employee is not automatically entitled to any royalty or reward derived from such an invention, they would expect to be acknowledged as the inventor in any patent application.

12. Sponsorship

It is accepted that NHS Borders should benefit from sponsorship opportunities. However, there are certain companies from which sponsorship should not be accepted. Those companies are:

- those whose products have inherent health risks;
- those who manufacture or supply tobacco and alcohol products;
- or those who have a history of failing to meet legislative standards in respect of industrial relations and work conditions, human rights, animal rights or environmental issues.

Sponsorship should not be used to fund what are NHS Borders's primary responsibilities therefore it is not appropriate to use sponsorship to:

- meet the costs of providing health care services
- or when it is necessary for staff, advising on the purchasing of equipment, to expect to see such equipment in operation in other parts of the country (or exceptionally overseas). In these circumstances NHS Borders will meet the cost to maintain the integrity of subsequent purchasing decisions.

However sponsorship can be used to fund what are seen to be secondary activities such as:-

- Materials for education, training and health promotional events;
- Clinical audit projects;
- Production and distribution of educational materials;
- Printing and distribution of guidelines;
- Fund educational and health promotion events;
- Educational grants;

- Facilitate access to research and development work elsewhere;
- Meet the running costs of Board organised events;
- Funding expenses for attendance at local or national conferences;
- Sponsorship of individuals for training courses or research projects.

Sponsorship agreements

A sponsorship agreement must be put in place for all sponsorship activities.

Before taking forward any sponsorship agreements it must be confirmed that no major procurement decision involving the sponsor has been taken by NHS Borders within the preceding six months and none are anticipated in the following six months.

Monies accepted in the form of sponsorship or a donation from any external organisation, particularly Pharmaceutical Companies, must be supported by an NHS Borders Disclaimer Letter signed by the Senior Departmental Officer to protect NHS Borders from any obligation in contractual dealings with that particular organisation. Disclaimer Letter can be requested from the Finance Directorate via the Finance Helpdesk email Finance.helpdesk@borders.scot.nhs.uk.

No employee should agree to linked deals where sponsorship is linked to the purchase of a particular product or to supplies from particular sources

Companies offering sponsorship should be sent a copy of NHS Borders's Standards of Business Conduct for NHS Staff and must confirm in writing that they have understood this and will abide by its content.

A sponsorship agreement must then be produced between NHS Borders and the company offering the sponsorship.

The principles upon which any sponsorship agreement must be based are as follows:

- Must protect the interests of individual patients and guard against the use of any single product to the exclusion of other reputable brands on the market;
- Should not undermine or conflict with the ethical requirement of any health care professional including the duty of doctors to provide whatever treatment they consider clinically appropriate;
- Must comply with the requirements for the protection and use of patient information;
- Must not be used to generate a profit for NHS Borders;
- Must be legal and in keeping with the objectives outlined above;
- Will be made public in line with NHS Borders's accountability requirements.

A sponsorship agreement should contain as a minimum the following information:

- Details of the parties to the agreement
- Give a clear description of the sponsorship deal
- Detail the timeframe associated with the sponsorship agreement
- Confirm the credit to be given to the sponsors and this must also detail how this credit will be given to the sponsors. The credit can acknowledge the fact that they have provided the funding for the materials, hospitality or running costs to allow the project or event to be run.

However, the following issues must be made clear:

- That credit for the work or organisation is due to NHS Borders and not the sponsors;
- That the acceptance of sponsorship is not an endorsement of a specific product or drug;
- Any mention of the sponsor will be to the Company and not specifically to any of its products;
- The sponsors may attend any sponsored event and display samples of its products, but it must be clear that NHS Borders is not endorsing or promoting the company or its products.

Once the Sponsorship Agreement is finalised it should be sent by the relevant manager to the Director of Finance for approval and to ensure a co-ordinated and consistent approach to sponsorship deals.

Any final decision on the appropriateness of an offer of sponsorship will rest with the Chief Executive.

Staff must not allow any sponsorship agreements negotiated on behalf of NHS Borders to affect the integrity of their decision making or to influence discussions with patients about treatments or products.

Other relevant forms of sponsorship

Training - Acceptance of sponsorship for attendance at relevant conferences and courses is acceptable but only where the training is consistent with the individual employee's personal development plan (PDP) and or job description. The employee should seek permission in advance from their line manager and the line manager on behalf of NHS Borders must confirm that there is a need for training but cannot fulfil the training or PDP need. Normally the relevant Clinical Chair should give permission. However, the Clinical Chair should discuss this fully with the Medical Director, in the case of consultant staff.

Posts - Acceptance of sponsorship to sponsor wholly or partially a post may be acceptable if appropriate financial arrangements are agreed in advance with the Director of Finance. In addition, where the sponsorship is accepted, the Director of Workforce & Planning will be fully involved and will be responsible for the establishment of monitoring arrangements to ensure that purchasing decisions are not being influenced by the sponsorship agreement. Any pump-priming or fixed term funded posts must have either a permanent financial arrangement, or an agreed exit strategy in place prior to the commencement of the agreement.

Information - Managers are reminded to take care in using internal information if it would prejudice the principle of a purchasing system based on fair competition. This principle applies whether private competitors or other NHS providers are concerned.

13. Endorsements

NHS Borders must not endorse any specific product or service unless it can be clearly demonstrated that such endorsement clearly links to NHS Borders Corporate

Objectives. The Criteria for NHS Borders Corporate Endorsements is attached as Appendix 3.

14. Distribution of products

It is NHS Borders's duty to provide health services for its population and it would not be appropriate to be used as a distribution point for commercial manufacturers and their products.

The commercial promotion and distribution of company products is a retail responsibility and is not the role of NHS Borders health care professionals.

Distribution of products from commercial companies can be viewed as endorsement of the product being distributed. Guidance to staff is that staff should not unfairly advantage one competitor over another or show favouritism in awarding contract. This particularly applies to the distribution of products or samples to pregnant women or new mothers. For further guidance regarding this please see Appendix 1.

15. Working with the pharmaceutical industry

Guidance on the further requirements of NHS staff when meeting with representatives of the Pharmaceutical Industry can be found at Appendix 2 to this section.

16. Remedies

Managers or staff who fail to comply with the guidance detailed in these Standards could be subject, following full investigation, to disciplinary action up to and including dismissal and loss of superannuation rights. If through their actions or omissions, managers or staff are found to be in contravention of either this guidance or indeed their legal responsibilities then NHS Borders reserves the right to take legal action, if necessary. Where staff suspect, or are aware of non-compliance with these Standards, they should report any such instances to their line manager or the Director of Finance.

17. Communication

The Standards of Business Conduct for NHS Staff is applicable to every NHS Borders employee and therefore it is imperative that all staff are informed of its contents. Each manager within NHS Borders will receive a copy of the Standards of Business Conduct and will confirm their receipt and understanding of this in writing. Each member of staff will receive a copy at induction and also confirm their understanding of it as part of the Confidentiality Statement sign off every two years.

18. Contact for further guidance

The Board Secretary will provide advice and guidance on the Standards of Business Conduct for NHS Staff and its interpretation.

19. Induction of new staff

All new staff will be made aware of the Standards of Business Conduct for NHS Staff and its implications for them at induction.

20. Review process

The Standards of Business Conduct for NHS Staff is kept under continual review by the Code of Corporate Governance Steering Group. Any substantial changes will be shared with managers and trade union/professional organisation representatives through the Area Partnership Forum.

Section C - Appendix 1:

Distribution and endorsement of products from commercial companies

Specialist direct marketing companies exist to reach pregnant women and new mothers. Maternity services are subsequently targeted by commercial companies or agencies to distribute their promotional literature, commercial packs and products directed at pregnant women and newborn infants.

The purpose of this guidance is to ensure that there is no distribution of promotional literature, commercial packs and products within NHS Borders.

Analysis of current practice of distribution

	Companies	NHS Borders	Service Users
Advantages	<ul style="list-style-type: none">• High Profile Advertisement• Free promotion• Direct Marketing• Professional Endorsement• Increased Sales• Increased Profits	<ul style="list-style-type: none">• Occasional small monetary incentive• Usually none	<ul style="list-style-type: none">• Free products• Free magazines
Disadvantages	Loss of above	<ul style="list-style-type: none">• Storage Capacity difficult• Resource time used for moving and handling products, delivery through system, storage and distribution• Conflict of interest	<ul style="list-style-type: none">• Products expensive• Sense of failure if unaffordable• Duplication of information• Exposure to inappropriate health messages• Information overload

The distribution of promotional literature, commercial packs and products has clear disadvantages to NHS Borders. More importantly service users may be disadvantaged within this system. NHS Borders maternity services therefore have a responsibility to:

- Protect the interests of individual pregnant women and new mothers e.g. guard against the endorsement of any single product to the exclusion of other reputable brands on the market.
- Protect health professionals from distribution and endorsement of products presenting a conflict of interest in their professional role and duty of care.
- To ensure that there is no distribution of promotional literature, commercial packs and products.

Companies or suppliers requesting the distribution of company products directed at pregnant women, new mothers or other vulnerable groups should be sent a copy of this policy.

Codes of Professional Conduct

All staff are required to work in line with their professional bodies' code of conduct.

Section C - Appendix 2:

Guidance on the further requirements of NHS Staff when meeting with representatives of the Pharmaceutical Industry

1. Partnership working at corporate level

1. The SEHD guidance “A Common Understanding – Guidance on Joint Working with the Pharmaceutical Industry” (2003) acknowledges that:

“A governing ethos of NHS Scotland is the acceptance and recognition that a modern and dependable NHS will be built on effective joint working with others. All joint working, if properly managed, should be of mutual benefit to the organisations concerned and to patients. The relationship with the Pharmaceutical Industry should not be any different and should be built on mutual respect and trust.”

In developing joint working agreements consideration should be given to the following:

- The costs and benefits of any arrangement
 - Likely impact on purchasing decisions across the NHS structure, with such decisions being based on best clinical practice and value for money
 - The need for an open and transparent tendering process where joint working is linked to the purchase of particular products or services. In particular, no sponsorship, funding or resources should be accepted from a supplier who is actively engaged or shortly (within 6 months) to be engaged in a tender or commercial review of the services they provide
 - A requirement that all participants observe Data Protection legislation to respect and preserve patient confidentiality
 - The employment or seconding of any person as a result of the agreement is covered by relevant NHS regulations e.g. MEL(1994)48
 - Participants are made fully aware of the duration of the project with a clear definition of (1) the ‘exit strategy’ and (2) the implications for both patients and the service once the project comes to an end
2. “A Common Understanding” presents an outline framework to guide parties through the formation of a partnership agreement. Any possible partnerships should always be discussed with the relevant line manager, head of profession / clinical director or equivalent, and local pharmacy and procurement teams before proceeding beyond the initial stages.
 3. Procurement teams (and in the case of medicines, pharmacy teams) will work with suppliers to establish the best arrangements for the supply of medicines, in line with established partnership principles, business standards, purchasing law and NHS Borders’s Code of Corporate Governance.
 4. No commercial relationships can be entered other than by staff with formal delegated powers as set out in NHS Borders’s Code of Corporate Governance. Any discussion on commercial matters should be referred to the relevant Procurement or Pharmacy teams.

2. Research/clinical trials

1. All research projects need to meet the rigorous requirements of clinical relevance and governance as set out in current guidelines and legislation. All projects must be formally approved by the relevant Research Ethics Committee and should be discussed in the first instance with the Medical Director.
2. The NHS Borders Drug and Therapeutics Committee does not recommend the prescribing of new medicines until they have been evaluated and approved by the Scottish Medicines Consortium (SMC).

3. Requirements of NHS staff when meeting with representatives of the Pharmaceutical Industry

Meetings between NHS staff and representatives of the Pharmaceutical Industry can provide an opportunity for awareness raising and information sharing, such as advance notification of new medicines, education / training and support for clinical research. The benefits of this exchange are recognised for both parties. However, interactions must follow the guidance in NHS Borders's Code of Corporate Governance and where appropriate, the Association of the British Pharmaceutical Industry (ABPI) Code, therefore:

1. Meetings should only involve those whose roles justify their participation
2. Individuals should obtain prior approval from their line manager/ clinical lead or equivalent before participation. It is acceptable to arrange prior approval up to an agreed level of interaction, as part of the annual job planning, performance review or appraisal process, as appropriate for different professions.
3. Only senior staff (consultants, service managers, lead nurses) should participate in one to one meetings with representatives.
4. Staff taking part in such meetings should ensure there's a clear understanding of the purpose of the meeting, including the aims and the potential outcomes which benefit the NHS and patients.
5. Employees should keep a personal log of attendance at all such meetings, such that this can be made available, if required, to their line manager/ clinical director or equivalent at annual job planning or performance review.
6. Any information provided at such meetings should be critically evaluated. In the case of pharmaceuticals, the ABPI Code* governs the approval of promotional materials, directs that statements should be evidence based and restricts distribution to 'persons who can reasonably be assumed to have a need or interest in the information'. If staff are in any doubt or need any assistance, the following additional resources are available:
 - a. The Director of Pharmacy has access to independent sources of information and can be a useful conduit between the Pharmaceutical Industry and NHS personnel.
 - b. Advice on prescribing policies within Primary Care and Secondary Care can also be obtained from the above.

4. Requirements of representatives when meeting NHS staff

Industry representatives are advised of the following requirements, which relate to interactions with NHS staff.

- Representatives must not visit wards, departments or theatres without a specific invitation from, or an appointment with, the relevant senior member of staff.
- Representatives should only see medical staff below Consultant grade with the full knowledge and agreement of the Consultant and by appointment only.
- Representatives should see Consultants by appointment only.
- Representatives should be seen at pharmacy by appointment only.
- Nursing staff should be visited or receive training only with the approval of the relevant operational nurse manager or professional head
- For any product discussed within NHS Borders, representatives should describe the status of the product (in relation to the Scottish Medicines Consortium, NHS Borders Formulary Prescribing Guide or local/ national guidance) both when arranging the meeting and at the outset of the discussion. Cognisance should also be taken when products are restricted to use or initiation by specialist clinical staff.
- Representatives should be aware that medicinal products are prescribed in NHS Borders within the context of the relevant local and national guidance, therefore promotion outwith such guidance is not supported. Distribution of promotional materials should be in accordance with the ABPI Code
- No medicine samples should be left in clinical areas, supplies department or the pharmacy department with the exception of the conditions. It is the NHS Borders policy not to accept such product samples.

5. Printing of Guidelines

1. On occasion, the industry may offer to sponsor the printing of clinical guidelines, leaflets etc. This is acceptable assuming the follow criteria are met:
 - The funding should be restricted to printing costs only
 - More than one supplier should have the opportunity to give support through an unrestricted educational grant
 - Clinical and editorial matters must be under NHS control and developed by a local NHS group, involving relevant clinicians
 - Recommendations must be in line with local NHS Borders Formulary Prescribing Guide or prescribing policies.
 - Generic names for medicines should be used throughout, unless otherwise specified in the NHS Borders Formulary Prescribing Guide (or equivalent)
 - Only NHS logos should appear on printed documents
 - Acceptance of the sponsorship should be acknowledged on the printed document e.g. "Supported by an unrestricted educational grant from" The declaration of sponsorship should be sufficiently clear that readers are aware of it at the outset. Approval of such documents should proceed through the agreed NHS process e.g. clinical guidelines approval by the NHS Borders Drug and Therapeutics Committee
2. Financial donations to a departmental fund are acceptable provided they are in line with the endowment policy.

6. Samples

1. Samples of pharmaceuticals should not be accepted within NHS Borders, since the employer will be liable for the quality of items utilised in patient care. Exceptions are highlighted below.
2. Any requirements for pre-packed medication, for example to be used as starter packs in compliance with the NHS Borders Formulary Prescribing Guide, can normally be satisfied through NHS Manufacturing Units. Advice should be sought from local pharmacy departments.
3. This policy is equally applicable to dressings, sundries and products for wound care and stoma care.
4. A mechanism exists for Consultants wishing to use newly launched, licensed products prior to SMC evaluation through the NHS Borders Drug and Therapeutics Committee 'Prescribing for exceptional use policy'.
5. There are specific exemptions from the above restrictions:
 - Medicines provided as part of a clinical trial.
 - Co-ordinated 'assessment' of certain products (e.g. equipment or devices) or supply of a single sample for demonstration purposes
 - Supply of clinical monitoring equipment (e.g. glucometers, glucose testing strips, insulin pen devices or insulin pumps for use by newly diagnosed diabetic patients) as part of an individual evaluation of patient acceptability

While it is recognised there may be value in gaining pragmatic experience in this way, supplying samples for these purposes should be:

- in response to a written request, dated and signed
- discussed and agreed with the local pharmacy
- approved by the Wound Management Group

Glossary of Terms used in this appendix

Advance notification of new medicines

This is intended to help the NHS to plan for any significant clinical and financial consequences of the introduction of a new medicine. Information is circulated subject to the following guidance:

- it must relate to a new active substance or a significant change to existing authorised indications
- it must be directed to senior staff * or those responsible for policy decisions on budgets
- it should be factual only and not promotional in style

Association of the British Pharmaceutical Industry (ABPI)

The ABPI is the trade association representing the manufacturers of prescription medicines. Membership is voluntary. The ABPI Code of Practice sets standards for the promotion of medicines to health professionals and includes guidance on interactions with NHS personnel. It is drawn up in consultation with the BMA, the Royal Pharmaceutical Society of Great Britain, the MHRA and the Royal College of Nursing. The code has been revised in 2006; a full copy can be found at:

<http://www.abpi.org.uk/links/assoc/PMCPA/code06use.pdf>

and an abbreviated guide is available at:

<http://www.abpi.org.uk/links/assoc/PMCPA/PMPCA.pdf>

Medicines:

These are defined as any material, item, or equipment designed to prevent disease, diagnose or treat patients of NHS Borders. This includes:

- Medicinal products (pharmaceuticals)
- Medical devices (e.g. wound dressings, stoma appliances)
- Equipment not classed as a Medical Device but used to diagnose or treat patients

Conferences and courses

Educational events designed to support continuing professional development for NHS employees and/or provide a platform for exposure to the latest research findings/practice developments. These will vary in scale, content and location, and will include 'one off' local meetings, university courses of study and national (or exceptionally) international conferences organised by specialist interest societies or professional colleges.

Declaration of interests

Any NHS department, group, employee or contractor who engages in joint working with the Pharmaceutical Industry beyond the specified threshold must formally register this activity at departmental, directorate or Board level. (Appendix 2 presents a template for such declarations, with definitions and procedures will be described further in the Implementation Plan for this policy).

Group meetings

Industry* sponsored meetings, typically involving 5 - 50 participants, accredited (e.g. CME approved) and held within the boundaries of NHS Borders (although not necessarily on NHS premises) at which information / knowledge is shared / acquired.

Independent contractor

This term includes general medical practitioners, community pharmacists, general practice dentists, optometrists, chiropractors and their staff.

Industry

This term covers the full range of medicines, unless otherwise specified, including the Pharmaceutical Industry which covers ABPI and non-ABPI members.

Joint Working

Any partnership, across the range of section headings of this policy, between the NHS (or one or more of its employees) and suppliers of medicines which:

- is for the benefit of patients
- should be in the mutual interest of both parties
- is conducted within the ethos of 'A Common Understanding' (SEHD Guidance 2003) which advocates a framework to ensure responsibility, transparency and probity in the process
- is compliant with the Data Protection Act
- should not conflict with advice issued by the Scottish Medicines Consortium or Quality Improvement Scotland, unless endorsed for local implementation by the NHS Borders Drug and Therapeutics Committee.
- should promote equitable access and evidence based healthcare
- should not be seen as an endorsement of any product or technology
- should not undermine or conflict with the professional or ethical requirements of any healthcare professional

This should yield improvements in patient care, service provision, support or development of NHS employees / independent contractors etc. Any report from such activity should not be published without the explicit permission of all partners.

Research partnerships between the NHS and the Pharmaceutical Industry also fall within the scope of this policy, although the financial and commercial implications will be considered separately.

Pharmaceutical Industry

The term Pharmaceutical Industry includes manufacturers and suppliers of pharmaceutical products; high-tech home health care provider's equipment and appliances. This includes ABPI members and non-ABPI members.

Post marketing surveillance

Such activity is subject to 'Guidelines for Company Sponsored Safety Assessment of Marketed Medicines' (SAMM) which have been produced jointly by the ABPI, the British Medical Association, the Committee on Safety of Medicines, the Medicines and Healthcare products Regulatory Agency and the Royal College of General Practitioners

Procurement

The process of obtaining best value for money services, supplies and equipment in conformance with applicable laws and regulations that meet the requirements of the end purpose. This is distinct from advice, information or influence on formulary management decisions.

Promotion (of medicines)

Active detailing of product(s) to NHS staff (e.g. displays, AV presentations, issue of promotional materials) with the aim of changing current prescribing practice in NHS Borders. Promotion is restricted to those products included in the Borders Area Prescribing Guide, or local guidance (medicines) or other medicine catalogues (e.g. dressings and sundries). This therefore excludes any medicine prior to its review by Scottish Medicines Consortium and approval by the NHS Borders Area Drug and Therapeutics Committee.

This should not impose any restriction on meetings between senior NHS personnel and representatives of the Pharmaceutical Industry for awareness raising and exchange of factual information, irrespective of a product's NHS Borders status. Advance notification of new products or technologies is one example of NHS/Supplier interactions which are not deemed as promotion (see Section G).

Representative of the Pharmaceutical Industry

This is a generic term to describe all Pharmaceutical Industry personnel, with both product specific or general NHS liaison responsibilities.

Research partnership

A partnership where one or more NHS employees and / or contractors have a formal partnership agreement in place with the Pharmaceutical Industry to undertake ethically approved research studies.

Senior staff:

- For hospital doctors, this includes Consultant, Associate Specialist and Specialist Registrar.
- For NHS pharmacy services: Principal Pharmacists and Principal Pharmacy Technicians, for those in the managed service.
- For hospital nurses, this includes Senior Managers, Nurse Consultants and Clinical Nurse Specialists.

Significant financial interest

NHS Borders Staff should refer to the Standards of Business Conduct for NHS Staff [MEL(1994)48] Circular which includes general policy guidance on (i) the standards of conduct expected of all NHS staff where their private interests may conflict with their public duties and (ii) the steps which NHS staff should take to safeguard themselves and the NHS against conflict of interest, should they be likely to realise a material gain in excess of £500 per annum from an external source.

Integration Joint Board - Scheme of Integration

SCOTTISH BORDERS HEALTH & SOCIAL CARE INTEGRATION JOINT BOARD

1. Introduction

The Public Bodies (Joint Working)(Scotland) Act 2014 requires Health Boards and Local Authorities to integrate planning for, and delivery of, certain adult health and social care services. They can also choose to integrate planning and delivery of other services – additional adult health and social care services beyond the minimum prescribed, and children's health and social care services:

The Act requires Health Boards and Local Authorities to prepare jointly an Integration Scheme setting out how this joint working is to be achieved. NHS Borders and Scottish Borders Council have agreed to integrate planning for, and delivery of, adult health and social care services by delegating agreed functions to an Integration Joint Board using a "body corporate" arrangement.

The legislation underpinning the Scottish Borders Health & Social Care Integration Joint Board requires that its voting members are appointed by the Health Board and the Local Authority and consists of NHS Non Executive Directors and Councillors. Whilst serving on the Scottish Borders Health & Social Care Integration Joint Board its members will carry out their functions under the act on behalf of the Scottish Borders Health & Social Care Integration Joint Board and not as delegates of the respective Health Board or Local Authority. The Scottish Borders Health & Social Care Integration Joint Board will plan and commission services to ensure the Scottish Borders Partnership meet its national and local outcomes based as detailed in the Strategic Commissioning plan.

The Scottish Borders Partners Borders Health Board, Scottish Borders Council and the Scottish Borders Health & Social Care Integration Joint Board have agreed detailed operational arrangements which are presented in the Scheme of Integration (Sol). This section of the CoCG details extracts from the Sol with the full Sol agreement attached as Appendix B for reference.

4. Scheme of Integration

The Scottish Borders Partnership have agreed integration arrangements as detailed in the Scheme of Integration (Sol). The arrangements will enhance, strengthen and develop the formerly separate services for the provision of adult health and social care.

The Scheme of Integration aims to integrate service delivery and fulfil the expectations of the Strategic Commissioning Plan to enhance and promote the health and wellbeing of the people of the Scottish Borders.

NHS Borders Board

- has joint responsibility for achievement of the outcomes of the Strategic Commissioning Plan
- has responsibility for the delivery and management of any services within the functions delegated as directed by the Scottish Borders Health & Social Care Integration Joint Board,
- will provide assurance to the Scottish Borders Health & Social Care Integration Joint Board on the performance of services delivered

- will provide performance reporting, through the Chief Officer, on a regular basis to the Scottish Borders Health & Social Care Integration Joint Board for those services within the delegated functions,
- will establish a performance management framework which meets the obligations set out in the legislation and will take account of the targets, measures and objectives for the delegated functions
- will provide assurance to the Scottish Borders Health & Social Care Integration Joint Board on clinical and care governance of health professionals delivering services linked to the delegated functions as delegated by the Scottish Borders Health & Social Care Integration Joint Board,
- will develop and implement a Joint Organisational Development Plan (which will cover the learning and development of staff and the development of an effective collaborative culture) and an outline Workforce Plan (to support the implementation of the strategic commissioning plan) for staff delivering integrated services,
- Will agree an Information Sharing Protocol and procedures with partners as required,
- Will agree a framework for how complaints for services within the delegated functions will be addressed,
- Will support work, lead by the Chief Officer, to develop a risk management strategy for the Scottish Borders Health & Social Care Integration Joint Board.

The agreed Scottish Borders Scheme of Integration is attached at Appendix B.

2. Integration Joint Board - Standing Orders

Following agreement of the Scottish Borders Health and Social Care Scheme of Integration by Scottish Ministers the Scottish Borders Health and Social Care Integration Joint Board became a fully functioning legal entity on 1st April 2016.

The Scottish Borders Health & Social Care Integration Joint Board has agreed Standing Orders which detail the way the Integration Joint Board is constituted and the way it will conduct business.

A copy of the agreed Standing Orders is included as Appendix 1 within this section.

NHS Borders Board will review the membership of non-voting senior officers on the Scottish Borders Health & Social Care Integration Joint Board on an annual basis.

3. Borders Health Board and the Integration Joint Board

The role of NHS Borders Board in the provision of services for adults changed on the 1st April 2016 when the Scottish Borders Health & Social Care Integration Joint Board was legally established. As set out in the Act and related guidance NHS Borders and Scottish Borders Council must delegate functions and provide the necessary resources for those functions as specified for adult health and social care services in Borders to the Scottish Borders Health & Social Care Integration Joint Board. They can also choose to go beyond the minimum as prescribed in the legislation.

The Scottish Borders Health & Social Care Integration Joint Board is responsible for the strategic planning of the functions delegated to it and for ensuring oversight on the delivery of the integrated services for which it has responsibility. The Scottish Borders Health & Social Care Integration Joint Board will prepare and implement a

Strategic Commissioning Plan. The Act gives the Health Board and the Local Authority, acting jointly, the ability to require that the Scottish Borders Health & Social Care Integration Joint Board replaces their Strategic Commissioning Plan in certain circumstances. The Scottish Borders Health & Social Care Integration Joint Board will give direction to the Borders Health Board and Scottish Borders Council to carry out each function delegated to it. Assurance to the Scottish Borders Health & Social Care Integration Joint Board over the performance of services delivered by the Borders Health Board will be provided by regular and frequent monitoring to the Scottish Borders Health & Social Care Integration Joint Board. The Scottish Borders Health & Social Care Integration Joint Board will also oversee performance and targets to ensure that delivery is in line with the required outcomes.

3.1. Delegated functions and resources

As per the legislation and resulting guidance the functions delegated to the to the Scottish Borders Health & Social Care Integration Joint Board are detailed in Appendix 2 of the Scheme of Integration (the Sol is Appendix B attached to this document)

The NHS Borders Board will agree, on an annual basis, the level of resources to be provided to the Scottish Borders Health & Social Care Integration Joint Board for the functions delegated.

The Scottish Borders Health & Social Care Integration Joint Board will manage the financial plan so as to deliver the agreed outcomes within the Strategic Commissioning Plan. Monitoring arrangements will include the impact on set aside budgets. The Scottish Borders Health & Social Care Integration Joint Board will have financial accountability for the funding received as payments from Borders Health Board but this will not apply to the notional funding for set aside budgets included within the Strategic Plan.

3.2 Integrated Budget

The provision of resources to the Scottish Borders Health & Social Care Integration Joint Board should be agreed in line with arrangements as detailed in the Scheme of Integration.

The Integrated baseline budget to be provided to the Scottish Borders Health & Social Care Integration Joint Board for the functions delegated will be established by NHS Borders by reviewing past performance and existing plans and will be subject to due diligence and comparison to recurring actual expenditure in the previous three years adjusted for any planned changes. Future years budgets will take into account the uplift applied to NHS Board funding from Scottish Government and efficiencies to be achieved as well as the following factors ;-

- Performance against outcomes
- Activity Changes
- Cost Inflation
- Price Changes and introduction of new drugs/technology
- Agreed service changes
- Legal requirements
- Transfers to/from the amounts made available for hospital services
- Adjustments to address equity of resource allocation

3.3 Efficiency Savings

NHS Borders will share with all partners savings, efficiency targets and schemes identified within the integrated budget. NHS Borders will agree the level of efficiency, prior to the start of each financial year, with the Scottish Borders Health & Social Care Integration Joint Board as part of the annual financial planning cycle.

3.4 In year budget variance

NHS Borders Board may not reduce the payment in-year to the Scottish Borders Health & Social Care Integration Joint Board to meet exceptional unplanned costs without the express consent of the Scottish Borders Health & Social Care Integration Joint Board and constituent authorities (the local authority) for any such change. Where appropriate supplementary resources are identified or received by Borders Health Board these will be passed on to the Scottish Borders Health & Social Care Integration Joint Board through increasing the level of funding provided to the Scottish Borders Health & Social Care Integration Joint Board.

The Chief Officer of the Scottish Borders Health & Social Care Integration Joint Board will deliver the agreed outcomes within the total agreed resources. Where there is a forecast outturn overspend against an element of the operational budget linked to NHS services the Chief Officer and the Chief Financial Officer of the Scottish Borders Health & Social Care Integration Joint Board must agree a recovery plan, to balance the overspending budget, with the NHS Borders Director of Finance.

For NHS services should the recovery plan be unsuccessful the Scottish Borders Health & Social Care Integration Joint Board may request that the payment from Borders Health Board be adjusted, to take account of any revised assumptions.

In the case of NHS and Local Authority joint services any additional payment will be agreed pro rata in line with the original budget level.

The Scottish Borders Health & Social Care Integration Joint Board will make repayment to the Borders Health Board in future years of the additional payment required to address in year pressures. If the shortfall is related to a recurring issue the Scottish Borders Health & Social Care Integration Joint Board will include the issue in the Strategic Commissioning Plan and financial plan for the following year.

Additional adjustments may be required, for example, when errors in the methodology used to determine the delegated budget are found. In these circumstances the payment for this element should be recalculated using the revised methodology.

Where there is a planned underspend in operational budgets arising from specific action by the Scottish Borders Health & Social Care Integration Joint Board it will be retained by the Scottish Borders Health & Social Care Integration Joint Board. This underspend may be used to fund additional capacity in-year or, with agreement with the partner organisations, carried forward to fund capacity in future years. The carry forward will be held as a separately identifiable balance within Scottish Borders Council's general reserve. If an underspend arises from a material error in the assumptions made to determine the initial budget, the methodology of the payment may need to be recalculated using the revised assumptions.

Any unplanned underspend will be returned to Borders Health Board if it relates to NHS services.

Financial Regulations

The Scottish Borders Health & Social Care Integration Joint Board is a legal entity with financial accountability for the funding received as payments from the Borders Health Board

Borders Health Board requires the following to be in place to enable delegation of functions to the Scottish Borders Health & Social Care Integration Joint Board.

- Agreement of updated individual Financial Regulations for the Health Board and Scottish Borders Council to ensure they are consistent and complement the new Financial Regulations of the Scottish Borders Health & Social Care Integration Joint Board,
- Implementation of a risk analysis process (for both the Scottish Borders Health & Social Care Integration Joint Board, Borders Health Board and Scottish Borders Council with updated risk registers for both the latter organisations),
- Completion of a Risk Register and Risk Management Strategy for the Scottish Borders Health & Social Care Integration Joint Board,
- Processes and provisions for the Scottish Borders Health & Social Care Integration Joint Board addressing key risks identified,
- An approved strategy for Insurance over the activities of the Scottish Borders Health & Social Care Integration Joint Board,
- Performance Framework for the Scottish Borders Health & Social Care Integration Joint Board,
- Appointment of an External Auditor.
- Defined arrangements for the establishment and operations of an Scottish Borders Health & Social Care Integration Joint Board Audit Committee or other relevant committee,
- Appointment of a Chief Internal Auditor to the Scottish Borders Health & Social Care Integration Joint Board.
- Annual Approval of the Scottish Borders Health & Social Care Integration Joint Board's Internal Audit Plan,

5. Strategic Commissioning Plan

In line with the Joint Working Act legislation, the Scottish Borders Health & Social Care Integration Joint Board is required to not only plan but also oversee the delivery of the integrated services for which it has responsibility. The Scottish Borders Health & Social Care Integration Joint Board has agreed a Strategic Commissioning Plan which sets out how it is planning to improve health and well-being in the Borders through integrating health and social care services. The plan also sets out local objectives which will enable it to achieve the national health and well-being outcomes.

In line with its Strategic Commissioning Plan, the Scottish Borders Health & Social Care Integration Joint Board will require that the Local Authority and Health Board provide services to match what is required and it will oversee performance and targets to ensure that delivery is in line with the outcomes.

The NHS Borders Board will agree with the Scottish Borders Health & Social Care Integration Joint Board, as part of the health annual Local Delivery Plan planning cycle, the delivery and outcomes required to meet the Strategic Commissioning

Plan for health services commissioned from the Board by the Scottish Borders Health & Social Care Integration Joint Board.

The agreed Scottish Borders Strategic Commissioning Plan is attached at Appendix C.

5.1 Chief Officer

Borders Health Board, Scottish Borders Council and the Integration Joint Board are jointly responsible for the achievement of the outcomes as detailed in the Strategic Commissioning Plan. The Scottish Borders Health & Social Care Integration Joint Board has oversight of the performance of the services related to those functions.

The Scottish Borders Health & Social Care Integration Joint Board has appointed a Chief Officer with responsibility for reporting to the Scottish Borders Health & Social Care Integration Joint Board on performance of those services provided in line with the delegated functions in the context of a performance framework agreed by the Scottish Borders Health & Social Care Integration Joint Board.

The Chief Officer will also prepare an annual report on performance on delivery of the Strategic Commissioning Plan to the Scottish Borders Health & Social Care Integration Joint Board and share it with Borders Health Board and Scottish Borders Council.

The Chief Officer is accountable to the Chief Executive, Borders Health Board for the financial management, operational management and delivery of a number of services provided by NHS Borders within the delegated functions. The Board's Scheme of Delegation (Code of Corporate Governance - Section E) has been updated to reflect the agreed services for which the Chief Officer is accountable.

6. Role of the NHS Borders Audit Committee

The NHS Borders Audit Committee is required to give assurance to the NHS Borders Board that the set up and ongoing governance of the functions and resources delegated to the Scottish Borders Health & Social Care Integration Joint Board are satisfactory and that governance processes which are in place minimise the risk to NHS Borders of the new arrangements.

The NHS Borders Audit Committee will seek assurance from both Internal and External Audit through their work that the arrangements which are in place between the NHS Board and the Scottish Borders Health & Social Care Integration Joint Board create a robust control framework.

Scottish Borders Health & Social Care Integration Joint Board

STANDING ORDERS

Version	4
Date	22.02.16
Author	Iris Bishop, Board Secretary

1. General

- 1.1 The Standing Orders of the Scottish Borders Health & Social Care Integration Joint Board are set up in accordance with the Public Bodies (Joint Working) (Scotland) Act 2014.
- 1.2 Any statutory provision, regulation or direction issued by the Scottish Ministers shall have precedence if they are in conflict with the Standing Orders.

2. Membership

- 2.1 The Integrated Joint Board shall comprise five NHS Non-Executive Directors appointed by Borders Health Board, and five Elected Councillors appointed by Scottish Borders Council. In addition, there will be non-voting representatives drawn from health and social care professionals, staff, the third sector, users, the public and carers as identified by the Integration Joint Board. The Chief Officer of the Integration Joint Board, Chief Financial Officer and the Chief Executives of NHS Borders and Scottish Borders Council, and any other senior officers as appropriate, will be invited to attend the Integration Joint Board as non-voting members.
- 2.2 The term of office of voting Members of the Integration Joint Board shall last as follows:
 - (a) for Local Government Councillors, three years, thereafter Scottish Borders Council will identify its replacement Councillor(s) on the Integration Joint Board,
 - (b) for Borders Health Board nominees, three years, thereafter Borders Health Board will identify its replacement Non Executive(s) on the Integration Joint Board.
- 2.3 Where a Voting Member resigns or otherwise ceases to hold office, the person appointed in his/her place shall be appointed for the unexpired term of the Voting Member they replace.
- 2.4 On expiry of a Voting Member's term of appointment the Voting Member shall be eligible for re-appointment provided that he/she remains eligible and is not otherwise disqualified from appointment.
- 2.5 Any Voting Member appointed to the Integration Joint Board who ceases to fulfil the requirements for membership detailed in the Scheme of Integration approved by the Scottish Ministers shall be removed from membership on the serving by the Board Secretary of notice to that effect.
- 2.6 A Voting Member of the Integration Board may resign his/her membership in writing at any time during their term of office by giving notice to the Board Secretary or the Clerk to the Council. The resignation shall take effect from the date notified in the notice or on the date of receipt if no date is notified.
- 2.7 If a Voting Member has not attended three consecutive Ordinary Meetings of the, Integration Joint Board, the Board Secretary shall, by giving notice in writing to that Voting Member, remove that person from office unless the Integration Joint Board are satisfied that :-
 - (a) The absence was due to illness or other reasonable cause; and

- (b) The Voting Member will be able to attend future Meetings within such period as the Integration Joint Board consider reasonable.
- 2.8 The acts, meetings or proceedings of the Integration Joint Board shall not be invalidated by any defect in the appointment of any Member.

3. Chair

- 3.1 The first Chair of the Integration Joint Board shall be from the body not employing the Integration Joint Board's Chief Officer, with the Vice-Chair from the body employing the Chief Officer. The Chair and Vice –Chair posts shall rotate annually between the NHS Board and the Council, with the Chair being from one body and the Vice-Chair from the other.
- 3.2 The Vice-Chair may act in all respects as the Chair of the Integration Joint Board if the Chair is absent or otherwise unable to perform his/her duties.
- 3.3 At every Meeting of the Integration Joint Board the Chair, if present, shall preside. If the Chair is absent from any Meeting the Vice-Chair, if present, shall preside. If both the Chair and the Vice-Chair are absent, a chair shall be appointed from within the voting members present for that meeting.
- 3.4 Powers, authority and duties of Chair and Vice-Chair.

The Chair shall specifically:-

- (a) Preserve order and ensure that every Member has a fair Hearing;
- (b) Decide on matters of relevancy, competency and order, and whether to have a recess during the Meeting, having taken into account any advice offered by the Chief Officer or other relevant officer in attendance at the Meeting;
- (c) Determine the order in which speakers can be heard;
- (d) Ensure that due and sufficient opportunity is given to Members who wish to speak to express their views on any subject under discussion;
- (e) If requested by any Member ask the mover of a motion, or an amendment, to state its terms;
- (f) Maintain order and at his/her discretion, order the exclusion of any Member of the public who is deemed to have caused disorder or misbehaved;
- (g) The decision of the Chair on all matters within his/her jurisdiction shall be final;
- (h) Deference shall at all times be paid to the authority of the Chair. When he/she rises to speak, the Chair shall be heard without interruption and
- (i) Members shall address the Chair while speaking.

4. Meetings

- 4.1 The Integration Joint Board shall meet at such place and such frequency as may be agreed by the Integration Joint Board and no less than four times per year.

- 4.2 The Chair may convene Special Meetings if it appears to him/her that there are items of urgent business to be considered. Such Meetings will be held at a time, date and venue as determined by the Chair. If the Office of Chair is vacant, or if the Chair is unable to act for any reason the Vice-Chair may at any time call such a Meeting.
- 4.3 If the Chair refuses to call a Meeting of the Integration Joint Board after a requisition for that purpose specifying the business proposed to be transacted, signed by at least one third of the whole number of voting Members, has been presented to the Chair or if, without so refusing, the Chair does not call a Meeting within seven days after such requisition has been presented, those Members who presented the requisition may forthwith call a Meeting provided no business shall be transacted at the Meeting other than specified in the requisition.

5. Notice of Meeting

- 5.1 Before every Meeting of the Integration Joint Board a Notice of the Meeting, specifying the time, place and business to be transacted at it shall be delivered to every Member or sent by post to the usual place of residence of such Members or delivered by electronic means so as to be available to them at least seven clear days before the Meeting. Members may opt in writing addressed to the Chief Officer to have Notice of Meetings delivered to an alternative address. Such Notice will remain valid until rescinded in writing. Lack of service of the Notice on any Member shall not affect the validity of a Meeting.
- 5.2 In the case of a Meeting of the Integration Joint Board called by Members in default of the Chair, the Notice shall be signed by those Members who requisitioned the Meeting. The meeting will consider the business specified in the notice. Such meeting shall be held within fourteen days of receipt of the notice by the Chief Officer.
- 5.3 At all Ordinary or Special Meetings of the Integration Joint Board, no business other than that on the Agenda shall be discussed or adopted except where by reason of special circumstances, which shall be specified in the Minutes, the Chair is of the opinion that the item should be considered at the Meeting as a matter of urgency.
- 5.4 The Board Secretary shall be responsible for giving public notice of the time and place of each Meeting of the Integration Joint Board by posting within the main offices of the Integration Joint Board not less than three clear days before the date of each Meeting.

6. Quorum

- 6.1 No business shall be transacted at a Meeting of the Integration Joint Board unless there are present, and entitled to vote both Council and NHS Board members. Three Elected Members from Scottish Borders Council and three Non Executive members from NHS Borders shall constitute a Quorum.

7. Codes of Conduct and Conflicts of Interest

- 7.1 Members of the Integration Joint Board shall subscribe to and comply with both the Standards in Public Life - Code of Conduct for Members of Devolved Public Bodies and Councillors Code of Conduct and Guidance made in respect thereto which are incorporated into the Standing Orders. All members who are not already bound by the terms of either Code shall be obliged before taking up membership, to agree in writing to be bound by the terms of the Code of Conduct for Members of Devolved Public Bodies.

- 7.2 If any Member has a financial or non-financial interest as defined in the Councillors' Code of Conduct or the Code of Conduct of Members of Devolved Public Bodies and is present at any Meeting at which the matter is to be considered, he/she must as soon as practical, after the Meeting starts, disclose that he/she has an interest and the nature of that interest and if he/she is precluded from taking part in consideration of that matter.
- 7.3 If a Member or any business associate, relative or friend of theirs has any pecuniary or any other interest direct or indirect, in any Contract or proposed Contract or other matter and that Member is present at a Meeting of the Integration Joint Board, that Member shall disclose the fact and the nature of the relevant interest and shall not be entitled to vote on any question with respect to it. A Member shall not be treated as having any interest in any Contract or matter if it cannot reasonably be regarded as likely to significantly affect or influence the voting by that Member on any question with respect to that Contract or matter.
- 7.4 A Member who has an interest in service delivery may participate in the business of the Integration Joint Board, except where they have a direct and significant interest in a matter, unless the Integration Joint Board formally decides and records in the Minutes of the Meeting that the public interest is best served by the Member remaining in the Meeting and contributing to the discussion. During the taking of a decision by the Integration Joint Board on such matter, the Member concerned shall absent him/herself from the Meeting.

8. Adjournment of Meetings

- 8.1 A Meeting of the Integration Joint Board may be adjourned by a motion, which shall be moved and seconded and put to the Meeting without discussion. If such a motion is carried by a simple majority of those present and entitled to vote, the Meeting shall be adjourned to another day, time and place specified in the motion.

9. Disclosure of Information

- 9.1 No Member or Officer shall disclose to any person any information which falls into the following categories:-
- Confidential information within the meaning of Section 50(a)(2) of the Local Government (Scotland) Act 1973.
 - The full or any part of any document marked not for publication by virtue of the appropriate paragraph of Part 1 of Schedule 7A of the Local Government (Scotland) Act 1973.
 - Any information regarding proceedings of the Integration Joint Board from which the Public have been excluded unless or until disclosure has been authorised by the Council or the NHS Board or the information has been made available to the Press or to the Public under the terms of the relevant legislation.
- 9.2 Without prejudice to the foregoing no Member shall use or disclose to any person any confidential and/or exempt information coming to his/her knowledge by virtue of his/her office as a Member where such disclosure would be to the advantage of the Member or of anyone known to him/her or which would be to the disadvantage of the Integration Joint Board, the Council or the NHS Board.

10. Recording of Proceedings

- 10.1 No sound, film, video tape, digital or photographic recording of the proceedings of any Meeting shall be made without the prior approval of the Integration Joint Board.

11. Admission of Press and Public

- 11.1 Members of the public and representatives of the Press will be admitted to every formal meeting of the Board but will not be permitted to take part in discussion (Public Bodies (Admission to Meetings) Act 1960; Local Government (Scotland) Act 1973)
- 11.2 The Board may exclude the public and press while considering any matter that is confidential. (Local Government (Scotland) Act 1973, Schedule 7; Freedom of Information (Scotland) Act 2002 (the Act) and Environmental Information (Scotland) Regulations 2004 (the Regulations)
- 11.3 The terms of any resolution specifying the part of the proceedings to which it relates and the categories of exempt information involved shall be specified in the minutes.
- 11.4 Members of the public and representatives of the press admitted to meetings shall not be permitted to make use of photographic or recording apparatus of any kind unless agreed by the Board. (Local Government (Scotland) Act 1973; Public Bodies (Admission to Meetings) Act 1960)
- 11.5 Members of the public and press should leave when the meeting moves into reserved business. It is at the discretion of the Chair of that meeting if officers can remain.
- 11.6 Subject to the extent of the accommodation available and subject to the terms of Sections 50A and 50E of the Local Government (Scotland) Act 1973, and Public Bodies (Admission to Meetings) Act 1960 meetings of the Integration Joint Board shall be open to the public.
- 11.7 Every Meeting of the Integration Joint Board shall be open to the public but these provisions shall be without prejudice to the Integration Joint Board's powers of exclusion in order to suppress or prevent disorderly conduct or other misbehaviour at a Meeting. The Integration Joint Board may exclude or eject from a Meeting a member or members of the Press and Public whose presence or conduct is impeding the work or proceedings of the Integration Joint Board.

12. Reception of deputations

- 12.1 Every application for the receiving of a deputation must be in writing, duly signed and delivered or e-mailed to the Board Secretary at least seven clear working days prior to the date of the meeting at which the deputation wish to be

received. The application must state the subject and the action which it proposes the Integration Joint Board should take.

12.2 The deputation shall consist of not more than ten people.

12.3 No more than two members of any deputation shall be permitted to address the meeting, and they may speak in total for no more than ten minutes.

12.4 Any member of the Integration Joint Board may put any relevant question to the deputation, but shall not express any opinion on the subject matter until all questions have been asked. If the subject matter relates to an item of business on the agenda, no debate or discussion shall take place until the relevant minute or other item is considered in the order of business.

12.5 The Integration Joint Board may make the following decisions regarding any deputation:

- (i) refer the petition to another organisation or Officer of another organisation, with or without a recommendation or comment. That Organisation or Officer shall then make the final decision which could include taking no further action;
- (ii) that the issue(s) raised do not merit or do not require further action.

13. Receipt of petitions

13.1 Every petition shall be delivered to the Board Secretary at least seven clear working days before the meeting at which the subject matter may be considered. The Chair will be advised and will decide whether the contents of the petition should be discussed at the meeting or not.

13.2 The Board may make the following decisions regarding any petition:

- (i) refer the petition to another organisation or Officer of another organisation, with or without a recommendation or comment. That Organisation or Officer shall then make the final decision which could include taking no further action;
- (ii) that the issue(s) raised do not merit or do not require further action.

14. Alteration, Deletion and Rescission of Decisions of the Integration Joint Board

14.1 Except insofar as required by reason of illegality, no motion to alter, delete or rescind a decision of the Integration Joint Board will be competent within six months from the decision, unless a decision is made prior to consideration of the matter to suspend this Standing Order.

15. Suspension, Deletion or Amendment of Standing Orders

15.1 Any one or more of the Standing Orders in the case of emergency as determined by the Chair upon motion may be suspended, amended or deleted at any Meeting so far as regards any business at such Meeting provided that

two thirds of the voting Members of the Integration Joint Board present and voting shall so decide. Any motion to suspend Standing Orders shall state the number or terms of the Standing Order(s) to be suspended.

16. Order of business

16.1 For ordinary meetings of the Board or its Committees, the business shown on the agenda shall normally proceed in the following order:

- Business determined by the Chair to be a matter of urgency by reason of special circumstances
- Reception of deputations, followed by consideration of any items of business on which the deputations have been heard
- Petitions
- Minutes of the previous meeting for approval
- Minutes of Sub-Committees
- General Business
- Questions and motions of which due notice has been given

16.2 No item of business shall be transacted at a meeting, unless either:

- It has been included on the agenda for the meeting; or
- It has been determined by the Chair to be a matter of urgency by reason of special circumstances

17. Motions, Amendment and Debate

17.1 It will be competent for any voting Member of the Integration Joint Board at a Meeting of the Integration Joint Board to move a motion directly arising out of the business before the Meeting.

17.2 No Member, with the exception of the mover of the motion or amendment, will speak supporting the motion or amendment until the same will have been seconded.

17.3 Subject to the right of the mover of a motion, and the mover of an amendment, to reply, no Member will speak more than once on the same question at any Meeting of the Integration Joint Board except:-

- On a question of Order
- With the permission of the Chair
- In explanation or to clear up a misunderstanding in some material part of his/her speech.

In all of the above cases no new matter will be introduced.

17.4 The mover of an amendment and thereafter the mover of the original motion will have the right of reply for a period of not more than 5 minutes. He/she will introduce no new matter and once a reply is commenced, no other Member will speak on the subject of debate. Once these movers have replied, the

discussion will be held closed and the Chair will call for the vote to be taken.

- 17.5 Amendments must be relevant to the motions to which they relate and no Member will be at liberty to move or second more than one amendment to any motion, unless the mover of an amendment has failed to have it seconded. The mover and seconder of the motion will not move an amendment or second an amendment, unless the mover of the motion has failed to have it seconded.
- 17.6 It will be competent for any Member who has not already spoken in a debate to move the closure of such debate. On such motion being seconded, the vote will be taken, and if a majority of the Members present vote for the motion, the debate will be closed. However, closure is subject to the right of the mover of the motion and of the amendment(s) to reply. Thereafter, a vote will be taken immediately on the subject of the debate.
- 17.7 Any Member may indicate his/her desire to ask a question or offer information immediately after a speech by another Member and it will be the option of the Member to whom the question would be directed or information offered to decline or accept the question or offer of information.
- 17.8 When a motion is under debate, no other motion or amendment will be moved except in the following circumstances:
- to adjourn the debate; or
 - to close the debate.
- 17.9 A motion or amendment once moved and seconded cannot be altered or withdrawn unless with the consent of the majority of those present.

18. Voting

- 18.1 Every effort shall be made by Members to ensure that as many decisions as possible are made by consensus.
- 18.2 Only the five Members nominated by the NHS Board, and the five Members appointed by the Council shall be entitled to vote. Those Members drawn from health and social care professionals, staff, the third sector, users, the public and carers shall not be entitled to vote.
- 18.3 Every question at a Meeting shall be determined by a majority of votes of the Members present and who are entitled to vote on the question. In the case of an equality of votes the Chair shall not have a second or casting vote. In the event of an equality of votes, the matter shall be referred to the NHS Borders Board and to Scottish Borders Council for final decision.

19. Minutes, agendas and papers

- 19.1 The Board Secretary is responsible for ensuring that Minutes of the proceedings of a meeting of the Integration Joint Board or its Committees, including any decision or resolution made at that meeting, shall be drawn up. The minutes

shall be submitted to the next meeting of the Integration Joint Board, or relevant Committee, for approval by members as a record of the meeting subject to any amendments proposed by members and shall be signed by the person presiding at that meeting. A Minute purporting to be so signed shall be received in evidence without further proof.

19.2 The names of members present at a meeting of the Integration Joint Board or of a Sub-Committee of the Board shall be recorded in the Minute, together with the apologies for absence from any member.

19.3 Minutes of Meetings shall be submitted by the Chief Officer or an officer so designated by him/her to the Council and the NHS Board for noting.

19.4 The Freedom of Information (Scotland) Act 2002 gives the public a general right of access to all recorded information held. Therefore, when minutes of meetings are created, it should be assumed that what is recorded will be made available to the public. This does not apply to Minutes of a private section of any meeting.

19.5 The Minute of a meeting being held where authority or approval is being given by the Integration Joint Board and the Minutes are intended to act as a record of the business of the meeting, then the Minute should contain:

- A summary of the Integration Joint Board's discussions
- A clear and unambiguous statement of all decisions taken
- If no decision is taken, a clear and unambiguous statement of where the matter is being referred or why the decision has been deferred
- Where options are presented, a summary of why options were either accepted or rejected
- Reference to any supporting documents relied upon
- Any other relevant points which influenced the decision or recommendation
- Any recommendations which require approval by a higher authority

19.6 The contents of a Minute will depend upon the purpose of the meeting. If the meeting agrees actions they will be recorded in an Action Tracker:

- A description of the task, including any phases and reporting requirements
- The person accepting responsibility to undertake the task
- The time limits associated with the task, its phases and agreed reporting

19.7 The agendas and papers for all Integration Joint Board, Committee and Sub-Committee meetings shall be circulated to members by post or electronic means at least seven days before any given meeting.

19.8 The draft minutes and action trackers from all Integration Joint Board, Committee and Sub-Committee meetings shall be issued as soon as possible following a meeting, ideally within five working days.

20. Freedom of Information (Scotland) Act 2002

20.1 The Freedom of Information (Scotland) Act 2002 (FOI(S)A) was introduced by the Scottish Parliament to ensure that people have the right to access information held by Scottish public authorities. The Act states that any person can receive information that they request from a public authority, subject to certain exemptions such as protection of personal data and commercial interests, or national security. It came into force on 1 January 2005 and is retrospective.

Under FOI(S)A NHS Borders and Scottish Borders Council are required to:

- Provide applicants with help and assistance in finding the information they require within a given timescale
- Maintain a publication scheme of information to be routinely published
- Put in processes for responding to enquiries and undertaking appeals against decisions to withhold information

20.2 Information as defined under FOI(S)A includes copies or extracts, including drafts, of any documents such as:

- reports and planning documents
- committee minutes and notes
- correspondence including e-mails
- statistical information

20.3 The FOI(S)A provides a range of exemptions which may be applied allowing the public authority to withhold information. Exemptions must be considered on a case by case basis and may be applied to all or only part of the information requested.

- All documents will be scrutinised for information which may be withheld under an exemption to the Act prior to release.
- Full details of the FOI(S)A exemptions and how to apply them can be found in the Freedom of Information (Scotland) Act 2002.
- Briefings on how to apply exemptions can be found on the Scottish Information Commissioners website <http://www.itspublicknowledge.info/ScottishPublicAuthorities/ScottishPublicAuthorities.asp>.

21. Records management

21.1 Under the Freedom of Information (Scotland) Act 2002, NHS Borders and Scottish Borders Council must have comprehensive records management systems and process in place which must give clear guidance on time limits for the retention of records and documents.

22. Reserved Business

22.1 A Private meeting of the Integration Joint Board may be called at any time by

the Chair, or one third of the Members. Generally a minimum notice period of three days should be observed. However, in exceptional circumstances and provided the majority of Integration Joint Board members are present and given the opportunity to attend, appropriate matters pertaining to a Private session may be conducted at the conclusion of an Integration Joint Board meeting. To allow for appropriate notice periods to be observed the wording “At the conclusion of the Board meeting, the board will reconvene for any matters of reserved business.” should be clearly stated at the bottom of each Integration Joint Board meeting agenda.

23. Suspension and Disqualification

- 23.1 Any Member of the Integration Joint Board may on reasonable cause shown be suspended from the Integration Joint Board or disqualified from taking part in any business of the Integration Joint Board in circumstances specified for NHS Board appointed nominees by the NHS Board, and for Council appointed nominees by the Council.

24. Working Groups

- 24.1 The Integration Joint Board may establish any Sub-Committee or Working Group as may be required from time to time but each Working Group shall have a limited time span as may be determined by the Integration Joint Board.
- 24.2 The Membership, Chair and quorum of any Sub-Committee or Working Groups will be determined by the Integration Joint Board.
- 24.3 The Terms of Reference of the Sub-Committee or Working Group will be determined by the Integration Joint Board.
- 24.4 A Sub-Committee or Working Group does not have any delegated powers to implement its findings and will prepare a Report for consideration by the Integration Joint Board.
- 24.5 Agendas for consideration at a Sub-Committee or Working Group will be issued by electronic means to all Members no later than seven working days prior to the start of the Meeting.

Preface

The Public Bodies (Joint Working)(Scotland) Act 2014 requires Health Boards and Local Authorities to integrate planning for, and delivery of, certain adult health and social care services. They can also choose to integrate planning and delivery of other services – additional adult health and social care services beyond the minimum prescribed, and children’s health and social care services:

The Act requires that the Local Authority and the Health Board jointly prepare, consult and then agree an Integration Scheme for the Local Authority Area, prior to them submitting it to Scottish Ministers for final approval. The Act states that the purpose of an integration scheme is to set out:

- which integration model is to apply; and
- the functions that are to be delegated in accordance with that model.

The Act also requires that the Health Board and the Local Authority undertake a joint consultation as part of the preparation of their integration scheme. This Integration Scheme describes how the new Act will be applied within the Scottish Borders.

Individuals and communities in the Scottish Borders have benefited from the integration of designated Health and Social Care services already. This Integration Scheme has been informed by considerable local experience of developing and delivering integration in practice; and also benefitted from a considerable amount of on-going dialogue and positive interaction with a range of stakeholders over recent years. The Health Board and the Local Authority are committed to continuing that constructive engagement.

The legislation supporting Health and Social Care Integration, through the Integration Joint Board, offers the opportunity for Councillors, Health Board Non-Executive Directors, the Third Sector and Independent Sector to work together to plan for a future health and care service able to meet the demands of the future. The Integration Joint Board will plan and commission services to ensure we meet our national and local outcomes all based on providing a more person centred approach with a focus on supporting individuals, families and communities.

In line with the legislation, the Integration Joint Board will not only plan but also oversee the delivery of the integrated services for which it has responsibility. In line with its Strategic Commissioning Plan, the Integration Joint Board will require that the Local Authority and Health Board provide services to match what is required and it will oversee performance and targets to ensure that delivery is in line with the outcomes.

Introduction

The Public Bodies (Joint Working) (Scotland) Act 2014 (the Act) requires Health Boards and Local Authorities to integrate planning for, and delivery of, certain adult health and social care services. They can also choose to integrate planning and delivery of other services – additional adult health and social care services beyond the minimum prescribed by Ministers, and children’s health and social care services.

The Act requires them to prepare jointly an Integration Scheme setting out how this joint working is to be achieved. There is a choice of ways in which they may do this: the Health Board and Local Authority can either delegate between each other, or can both delegate to a third body called the Integration Joint Board. Delegation between the Health Board and Local Authority is commonly referred to as a “lead agency” arrangement. Delegation to an Integration Joint Board is commonly referred to as a “body corporate” arrangement.

This document uses the model Integration Scheme where the “body corporate” arrangement is used and sets out the detail as to how the Health Board and Local Authority will integrate services. Section 7 of the Act requires the Health Board and Local Authority to submit jointly an Integration scheme for approval by Scottish Ministers.

Once the scheme has been approved by the Scottish Ministers, the Integration Joint Board (which has distinct legal personality) will be established by Order of the Scottish Ministers.

The Act requires that an Integration Scheme, once approved, must be re-submitted and follow the consultation process set out in the regulations if it is to be amended. Changes to documents referred to within the Integration Scheme (eg Workforce Plan) do not require the Integration Scheme to go through this process – only changes to the Integration Scheme itself.

As a separate legal entity the Integration Joint Board has full autonomy and capacity to act on its own behalf and can, accordingly, make decisions about the exercise of its functions and responsibilities as it sees fit. However, the legislation that underpins the Integration Joint Board requires that its voting members are appointed by the Health Board and the Local Authority, and consists of Councillors and NHS Non-Executive Directors. Whilst serving on the Integration Joint Board its members will carry out their functions under the Act on behalf of the Integration Joint Board itself, and not as delegates of their respective Health Board or Local Authority.

The Integration Joint Board is responsible for the strategic planning of the functions delegated to it and for ensuring oversight of the delivery of its functions set out within the Integration Scheme in Section 4. This scheme covers the health and wellbeing of all adults including older people and universal children’s health services in accordance with Section 29 of the Act. Further, the Act gives the Health Board and the Local Authority, acting jointly, the ability to require that the Integration Joint Board replaces their Strategic Commissioning Plan in certain circumstances. In these ways, the Health Board and the Local Authority together have significant influence over the Integration Joint Board, and they are jointly accountable for its actions.

Vision, Aims and Outcomes of the Integration Scheme

Scottish Borders Council and Borders Health Board will build on a history of partnership working. By maximising the opportunities presented through legislation we aim to achieve the highest outcomes for the people of the Scottish Borders. By creating our new integrated arrangements across health and social care we will enhance, strengthen and develop the formerly separate services for the provision of adult health and social care. By integrating service delivery and fulfilling the expectations of our Strategic Commissioning Plan we seek to enhance and promote the health and wellbeing of the people of the Scottish Borders.

Working with the Third and Independent Sector, we will provide a unified approach across the public sector with a common sense of purpose. We will engage with service users, carers, staff and members of the public to empower individuals and communities to be a driving force for how the services will be shaped and developed. In turn, we will deliver the best possible services that will be safe, of the highest quality, person centred, efficient and fair.

The main purpose of integration is to improve the wellbeing of people who use health and social care services, particularly those whose needs are complex and involve support from health and social care at the same time. The Integration Joint Board will set out within its Strategic Commissioning Plan how it will deliver the National Health and Wellbeing Outcomes prescribed by the Scottish Ministers in Regulations under Section 5(1) of the Act namely:

- People are able to look after and improve their own health and wellbeing and live in good health for longer.
- People, including those with disabilities or long term conditions or who are frail are able to live, as far as reasonably practicable, independently and at home or in a homely setting in their community.
- People who use health and social care services have positive experiences of those services, and have their dignity respected.
- Health and social care services are centred on helping to maintain or improve the quality of life of people who use those services.
- Health and social care services contribute to reducing health inequalities.
- People who provide unpaid care are supported to look after their own health and wellbeing, including to reduce any negative impact of their caring role on their own health and wellbeing.
- People using health and social care services are safe from harm.
- People who work in health and social care services feel engaged with the work they do and are supported to continuously improve the information, support, care and treatment they provide.
- Resources are used effectively and efficiently in the provision of health and social care services.

INTEGRATION SCHEME

The parties:

Scottish Borders Council, established under the Local Government (Scotland) Act 1994 and having its principal offices at Newtown St Boswells, Melrose, Roxburghshire, TD6 0SA (“the Council”);

and

Borders Health Board, established under section 2(1) of the National Health Service (Scotland) Act 1978 (operating as “NHS Borders”) and having its principal offices at Borders General Hospital, Melrose, Roxburghshire, TD6 9BS (“NHS Borders”) (together referred to as “the Parties”)

1. Definitions and Interpretation

1.1 In this Integration Scheme, the following terms shall have the following meanings:-

- “The Act” means the Public Bodies (Joint Working) (Scotland) Act 2014;
- “Integration Joint Board” means the Integration Joint Board to be established by Order under section 9 of the Act;
- “Outcomes” means the National Health and Wellbeing Outcomes prescribed by the Scottish Ministers in Regulations under section 5(1) of the Act
- “The Integration Scheme Regulations” means the Public Bodies (Joint Working) (Integration Scheme) (Scotland) Regulations 2014
- “Integration Joint Board Order” means the Public Bodies (Joint Working) (Proceedings, Membership and General Powers of Integration Joint Boards) (Scotland) Order 2014
- “Scheme” means this Integration Scheme;
- “Strategic Commissioning Plan” means the plan which the Integration Joint Board is required to prepare and implement in relation to the delegated provision of health and social care services to adults and universal children’s health services in accordance with section 29 of the Act.
- “Universal children’s health services” refers to the functions exercisable in relation to the health care services set out in paragraphs 11-15 of Appendix 2, Part 2, Section 3, which are delegated in relation to persons of any age.
- “Payment” means the term used in legislation to describe the integrated budget contribution to the Integration Joint Board. This payment does not require a cash transaction to be made. The term is also used to describe the non cash transaction the Integration Joint Board makes to the Health Board and Local Authority for carrying out the directed functions.

1.2 In implementation of their obligations under the Act, the Parties hereby agree as follows:

- In accordance with section 1(2) of the Act, the Parties have agreed that the integration model set out in sections 1(4)(a) of the Act will be put in place for Scottish Borders, namely the delegation of functions by the Parties to a body corporate that is to be established by Order under section 9 of the Act. This Scheme comes into effect on the date the Parliamentary Order to establish the Integration Joint Board comes into force.

2. Local Governance Arrangements

- 2.1 Part of the remit of the Integration Joint Board is to prepare and implement a Strategic Commissioning Plan in relation to the provision of such health and social care services to people in their area in accordance with the requirements of the Act.
- 2.2 The regulations of the Integration Joint Board's procedure, business and meetings form the Standing Orders which may be considered at the first meeting of the Integration Joint Board.
- 2.3 Borders Health Board, Scottish Borders Council and the Integration Joint Board are all responsible for the achievement of the outcomes. (Appendix 1). The Integration Joint Board has oversight of the functions delegated to it and of the performance of the services related to those functions. The Chief Officer is responsible for reporting to the Integration Joint Board on performance of those services in the context of a performance framework agreed by the Integration Joint Board via the Chief Officer.
- 2.4 The Chief Officer will prepare an annual report on performance on delivery of the Strategic Commissioning Plan to the Integration Joint Board and share it with Borders Health Board and Scottish Borders Council.
- 2.5 The Integration Joint Board will have a distinct legal personality and the autonomy to manage itself. There is no role for Scottish Borders Council or Borders Health Board to, acting separately, sanction or veto decisions of the Integration Joint Board. In the event of a dispute arising between Borders Health Board and Scottish Borders Council the dispute resolution mechanism will be followed as set out at Section 14.
- 2.6 The Integration Joint Board may create such Committees that it requires to assist it with the planning and oversight of delivery of services which are within its scope. This is provided for in legislation. The Integration Joint Board may establish an Audit Committee, to seek and secure assurance over effective governance.
- 2.7 As agreed by Borders Health Board and Scottish Borders Council, the Integration Joint Board shall comprise five NHS Non-Executive Directors appointed by Borders Health Board, and five Elected Councillors appointed by Scottish Borders Council. The Integration Joint Board will include non-voting members as prescribed by Regulation 3 of the Public Bodies (Joint Working) (Proceedings, Membership and General Powers of Integration Joint Boards) (Scotland) Order 2014.

- 2.8 The term of office of voting Members of the Integration Joint Board shall last as follows:
- (a) for Local Government Councillors, three years, thereafter Scottish Borders Council will identify its replacement Councillor(s) on the Integration Joint Board,
 - (b) for Borders Health Board nominees, three years, thereafter Borders Health Board will identify its replacement Non Executive(s) on the Integration Joint Board.
- 2.9 At the first meeting of the Integration Joint Board it will elect a Chairperson and Vice Chairperson from the voting membership of the Integration Joint Board. The Chair and Vice-Chair posts shall rotate annually between Borders Health Board and Scottish Borders Council, with the Chair being from one body and the Vice-Chair from the other. The first Chair of the Integration Joint Board will be from Scottish Borders Council.
- 2.10 The initial appointment of the Chair and Vice Chair will be for a period of 12 months.
- 2.11 The terms of office for the Chair and Vice Chair shall rotate on an annual basis.
- 2.12 All appointments, including the appointment of the Chair and Vice Chair, will be reviewed every 3 years. Members can be reappointed.
- 3. Delegation of Functions**
- 3.1 The functions that are to be delegated by Borders Health Board to the Integration Joint Board are set out in Part 1 of Appendix 2. The services to which these functions relate, which are currently provided by Borders Health Board and which are to be integrated, are set out in Part 2 of Appendix 2.
- 3.2 Each function listed in column A of Part 1 of Appendix 2 is delegated subject to the exceptions in column B and only to the extent that:
- (a) There are a number of functions delegated at Section 3 of Part 2 of Appendix 2 which are delegated in relation to persons of any age (universal children's health services)); and
 - (b) the function is exercisable in relation to care or treatment provided by health professionals for the purpose of health care services listed in Section 1 of Part 2 of Appendix 2; or
 - (c) The function is exercisable in relation the health and care services listed in Section 2 of Part 1 of Appendix 2.
- 3.3 The functions that are to be delegated by Scottish Borders Council to the Integration Joint Board are set out in Part 1 of Appendix 3. The services to which these functions relate, which are currently provided by Scottish Borders Council and which are to be integrated, are set out in Part 2 of Appendix 3.
- 3.4 Each function listed in column A of Part 1 of Appendix 3 is delegated subject to the exceptions in column B and only to the extent that it is exercisable in relation to persons of at least 18 years of age.

4. Local Operational Delivery Arrangements

- 4.1 The Integration Joint Board is responsible for the strategic planning and oversight of the delivery of the services related to the functions delegated to it. This will be carried out by the development of a Strategic Commissioning Plan as per section 29 of the Act. This plan will set out the arrangements for carrying out the integration functions and how these will contribute to achieving the nine National Health and Well-Being outcomes. As per Section 26 of the Act, the Integration Joint Board will give direction to Borders Health Board and Scottish Borders Council to carry out each function delegated to it. Assurance to the Integration Joint Board over the performance of services delivered by Borders Health Board and Scottish Borders Council will be provided by regular and frequent monitoring to the Integration Joint Board by the Chief Officer.
- 4.2 The Integration Joint Board will have provided to it, the necessary resources to undertake the functions delegated by Borders Health Board and Scottish Borders Council.
- 4.3 Borders Health Board and Scottish Borders Council Executives responsible for the delivery and management of any services within the scope of the Integration Joint Board, will report on performance on a regular basis to the Integration Joint Board through the Chief Officer.
- 4.4 The Integration Joint Board will:-
- a. Appoint its Chief Officer.
 - b. Appoint its Chief Financial Officer.
 - c. Convene a Strategic Planning Group specifically to enable the preparation of Strategic Commissioning Plans in accordance with section 32 of the Act; inform significant decisions outside the Strategic Commissioning Plan in accordance with section 36 of the Act; and review the effectiveness of the Strategic Commissioning Plan in accordance with section 37 of the Act, in line with the obligations to meet the engagement and consultation standards.
 - d. Prepare, approve and implement a Strategic Commissioning Plan for all of its delegated functions, in accordance with the Act; supported by an integrated workforce and organisational development plan.
 - e. Establish arrangements for locality planning in support of key outcomes for the agreed localities in the context of the Strategic Commissioning Plan.
 - f. Approve the Strategic Commissioning Plan as presented by the Chief Officer, before the integration start date in accordance with the Act.
 - g. Approve the allocation of resources to deliver the Strategic Commissioning Plan within the specific revenue budget as delegated by each Party (in accordance with the standing financial instructions/orders of

both Parties), and where necessary to make recommendations to either or both Parties.

- h. Prepare and publish an annual financial statement that sets out the amount that the Integration Joint Board intends to spend in implementation of the Strategic Commissioning Plan in accordance with the Act.
- i. Share an Annual Report with Borders Health Board and Scottish Borders Council.
- j. Have oversight of the performance of all the services referred to in 3.1, 3.2, 3.3 and 3.4 above, through the Chief Officer.

4.5 The Integration Joint Board may consider the following:

- a. Maintaining and routinely reviewing an integrated risk management strategy, including (where necessary) to make recommendations to either or both Parties.
- b. Establishing a standing Audit Committee to focus on financial audit and governance matters, including (where necessary) making recommendations to either or both Parties.
- c. Establishing a Joint Staff Forum to focus on applying the principles of staff governance across services in partnership with trade unions, and where necessary to make recommendations to either or both Parties without impacting or undermining the consultation and bargaining mechanisms for staff employed by Borders Health Board and Scottish Borders Council.

4.6 Targets and Performance Management

- 4.6.1 Borders Health Board and Scottish Borders Council will establish a Performance Management Framework which meets the obligations set out in legislation and will take account of targets, measures and objectives which are in force at any given time for integrated and non integrated functions. The Integration Joint Board will receive frequent and regular monitoring reports on the agreed performance framework in pursuit of the delivery of the Strategic Commissioning Plan, including all delegated and set-aside budgets.
- 4.6.2 Both parties will develop for the Integration Joint Board a Performance Management Framework with a list of all relevant targets, measures and arrangements which relate to the integration functions and for which responsibility is to transfer, in full or in part, to the Integration Joint Board. Scottish Borders Council and Borders Health Board have existing performance management processes and the Integration Performance Management Framework will align with those processes to avoid duplication and streamline reporting and will as far as possible, draw on existing data sets and reporting mechanisms.

- 4.6.3 In meeting the delivery requirements of the national health and wellbeing outcomes, consideration will need to be given to any additional resource requirements for collecting and reporting information that is not currently collected, both in operational and support terms.
- 4.6.4 The Integration Joint Board will receive regular reports for the delegated functions from Borders Health Board and Scottish Borders Council on the delivery of integrated services and issue directions in response to those reports to ensure improved performance.
- 4.6.5 The Chief Officer will provide regular Strategic Commissioning Plan Performance Reports to the Integration Joint Board for members to scrutinise performance and impact against planned outcomes and commissioning priorities. This will culminate in the production of an annual performance report to the Integration Joint Board. The Strategic Commissioning Plan Performance Report will also provide necessary information on the activity and resources that relate to the planned and actual use of services, including the consumption patterns of health and social care resources by locality. The information will provide the opportunity for the Integration Joint Board resources to be used flexibly, to provide services co-designed with local communities, for their benefit.
- 4.6.6 The national and local performance measures and targets as they relate to the delegated functions outlined in 3.1, 3.2, 3.3 and 3.4 will be delegated in relation to the oversight of operational delivery arrangements and in relation to the strategic planning outcomes and performance reporting. These performance measures and targets may be fully or partially delegated by both Parties to the Integration Joint Board. Responsibility for financial planning and management of integrated budgets is the responsibility of the Integration Joint Board which is accountable for the delivery of the Strategic Commissioning Plan and associated financial objectives.
- 4.6.7 The performance management framework will be in place by the end of March 2016.

4.7 Corporate Services Support

- 4.7.1 With regard to corporate services support, Scottish Borders Council and Borders Health Board will by the end of March 2016, have:-
- identified the corporate resources used to deliver the delegated functions;
 - agreed the corporate support services required to fully discharge Integration Joint Board duties under the Act.
- 4.7.2 These support services will include, but not be limited to:-
- Finance (including capital planning)
 - HR
 - ICT
 - Administrative Support
 - Committee Services
 - Internal Audit
 - Performance Management

- Risk
- Insurance

4.7.3 By end of March 2016, agreements specifying the associated support services will be in place. These agreements will be kept under review during the initial year and, thereafter, will be reviewed formally (and agreed by all parties) annually.

4.7.4 In regard to support for strategic planning there will be set out local arrangements for the preparation of the strategic commissioning plan with support from Borders Health Board and Scottish Borders Council, taking into account the relevant activity and financial data covering the services, facilities and resources that relate to the Strategic Commissioning Plan. Local arrangements will be reviewed formally on an annual basis taking account of any changes to the Strategic Commissioning Plan.

5. Clinical and Care Governance

5.1 Assurance to the Integration Joint Board and subsequently, Scottish Borders Council and Borders Health Board in respect of the key areas of governance will be achieved through explicit and effective lines of accountability. This accountability begins in the care setting within an agreed clinical and care governance framework established on the basis of existing key principles embedded in the governance and scrutiny arrangements for Borders Health Board and Scottish Borders Council.

5.2 The Clinical Directors at Borders Health Board level (Medical Director, Director of Nursing and Director of Public Health) share accountability for clinical governance of NHS services as a responsibility/function delegated from the Chief Executive of Borders Health Board.

5.3 These Directors continue to hold accountability for the actions of the Borders Health Board clinical staff who deliver care through health and social care integrated services. They attend the Borders Health Board Clinical Governance Committee which oversees the clinical governance arrangements of all services delivered by health care staff employed by Borders Health Board and which in turn will provide assurance to the Integration Joint Board.

5.4 As part of the integration arrangements the Chief Social Work Officer will provide oversight and advice to the Integration Joint Board on the quality of social work services delivered by social work staff through health and social care integrated services. The Chief Social Work Officer will continue to provide professional leadership for social work and be accountable for statutory decisions relating to Social Work. The Chief Social Work Officer is then held to account by Scottish Borders Council for such decisions and ensures that links are made across all Social Work services. The Chief Social Work Officer also advises Scottish Borders Council on the delivery of social work services through an annual report which will be made available to the Integration Joint Board for assurance purposes. Scottish Borders Council will in turn provide assurance to the Integration Joint Board via the Chief Social Work Officer.

5.5 The Integration Joint Board, and where required the Strategic Planning Group and Localities, will receive Clinical and Care Governance reports from the parties on matters relating to the delegated functions.

5.6 As part of the regular monitoring process the Integration Joint Board may, as required, also take advice from other appropriate professional forums and groups as outlined in Scottish Government guidance, including the Adult Protection Committee,

Child Protection Committee (for universal childrens health services), Area Clinical Forum and Area Drug and Therapeutics Committee.

- 5.7 The appropriate appointed Clinical Directors at Borders Health Board level (Medical Director, Director of Nursing and Director of Public Health) will support the Chief Officer and the Integration Joint Board in the manner they support Borders Health Board for the range of their responsibilities.
- 5.8 The Chief Social Work Officer will support the Chief Officer and the Integration Joint Board in the same manner they support Scottish Borders Council. Appropriate arrangements are in place for the Chief Social Work Officer to discharge their responsibility to health and social care staff who have a professional or corporate accountability to the Chief Social Work Officer.

6. Chief Officer

- 6.1 The Integration Joint Board shall appoint a Chief Officer in accordance with section 10 of the Act.
- 6.2 The Chief Officer will be accountable directly to the Integration Joint Board for the preparation, implementation and reporting on the Strategic Commissioning Plan, including overseeing the operational delivery of delegated services as set out in Appendices 2 and 3.
- 6.3 Where the Chief Officer does not have operational management responsibility for services included in integrated functions, the parties will ensure that appropriate communication and liaison is in place between the Chief Officer and the person/s with that operational management responsibility.
- 6.4 The Chief Officer will be a member of the Parties relevant senior management teams and be accountable to and managed by the Chief Executive's of both Parties.
- 6.5 The Chief Officer is seconded to the Integration Joint Board from the employing body.
- 6.6 Where there is to be a prolonged period where the Chief Officer is absent or otherwise unable to carry out their responsibilities, the Scottish Borders Council's Chief Executive and Borders Health Board's Chief Executive will jointly propose an appropriate interim arrangement for approval by the Integration Joint Board's Chair and Vice-Chair at the request of the Integration Joint Board.

7. Workforce

- 7.1 Borders Health Board and Scottish Borders Council will jointly develop and put in place for their employees delivering integrated services, by the end of March 2016, a Joint Organisational Development Plan (which will cover the learning and development of staff and the development of an effective collaborative culture) and an outline Workforce Plan (to support the implementation of the strategic commissioning plan).
- 7.2 Core HR services will continue to be provided by the appropriate corporate HR functions in Scottish Borders Council and Borders Health Board.
- 7.3 The corporate HR functions in Scottish Borders Council and Borders Health Board will provide the necessary resources to ensure the development and implementation of the joint organisational development plan and the outline workforce plan and will, where appropriate, consult with stakeholders.
- 7.4 Both the joint organisational development plan and the outline workforce plan will be refreshed periodically by the parties and the Integration Joint Board.
- 7.5 Borders Health Board and Scottish Borders Council professional/clinical supervisions arrangements for professional and clinical staff will continue until superseded by any jointly agreed arrangements.

8. Finance

- 8.1 The Integration Joint Board will seek assurance from Borders Health Board and Scottish Borders Council over the sufficiency of resources to carry out its delegated duties and adjust its performance accordingly, following which it will approve the initial amount delegated to it. This will continue in future years following negotiation with the other parties.
 - 8.2 The arrangements in relation to the determination of the amounts paid, or set aside, and their variation, to the Integration Joint Board by Borders Health Board and Scottish Borders Council are set out below at sections 8.3, 8.4.8.5 and 8.6:-
- 8.3 Payment in the first year to the Integration Joint Board for delegated functions**
- 8.3.1 The baseline payment will be established by reviewing recent past performance and existing plans for Borders Health Board and Scottish Borders Council for the functions to be delegated, adjusted for material items.
 - 8.3.2 Delegated baseline budgets will be subject to due diligence and comparison to recurring actual expenditure in the previous three years adjusted for any planned changes to ensure they are realistic. There will be an opportunity in the second year of operation to adjust baseline budgets to correct any inaccuracies.

8.4 Payment in subsequent years to the Integration Joint Board for delegated functions

8.4.1 In subsequent years the Chief Officer and the Integration Joint Board Chief Financial Officer will develop a case for the Integrated Budget based on the Strategic Commissioning Plan. The financial plan will be presented to Borders Health Board and Scottish Borders Council for consideration as part of the annual budget setting process. The case should be evidenced, with full transparency demonstrating the following assumptions:-

- Performance against outcomes
- Activity changes
- Cost inflation
- Price changes and the introduction of new drugs/technology
- Agreed service changes
- Legal requirements
- Transfers to/from the amounts made available by Borders Health Board for hospital services
- Adjustments to address equity of resource allocation

8.4.2 Borders Health Board and Scottish Borders Council should consider the following when reviewing the Strategic Commissioning Plan:

- The Local Government Financial Settlement
- The uplift applied to NHS Board funding from Scottish Government
- Efficiencies to be achieved

8.4.3 Whilst the Integration Joint Board will plan, agree and deliver the Strategic Commissioning Plan and related Financial Plan, this will follow a process of joint discussion and planning with the other parties.

8.5 Method for determining the amount set aside for hospital services

8.5.1 This should be determined by the hospital capacity that is expected to be used by the population of the Integration Joint Board area.

8.5.2 The capacity should be given a financial value using the data from the latest Integrated Resources Framework (IRF).

8.5.3 It will be the responsibility of the Council Section 95 Officer and the NHS Board Accountable Officer to comply with the agreed reporting timetable and to make available to the Integration Joint Board Chief Financial Officer the relevant financial information required for timely financial reporting to the Integration Joint Board. This will include such details as may be required to inform financial planning of revenue expenditure. The Integration Joint Board's Chief Financial Officer will manage the respective financial plan so as to deliver the agreed outcomes within the Joint Strategic Commissioning Plan viewed as a whole. Monitoring arrangements will include the impact of activity on set aside budgets.

8.6 In-year variations

- 8.6.1 Neither Borders Health Board nor Scottish Borders Council may reduce the payment in-year to the Integration Joint Board to meet exceptional unplanned costs within the constituent authorities, without the express consent of the Integration Joint Board and constituent authorities for any such change. Where appropriate supplementary resources are identified or received by Borders Health Board or Scottish Borders Council e.g. as a result of RSG redetermination, these will be passed on to the Integration Joint Board through increasing the level of budgets delegated to it.
- 8.6.2 The Chief Officer of the Integration Joint Board will deliver the agreed outcomes within the total agreed delegated resources. Where there is a forecast outturn overspend against an element of the operational budget the Chief Officer and the Chief Financial Officer of the Integration Joint Board must agree a recovery plan to balance the overspending budget with the relevant finance officer of the constituent authority. The recovery plan will need to be approved by the Integration Joint Board.
- 8.6.3 Should the recovery plan be unsuccessful the Integration Joint Board may request that the payment from Borders Health Board and Scottish Borders Council be adjusted, to take account of any revised assumptions. It will be the responsibility of the authority who originally delegated the budget to make the additional payment to cover the shortfall.
- 8.6.4 In the case of joint services any additional payment will be agreed pro rata in line with the original budget level.
- 8.6.5 The Integration Joint Board should make repayment in future years following the same methodology as the additional payment. If the shortfall is related to a recurring issue the Integration Joint Board should include the issue in the Strategic Commissioning Plan and financial plan for the following year.
- 8.6.6 Additional adjustments may be required, for example, when errors in the methodology used to determine the delegated budget are found. In these circumstances the payment for this element should be recalculated using the revised methodology.
- 8.6.7 Where there is a planned underspend in operational budgets arising from specific action by the Integration Joint Board it will be retained by the Integration Joint Board. This underspend may be used to fund additional capacity in-year or, with agreement with the partner organisations, carried forward to fund capacity in subsequent years. . The carry forward will be held in an ear-marked balance within Scottish Borders Council's general reserve. If an underspend arises from a material error in the assumptions made to determine the initial budget, the methodology of the payment may need to be recalculated using the revised assumptions.
- 8.6.8 Any unplanned underspend will be returned to Borders Health Board or Scottish Borders Council by the Integration Joint Board either in the proportion that individual pressures have been funded or based on which service the savings are related to.
- The Integration Joint Board will have financial accountability for the funding received as payments from Borders Health Board and Scottish Borders Council. This financial accountability will not apply to notional funding for Set Aside Budgets included within the Strategic Commissioning Plan.

- The Integration Joint Board will follow best practice guidelines for audit;
 - The Integration Joint Board and their Chief Financial Officer will receive financial management support from Borders Health Board and Scottish Borders Council who will:
 - Record all financial information in respect of the Integration Joint Board in an integrated database, and use this information as the basis for preparing regular, comprehensive reports to the Integration Joint Board.
 - Support the Chief Financial Officer of the Integration Joint Board to allow them to carry out their functions in preparation of the annual accounts, financial statement prepared under section 39 of the Act, the financial elements of the Strategic Commissioning Plan and other reports that may be required.
 - Ensure monthly financial monitoring reports relating to the performance of the Integration Joint Board against the delegated budget will be submitted to the Chief Officer within 15 working days of the month end for reporting to the Integration Joint Board.
 - Ensure regular reports will be prepared on the financial performance against the Strategic Commissioning Plan.
 - Provide a schedule of payments to the Integration Joint Board following approval of the Strategic Commissioning Plan and its related financial plan. It is intended that this will be a one-off payment made during April/May of each financial year. This payment may be subject to in-year adjustments.
 - In advance of each financial year a timetable of financial reporting will be submitted to the Integration Joint Board for approval.

8.7 Capital Assets:

- 8.7.1 The Integration Joint Board will not own any capital assets but will have use of such assets which will continue to be owned by Borders Health Board and Scottish Borders Council who will have access to sources of funding for capital expenditure. In line with guidance, the Integration Joint Board will not receive any capital allocations, grants or have the power to borrow to invest in capital expenditure.
- 8.7.2 The Chief Officer will consult with Borders Health Board and Scottish Borders Council to identify need for asset improvement owned by either party and where investment is identified, will submit a business case to the appropriate party which will be considered as part of each party's existing capital planning and asset management arrangements.

8.8 Year-end balances:

- 8.8.1 In line with guidance, a process for jointly agreeing, reporting and carrying forward any unused balances at the end of the financial year will operate.

9. Participation and Engagement

- 9.1 Section 6(2)(a) of the Public Bodies (Joint Working) (Scotland) Act 2014 requires Local Authorities and Health Boards to prepare an Integration Scheme. Before submitting the Integration Scheme to Scottish Ministers for approval, the Local Authority and Health Boards have consulted with:-
- Staff of the Local Authority likely to be affected by the Integration Scheme;
 - Staff of the Health Board likely to be affected by the Integration Scheme;
 - Health professionals;
 - Users of health care;
 - Carers of users of health care;
 - Commercial providers of health care;
 - Non-commercial providers of health care;
 - Social care professionals;
 - Users of social care;
 - Carers of users of social care;
 - Commercial providers of social care;
 - Non-commercial providers of social care;
 - Non-commercial providers of social housing; and
 - Third sector bodies carrying out activities related to health or social care.
- 9.2 Staff and practitioner events were held from October 2014 to January 2015. Engagement events took place in February 2015 in all 5 localities in Scottish Borders. The consultation over the Scheme of Integration was launched on 22 December 2014 (closing on 13 March 2015 – 12 week statutory consultation period) with a press release and emails to all identified stakeholders. The Draft Scheme of Integration was posted on both the Scottish Borders Council and Borders Health Board websites along with details of how people could respond or provide their comments and feedback. This included electronic forms and an email address as well as telephone and postal address.
- 9.3 Feedback from all of the above has been used to inform the final Scheme of Integration.
- 9.4 There are national standards for community engagement and participation which underpin how Scottish Borders Council and Borders Health Board operate. A framework has been developed to take into account these requirements, specifically Scottish Government Planning Advice note 2010 and CEL 4(2010) 'Informing, engaging and consulting people in developing health and community care services'
- 9.5 Communication and Engagement is vital to the success of integrated services and the reputation of all partners involved. The Parties will support the Integration Joint Board to develop a Communications and Engagement Plan that incorporates the continuing role of the Strategic Planning Group in the development, review and renewal of the Strategic Commissioning Plan. To do this, the Parties will provide appropriate resources and support to develop both a Communications Strategy and supporting

action plan. The Strategy will ensure that Communications and Engagement/co-production is effectively linked to the role of the Strategic Planning Group. The Strategy and first iteration of the Communication and Engagement Plan will be in place by April 2016.

10. Information-Sharing

- 10.1 The PAN Lothian and Borders General Information Sharing Protocol update was agreed by the Pan Lothian and Borders Data Sharing Partnership December 2014.
- 10.2 Scottish Borders Council, the Borders Health Board and the Integration Joint Board agree to be bound by the Information Sharing Protocol
- 10.3 This protocol describes the key principles the parties must adhere to for information to be shared lawfully, securely and confidentially. Other signatories will be added as appropriate.
- 10.4 Procedures for sharing information between Scottish Borders Council, Borders Health Board, and, where applicable, the Integration Joint Board will be drafted as Information Sharing Agreements and procedure documents, as required. This will be undertaken by a sub group (the Borders Data Sharing Partnership) on behalf of the PAN Lothian and Borders Data Sharing Partnership, and will detail the more granular purposes, requirements, procedures and agreements for the Integration Joint Board and their delegated function.
- 10.5 The national protocol on information sharing – Scottish Accord for the Sharing of Personal Information (SASPI) – will be adopted in due course.
- 10.6 **Information-Sharing and Confidentiality** All staff are bound by the data confidentiality policies of their employing organisations and the requirements of the Information Sharing Protocol that is in place.
- 10.7 **Information Sharing and data handling** With respect to person identifiable material, data and information will be held in both electronic and paper format and only be accessed by authorised personnel in order to provide the service user with the appropriate service within the partnership. It may be necessary to share information with external agencies and in that case consent will be sought from the service user if no statutory requirement to share information exists. In order to comply with the Data Protection Act 1998 all parties will always ensure that any personal data that is processed will be handled fairly, lawfully and with justification.
- 10.8 Scottish Borders Council and Borders Health Board will continue to be Data Controller for their respective records (electronic and manual), and will detail arrangements for control and access. The Integration Joint Board may require to be Data Controller for personal data where it is not held by either Scottish Borders Council or Borders Health Board.
- 10.9 Roles and responsibilities for Third party organisations will be detailed in contracts with respective commissioning bodies, and access to shared records agreed in advance.
- 10.10 Procedures will be based on a single point of governance model through the Data Sharing Partnership. This allows data and resources to be shared, with governance standards, and their implementation, the separate responsibility of each partner.

Shared datasets governance will be agreed by all contributing partners prior to access.

- 10.11 Following consultation, Information Sharing Protocols and procedure documents will be recommended for signature by the Chief Executives of Borders Health Board and Scottish Borders Council and the Integration Joint Board.
- 10.12 Once established, Agreements and Procedures will be reviewed every two years by the Borders Data Sharing Partnership, or more frequently if required.
- 10.13 The Borders Integration Joint Board Information Sharing Agreements and procedures will be agreed by end of March 2016.
- 10.14 The Public Records (Scotland) Act:** Both parties are scheduled Public Authorities under the Public Records (Scotland) Act and have a duty to create and have approved a records management plan. The Integration Joint Board will become a body under the duties of the Act and will comply with the requirements of the Act. Reference to information management procedures of the integrated service will be recorded in both plans, including information sharing and other record keeping arrangements and duties that pertain to services contracted out to third party service providers or external agencies will also be included.
- 10.15 Record keeping:** The parties will work towards common records and templates that are readily available for staff to use, in particular:
- Data sharing agreement template
 - Consent forms for data sharing
 - A data sharing log (this will be a public document)
 - Data sharing agreement Review form
- 10.16 Responsibility for the maintenance and distribution of joint service templates, logs and Borders Health Board and Scottish Borders Council records sits with the Chief Officer. File plans and records retention schedules for records created solely by the Integrated Services will be devised and approved by the Integration Joint Board.
- 10.17 Responsibility for records created, retained and disposed by each organisation remains with that organisation. Each party will maintain their existing records according to their own policies and disposal schedule.
- 10.18 Security:** The success of information sharing relies on a common understanding of security. The information sharing protocol refers to the expected standard but each party must maintain its own guidance to ensure it meets that standard and that controls to manage the following elements are included:-
- Safe storage of documents transported between work and site. Access to electronic and physical records. Use of laptops, memory sticks and other portable data devices when working off site (including at home);
 - Confidential destruction;
 - Security marking on electronic communications when applicable

- 10.19 **Access to information - Freedom of Information (FOI):** Both Borders Health Board and Scottish Borders Council will receive Freedom of Information requests and will manage these requests through their own existing processes. Both parties process involves a central FOI Co-ordinator for each organisation, a 10 day timescale for departments to respond to the FOI Co-ordinator and Service Director sign off prior to the response being returned to the requestor. The Co-ordinators of both organisations will work closely together and communicate regularly in relation to FOI.
- 10.20 Where an FOI relates to a joint service, the receiving organisation will forward the FOI to the relevant Service Manager who will provide the requested information on behalf of both organisations. The receiving organisation will undertake the progress monitoring, responsibility for redacting, quality checking and responding to the applicant. A list of services that are in scope for Integration and their Managers will be developed and shared between the two organisations. All FOI's that relate to integrated services will be signed off by the Chief Officer.
- 10.21 Should one organisation receive a request that also relates to the other, this request will be managed by the receiving organisation by partnership working of both organisations' FOI Co-ordinators.
- 10.22 Both organisations will use the same performance measures and report regularly to the Integration Joint Board and to the Office of the Scottish Information Commissioner (OSIC).
- 10.23 FOI requestors will be logged. Requests for review will be administered by the organisation who dealt with the request and will include review panel members from both organisations.
- 10.24 **Subject Access Requests:** The differing charging regimes in each organisation for Subject Access and Access to Medical Records requests prevents a joint approach being adopted for gathering of personal information. Therefore, each party will manage its requests following that organisation's procedures.
- 10.25 If a subject access request refers to the integrated service it may be necessary to send out two responses. The requestor should be informed at the outset that this will happen. There will be no change to the process for managing access to deceased persons records.
- 10.26 **Privacy and confidentiality:** Most of the information the integrated services will handle will be personal and confidential in nature. All staff with access to shared information will
1. receive regular training in handling personal data compliantly;
 2. have access to systems and records removed as soon as they leave the post that allows them to share information;
 3. be subject to appropriate level of vetting by HR. This particularly applies to existing staff that may not have been subject to checks in their current role but require it in their integrated services post.
- 10.27 **Information Governance:** The Information Governance reporting arrangements for each party are as follows:

1. Borders Health Board: The Information Governance Committee reports to the Borders Health Board's Audit Committee.
2. Scottish Borders Council: The Information Governance Group reports to the Corporate Management Team.

11. Complaints

11.1 The Parties agree that complaints in relation to the delegated functions as set out in Part 2 Appendix 2, and Part 2 Appendix 3, will be received, managed and responded to by the appropriate lead organisation and agree to the following arrangements in respect of this:-

- Complaints in relation to integrated services or Scottish Borders Council services can be made to Scottish Borders Council, Headquarters.
- Complaints in relation to integrated services or Borders Health Board services can be made to NHS Borders, Borders General Hospital.
- Each organisation will have a clearly defined description of what constitutes a complaint contained within their organisations complaints handling documentation.
- A framework has been developed that clearly shows the lead organisation for each integrated service and the contact details for those who will be responsible for progressing any complaints received. The lead organisation will take responsibility for the triage of the complaint, and liaise with the other organisation to develop a joint response where required.
- Where the complaint is multi-faceted and has a multi-agency dimension to it, the Chief Officer will designate one of the existing processes to take the lead for investigating and coordinating a response. The Chief Officer will have an overview of complaints related to integrated services and will provide a commitment to joint working, wherever necessary, between the parties when dealing with complaints about integrated services.
- If a complaint remains unresolved through the defined complaints-handling procedure, complainants will be informed of their right to go either to the Scottish Public Services Ombudsman for services provided by Borders Health Board, or to the Social Work Complaints Review Committee following which, if their complaint remains unresolved, they have the right to go to the Scottish Public Services Ombudsman for services provided by Scottish Borders Council.
- There will be three established processes for a complaint to follow depending on the lead organisation.
 1. Statutory Social Work.
 2. NHS.
 3. Independent Contractors – All Independent Contractors involved with the Integration Joint Board, will be required to have a Complaints Procedure in place. Where complaints are received that relate to a service provided by an Independent Contractor, the lead organisation will refer the complainant

to the Independent Contractor for resolution of their complaint. This may be done by either provision of contact details or by the lead organisation passing the complaint on, depending on the approach preferred by the complainant.

- The current process for gathering service user/patient/carer feedback within Borders Health Board and Scottish Borders Council, how it has been used for improvement, and how it is reported will continue.

12. Claims Handling, Liability & Indemnity

- 12.1 Borders Health Board will continue to follow their CNORIS programme for their services and Scottish Borders Council will continue with their current insurance processes. This will be applied to all integrated services.
- 12.2 Where there is a shared liability negotiations will take place as to the proportionality of each parties liability on a claim by claim basis.

13. Risk Management

- 13.1 The Corporate Risk functions in Borders Health Board and Scottish Borders Council will support the Chief Officer to develop a risk management strategy by the end of March 2016. In the context of the risk management strategy the initial list of risks to be reported will be outlined in the first formal meeting of the Integration Joint Board from 1 April 2016.
- 13.2 The risk management strategy will include: risk monitoring and risk management framework; the integrated management risk register; and the strategic risk register.
- 13.3 As part of the risk management strategy the Chief Officer will be responsible for drawing to the attention of the Integration Joint Board any new or escalating risks and associated mitigations to ensure appropriate oversight and action.
- 13.4 Business Continuity plans will be in place and tested on a regular basis for the integrated services.

14. Dispute resolution mechanism

- 14.1 Where either of the Parties fails to agree with the other on any issue related to this Scheme, then they will follow the process as set out below:
- (a) The Chief Executives of Borders Health Board and Scottish Borders Council, will meet to resolve the issue;
 - (b) If unresolved, the Borders Health Board, and Scottish Borders Council will each prepare a written note of their position on the issue and exchange it with the others;
 - (c) In the event that the issue remains unresolved, the Chief Executives (or their representatives) of Borders Health Board and Scottish Borders Council will proceed to mediation with a view to resolving the issue.
 - (d) A professional independent mediator will be appointed. The mediation process will commence within 28 calendar days of the agreement to proceed.

- (e) The Mediator shall have the same powers to require any Partner to produce any documents or information to him/her and the other Partner as an arbiter and each Partner shall in any event supply to him such information which it has and is material to the matter to be resolved and which it could be required to produce on discovery; and
- (f) The fees of the Mediator shall be borne by the Parties in such proportion as shall be determined by the Mediator having regard (amongst other things) to the conduct of the parties.

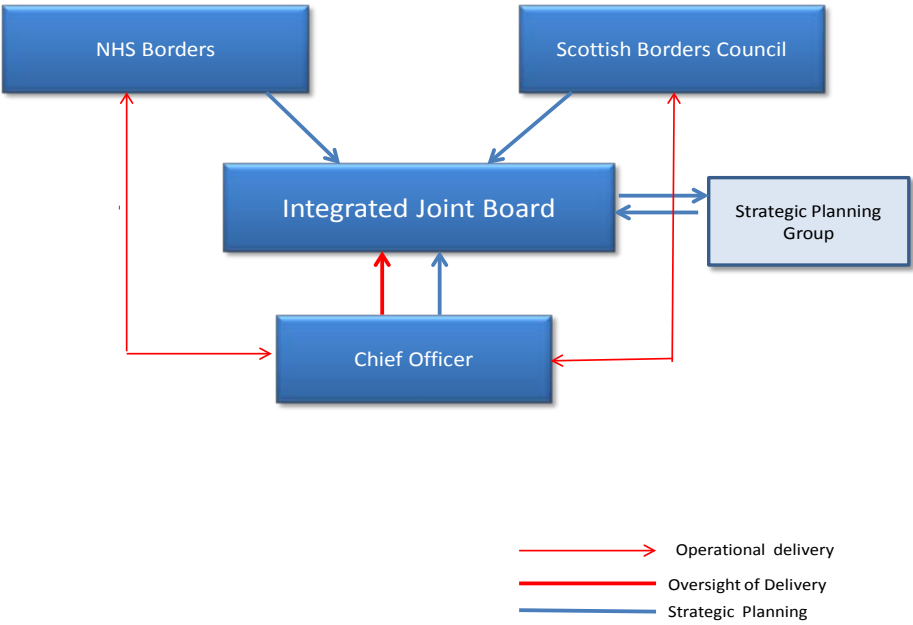

14.2 Where the issue remains unresolved after following the processes outlined above, the Parties agree the following process to notify Scottish Ministers that agreement cannot be reached.

14.3 The Chief Executives shall write to Scottish Ministers detailing the unresolved issue, the process followed and findings of the mediator and seek resolution from Scottish Ministers.

COUNTER FRAUD POLICY & ACTION PLAN

CONTENTS

- 1. Introduction**
- 2. Public Service Values**
- 3. The Board's Policy**
- 4. Roles and Responsibilities**
- 5. The Action Plan**
- 6. The Law and Its Remedies**
- 7. Guidance to Staff on Fraud**

1 Introduction

This Appendix to the Board/Counter Fraud Services Partnership Agreement is intended to provide the practical information required by the Board and its staff to counter fraud and other irregularities. It includes a section of guidance to staff that will form part of the induction training for all new staff and the fraud awareness presentations/information to current Board staff.

One of the basic principles of public sector organisations is the proper use of public funds. It is therefore important that all those who work in the public sector are aware of the risk of and means of enforcing the rules against theft, dishonesty, fraud and similar illegal acts, e.g. damage to Board property.

NHS Scotland's policy on countering fraud and other irregularities has been laid out in the Health Board Partnership Agreement. The NHS Scotland Counter Fraud Services (CFS) has been created specifically to assist all Boards in their efforts to reduce losses through fraud and corruption and this document sets out the Board's policy and action plan to achieve such a reduction. The Board recognises that every £ of fraud prevented or recovered means increased funding for patient care.

The Board has procedures in place that reduce the likelihood of fraud occurring. These include Standing Orders, Standing Financial Instructions (SFI), operational procedures and a system of internal control and risk assessment. In addition, the Board will work with CFS to promote a fraud awareness culture.

The Board has signed a Partnership Agreement with CFS, which outlines what must happen in the event of a fraud or other irregularity being discovered, and what the Board and CFS will do to actively counter the threat of fraud and corruption.

This document is intended to provide detailed direction and help to those officers and directors who find themselves dealing with cases of suspected theft, fraud and corruption. It sets out a response framework, which centres on immediate discussions and agreement with CFS in respect of how each case will be taken forward. On behalf of the Board, CFS will take forward any relevant case (see Appendix VI - List of Specified Offences) which has the potential for criminal prosecution and Board staff need to be aware of this, and of their responsibilities in the event that a criminal prosecution is not the chosen route.

This action plan is intended to be an integral part of the Board's overall counter fraud and corruption strategy.

2 Public Service Values

High standards of corporate and personal conduct, based on the recognition that patients come first, have been a requirement throughout the NHS since its inception. The Code of Conduct published by the Scottish Government Health Department (SEHD) in April 1994 set out the following public service values:

Accountability: Everything done by those who work in the organisation must be able to stand the tests of parliamentary scrutiny, public judgments on propriety, and professional codes of conduct.

Probity: Absolute honesty and integrity should be exercised in dealing with NHS patients, staff, assets, suppliers and customers.

Openness: The organisation's activities should be sufficiently public and transparent to promote confidence between the organisation and its patients, staff and the public.

All those who work for NHS Borders must act in accordance with these values.

3 The Board's Policy

The Board is committed to the NHS Scotland policy "Strategy to combat NHS Fraud in Scotland" and to the public service values outlined above.

The Board will maintain an honest and open culture and wishes to encourage anyone having suspicions of theft, dishonesty, corruption or fraud to report them without delay. It is also the Board's policy, which will be rigorously enforced, that all members of staff can be confident that they will not suffer in any way as a result of reporting suspicions held in good faith i.e., suspicions other than those that are raised maliciously.

NHS Borders will participate in the National Fraud Initiative (NFI) exercise, co-ordinated by Audit Scotland, on a bi-annual basis. The Board will advise all employees and contractors of, in line with the Code of data matching practice issued by Audit Scotland, data and information being made available to the exercise. The Board will analyse, as appropriate, any information provided by the exercise in order to detect and deter fraud from taking place within the organisation.

4 Roles and Responsibilities

As Accountable Officer, the Chief Executive has the responsibility for countering fraud in its broadest terms. To fulfil this responsibility, as well as the Board's own staff and directors, they have the resources of the CFS to call upon. The Chief Executive may delegate the day-to-day responsibility for the management of individual cases to the Board's Director of Finance and Director of Workforce and Planning.

The Partnership Agreement places a duty on the Fraud Liaison Officer to notify the CFS of all relevant cases. The Chief Executive, the Chair of the Audit Committee and the Chair of the Board will be informed in all cases.

The Fraud Liaison Officer will discuss each relevant case (see list of specified offences) with CFS and decide if there is a potential for criminal prosecution, or disciplinary and/or civil action. If the former, then CFS will undertake the investigation, on behalf of, and in co-operation with, the Board. This will not preclude the Board taking disciplinary and/or civil action, however that could only occur with agreement from CFS and the relevant procurator fiscal.

In cases where the Fraud Liaison Officer and CFS cannot agree on a course of action, the Accountable Officer shall make a decision based on the facts presented, but must be prepared to justify such a decision to the appointed auditor.

Where CFS is undertaking a case on behalf of the Board no further action shall be taken by the Director of Finance, the Fraud Liaison Officer, the Director of Workforce, or any other Board officer without consultation with CFS. This is necessary to maintain the integrity of the investigation.

Where it is agreed that the Board shall commence an internal enquiry with a view to disciplinary proceedings and/or civil recovery, if at any stage it becomes apparent that

an actionable criminal act may have taken place, the investigation must be halted and CFS consulted.

Regardless of whether the investigation is carried out with a view to criminal prosecution, or disciplinary/civil recovery, all staff are under a duty to refrain from taking any direct action with regard to the enquiry without first consulting the Director of Finance, Director of Workforce and Planning or the CFS Officer in Charge.

The Director of Workforce shall ensure that those involved in the investigation are advised in matters of employment law and in other procedural matters, such as disciplinary and complaints procedures, as required.

The Chief Executive has a duty to ensure that all Board staff and primary care contractors are aware of the implications of fraud for the NHS and of how they can work with the Board and the CFS to deter, detect and prevent it.

The CFS, in conjunction with Boards, must deliver such publicity campaigns, staff induction information and fraud awareness presentations, as to allow Boards to fulfil their obligations in countering fraud.

Finally, all staff have a duty to protect the assets of the Board. Assets include information, intellectual property and goodwill as well as cash and physical property.

LOCAL ARRANGEMENTS

The Board's Audit Committee agreed the delegation of remit of the countering fraud and other irregularities operational agenda to the NHS Borders Counter Fraud Operational Group (CFOG).

The Terms of Reference agreed by the Audit Committee for the CFOG are as below.

Aim

The NHS Borders Countering Fraud Operational Group's aim is to continue the NHS Borders proactive stance on Fraud and progress further work to meet the requirements of CEL 11 (2013) - Strategy to Combat Financial Crime in NHS Scotland.

Remit

The remit of the Operational Group is to support the delivery of the key measurable tasks included in CEL 11 as follows: -

Board Audit & Risk Committees.

The Board Audit & Risk Committees are required to take a more proactive stance on fraud. Committees are to ensure that all appropriate counter fraud measures are in place and that they have been made aware of all referrals submitted to CFS. The Committees should be able to demonstrate that any counter fraud, or sanction-based recommendations made by CFS as part of an investigation within the Board, are appropriately addressed and followed up by the relevant Board officers. A summary of the Committee's actions in relation to fraud are to be provided to CFS on a Quarterly basis and a synopsis provided as part of the Board's Annual Report.

Counter Fraud Checklist.

The Board, led by the Audit & Risk Committee, are required to carry out an annual gap analysis in respect of fraud. This should usually be completed at the beginning of

the financial year. To assist, a Counter Fraud Checklist is attached at Annex A to CEL 11. A copy of the completed Checklist is to be submitted to CFS and a synopsis of the gaps identified, together with mitigating actions will be included in the Board's Annual Report.

Fraud Risk Assessment.

All Health Boards must undertake a Fraud Risk Assessment (unless already completed), using the CFS Fraud Risk Assessment Methodology (FRAM) within 12-24 months of the publication of this CEL. The FRAM is designed to determine the top fraud risks in any organisation, based on the organisation's budget profile. Evidence of use of the Assessments will also be reported as part of the Board's Annual Report.

HR DVD.

The counter fraud awareness DVD, sponsored by HR Directors, has been available to Boards since 2010. The formal rollout of the DVD, including the requirement for it to be accompanied by a structured training session, has been sporadic. Boards are now required to ensure that the DVD is actively used for training and a summary of use, reported to CFS by March 2014 (unless already completed). Thereafter, sessions are to be run on a two-yearly cycle and evidence of use reported at the Board's Annual Report.

Counter Fraud eLearning Toolkit.

The Toolkit has been specifically designed to assist staff in understanding the impact of fraud. The Toolkit has been issued to Boards and now requires maximum publicity. Evidence of uptake by Boards will be produced on a Quarterly basis and also reported at the Board's Annual Report.

Counter Fraud Media.

CFS is able to provide Boards with simple media material that can be shown on Board media facilities – in particular, corporate plasma screens. The same material can also be shown in other sites, for example Primary Care Contractor premises. Boards are to report on the use of such media in Board-controlled premises and are to actively support CFS in other suitable premises. A Quarterly Return to CFS is required to substantiate the use of this media.

Membership

The membership of the Group shall be as follows

Counter Fraud Champion (CHAIR)

NSS Counter Fraud Services Board Lead

Director of Finance

Employee Director

Fraud Liaison Officer

Assistant General Manager, Primary & Community Services and Contracts

Head of Estates

Head of Procurement

Head of Human Resources

Director of Pharmacy

Delegated Authority

The group will progress an agreed Work Plan taking reference and advice from the Board Executive Team and the Audit Committee in terms of meeting the requirements of CEL 11.

Chair of the Operational Group

The Counter Fraud Champion (CFC) for NHS Borders shall be the Chair of the Operational Group. Currently the CFC is a non-executive Director.

Frequency of Group meetings

Meetings shall be held a minimum of 4 times per annum. Additional meetings can be convened dependant on specific work plan requirements.

Reporting to the NHS Borders Audit Committee

The Group will provide regular updates to the NHS Borders Audit Committee by means of submission of approved minutes after each meeting and an annual business report. The Terms of Reference of the Group will be reviewed annually.

PUBLIC INTEREST DISCLOSURE ACT 1998

As noted in the policy statement, the Board will maintain an honest and open culture and wishes to encourage anyone having suspicions of theft, dishonesty, corruption or fraud to report them without delay. All NHS Boards are required to have a policy in place which provides for a secure environment for staff, practitioners and patients to report suspected frauds.

Guidance has been issued by Audit Scotland to organisations recommending what actions to take when staff suspect that fraudulent activity is being perpetrated. This guidance takes the form of booklets for managers and staff entitled 'Don't turn a blind eye'. Further information is also available on the Public Concern at Work website – www.whistleblowing.org.uk

The Fraud Liaison Officer is authorised to receive enquiries from staff confidentially and anonymously. They are also authorised to decide whether the matter raised should be reported to the Director of Finance and/or the Chair of the Audit Committee.

The Board's Director of Workforce and Planning is also so authorised.

REGULATION OF INVESTIGATORY POWERS (SCOTLAND) ACT 2000

The use of covert surveillance or covert human intelligence sources by public authorities is strictly limited by the provisions of the Regulation of Investigatory Powers (Scotland) Act 2000 (RIP(S)A). National Services Scotland is a named authority under RIP(S)A and, as such, only the Head of CFS and the Director of Practitioner and Counter Fraud Services may authorise directed surveillance and the use of covert human intelligence sources (CHIS) in NHS Scotland.

As a result of the Scottish Government decision to amend RIP(S)A to remove the powers of NHS Trusts, Boards and Special Health Boards to grant authorisation under RIP(S)A, all cases of potential criminal NHS fraud or other irregularity (as listed in Appendix VI – Specified Offences) must be referred to the CFS. Where appropriate the CFS will authorise and conduct directed surveillance and the use of CHIS on behalf of NHS bodies. Where NHS bodies are considering surveillance or the use of a CHIS in cases which do not involve fraud or other financial irregularities, such as public or staff safety or the prevention of disorder, they should contact the appropriate public body as outlined in HDL (2003) 30. This will normally be the relevant police force.

SGHD GUIDANCE

The SGHD guidance on financial control procedures when criminal offences are suspected is provided within the Partnership Agreement, specifically: -

- in cases of theft, where there are reasonable grounds for thinking that an item of property, including cash, has been stolen, the Director of Finance should report the details to the police
- in cases of suspected fraud, embezzlement, corruption and other financial irregularities, preliminary enquiries should be carried out with as much speed as possible. Restitution of funds or property is not a reason for withholding information or failing to report the facts. At the very early stages of a case of suspected fraud, including fraud involving endowment or patient funds, the CFS must be contacted to discuss whether the case will be taken forward criminally and/or through discipline and/or civil recovery,
- where preliminary investigations suggest that prima facie grounds exist for believing that a criminal offence has been committed, the Board and the CFS must decide if criminal prosecution would be an appropriate route. The norm is that all such cases should be considered for reporting to the procurator fiscal, however where both the Board and the CFS agree it is not in the public interest, generally on the grounds of low value, the case may be taken forward through discipline and/or civil recovery routes.
- The Board and the CFS must be prepared to justify all such decisions to the Chief Executive and/or Chair of the Audit Committee. Breach of trust must be taken into account in these considerations, meaning that being of low value does not automatically preclude a case from being notified to the procurator fiscal. Where there is doubt as to whether a prima facie case for prosecution exists, the CFS will contact the appropriate procurator fiscal or Crown Office to obtain advice.
- In any event, the CFS should be contacted before any overt action is taken which may alert suspects and precipitate the destruction or removal of evidence or the dissipation of assets. This includes taking action to stop a loss or tighten controls.
- Where Boards and the CFS are undertaking pro-active exercises in areas of known fraud risk, officers and directors must provide assistance and such data as is required to ensure the success of these operations.

5 The Action Plan

5.1 Introduction

The flowcharts in section 5.2 describe the required actions with respect to a reported suspicion of fraud. The flowcharts provide procedures that allow for evidence gathering and collation in a manner that will facilitate informed initial decisions, while ensuring that evidence gathered will be admissible in any possible future criminal or civil actions. Each situation is different, therefore the guidance in the flowcharts will need to be considered carefully in relation to the actual circumstances of each case before action is taken.

Under no circumstances should a member of staff speak or write to representatives of the press, TV or radio, about a suspected fraud without the express authority of the Chief Executive. Guidance to members of the Board's

staff who may have suspicions or concerns about possible irregularities including fraud is set out in Section 7 of this document. Care needs to be taken to ensure that nothing is done that could give rise to an action for defamation.

In some cases, e.g. if a major diversion of funds is suspected, speed of response will be crucial to avoid financial loss.

Further commentary on the processes in the flowcharts is provided in Section 5.3.

Chart 1 – Reporting Fraud

5.3.1 Sources of fraud and other irregularities reports

The Board may receive reports of alleged fraud or other irregularities from the following sources: -

- employees
- patients or the public
- primary care contractors
- suppliers
- police
- Counter Fraud Services

5.3.2 Employees

An employee should normally discuss any suspicions with his/her line manager. The employee may also, or instead, discuss the matter confidentially with the Director of Finance. The line manager and the Director of Finance will then agree on the next course of action. If, after consideration, the suspicion seems well founded the Director of Finance will inform the Chief Executive and the reporting employee. The Director of Finance/Fraud Liaison Officer will then consult with CFS to ascertain whether the investigation will proceed on a criminal and/or civil/disciplinary basis.

If an employee suspects his/her line manager, the employee should report the suspicions to someone more senior, or directly to the Director of Finance or may discuss the matter with the Chief Executive, the Director of Workforce and Planning and the Chair of the Audit Committee.

An employee may use the CFS Fraud Reporting Line 08000 15 16 28 or report their suspicions (anonymously if desired) through their website www.cfs.scot.nhs.uk. Both the CFS hotline and online reporting form are hosted and powered by Crimestoppers, which provides an independent, confidential and, if preferred, anonymous service.

Alternatively the employee may choose instead to contact the charity “Public Concern at Work” on 0207404 6609 or via their website – www.pcaw.co.uk, who would offer the employee advice on how to proceed.

If the suspicion involves an executive director the matter should be reported to the Chair of the Audit Committee or the Chair of the Board, or to Internal/External Audit.

These reporting routes should be clearly defined in staff induction documentation and well publicised to existing staff.

5.3.3 Patients/Public/Primary Care Contractors/Suppliers/Police/CFS

The Board’s policy, in its Standing Financial Instructions, is that all allegations of fraud or other irregularities, from anyone other than a Board employee, should be made in the first instance to the Director of Finance or Director of Workforce

and Planning. If the suspicion involves an executive director the matter should be reported to the Chair of the Audit Committee or the Chair of the Board.

The CFS, through its Fraud Reporting Hotline and website, is another conduit for allegations of fraud and other irregularities. Allegations may be made anonymously to CFS. The Partnership Agreement makes it clear that any such allegations will be reported to the appropriate Board officer or director within 48 hours of notification to the CFS.

The Director of Finance, Fraud Liaison Officer, or the Chair of the Audit Committee/Chair of the Board will then consult with CFS to ascertain whether the investigation will proceed on a criminal and/or civil/disciplinary basis.

These reporting routes should be clearly defined in patient information leaflets, contract documentation, and CFS publicity material.

In all such internal and external documentation it should be noted that time may be of the utmost importance to prevent further loss to the Board.

5.3.4 Subject of Allegation

The allegation of fraud or other irregularity may be in respect of: -

- an employee
- a director of the Board
- an independent primary care contractor
- a patient
- a supplier

5.3.5 Criminal Prosecution

As noted above, in all cases the allegation of fraud or other irregularity will be discussed with CFS. If the case includes in it the potential to be prosecuted criminally, then CFS will lead the investigation.

If the allegation concerns an employee, the CFS will take account of the Board's personnel policies and will consult with the Director of Workforce and Planning in respect of relevant issues including suspension. Consultation in such circumstances is essential; no unilateral action will be taken by the Board, its employees and directors, or the CFS.

If the allegation concerns a director, the CFS will undertake all consultation with the Chair of the Audit Committee and/or the Chair of the Board and will involve the Director of Workforce and Planning, where appropriate.

Where the allegation is in respect of an independent primary care contractor, a patient or a supplier, CFS will undertake all consultation with Director of Finance.

It is expected that the CFS will undertake all investigations, in respect of primary care contractors, patients and suppliers. The procedures that will be followed by the CFS in all investigations are detailed in the Partnership Agreement.

5.3.6 Discipline or Civil Recovery

Where, following consultation between the Board and the CFS, an investigation limited to disciplinary/civil recovery action appears appropriate; the following sections outline the actions to be followed.

Where the allegation is in respect of an employee, the Director of Finance/Fraud Liaison Officer will seek advice from the Director of Workforce and Planning on whether to suspend a suspected employee or redeploy them temporarily at another site.

Where the allegation is in respect of a director, the Chair of the Audit Committee/Chair of the Board will involve the Director of Workforce and Planning where appropriate, in making any decision regarding suspension. When taking action to suspend an employee or director it is important to communicate the reason for taking the action.

The person should be advised that they will receive full pay whilst on suspension, and should not return to the workplace nor contact their colleagues about the allegations until such time as allowed to do so by their employer.

Where, however, due to the nature of the allegation, suspension is deemed inappropriate, e.g. it would alert the suspect and as such may lead to the destruction and removal of evidence, no action to inform the suspect that an investigation was taking place should be taken.

5.3.7 Involvement of the CFS in Disciplinary/Civil Recovery cases

The Board/CFS Partnership Agreement outlines where it may be possible to utilise some of the work carried out by the CFS in a criminal case for disciplinary or civil recovery proceedings. This will always be subject to approval from the relevant procurator fiscal and may require advice from the Central Legal Office.

Subject to those caveats, the work done by CFS, particularly with respect to witness and suspect interviews, could reduce the work required by the Board's investigation team.

5.3.8 Log of Fraud or other Illegal Acts

The Director of Finance/Fraud Liaison Officer will enter details of all reported suspicions, including those dismissed as minor or otherwise not investigated. It will also contain details of actions taken and conclusions reached. Reports and/or verbal updates will be given at each Audit Committee meeting in relation to Fraud activity completed for the period. An Annual Fraud Report will be compiled for review by Audit Committee members at the May meeting. Final reports issued at conclusion of a Fraud or Internal Disciplinary will be reported to the Audit Committee as appropriate with subsequent follow-up with the Chief Internal Auditor. The Audit Committee will review the log at least once each year and will report any significant matters to the Board of Directors. A recommended pro-forma log will be agreed nationally.

5.3.9 Internal Communications

The Director of Finance/Fraud Liaison Officer shall inform and consult the Chief Executive at the first opportunity in all cases of suspected fraud or where the incident may lead to adverse publicity. The Director of Finance/Fraud Liaison Officer shall notify the Audit Committee of all frauds discovered and also of all losses arising from any criminal or suspected offences.

5.4 Chart 2 – Discipline/Civil Recovery Case - Managing the investigation

5.4.1 Director of Finance to appoint an Investigation Manager

Normally the investigation manager would be the Director of Workforce and Planning. The circumstances of each case will dictate who will be involved and when. The following general guidance is intended to assist management in deciding the best course of action.

5.4.2 Diary of Events

The manager overseeing the investigation (referred to hereafter as the Investigation Manager) should initiate a Diary of Events to record the progress of the investigation. A recommended pro-forma Diary will be agreed nationally.

5.4.3 Has a criminal act taken place?

Although in preliminary discussions with the CFS, this question may appear to have been answered, in some cases this question may be asked more than once during an investigation. In practice it may not be obvious that a criminal act has taken place. However, if at any time during the investigation, a criminal act is believed to have occurred, the agreed procedure involving the CFS must be invoked.

5.4.4 Internal Investigation

The internal investigation must determine the facts; whether disciplinary action is needed; what can be done to recover any loss; and what may need to be done to improve internal control to prevent the event happening again. In any investigation involving employees there should be close liaison with the Director of Workforce. (see Appendix V)

5.4.5 Recovering a loss

Where recovering a loss is likely to require a civil action it will be necessary to seek legal advice. Such action should only be progressed under the authority of the Director of Finance.

5.4.6 Disciplinary/Dismissal Procedures

The Board's disciplinary procedures must be followed in any disciplinary action taken by the Board towards an employee (including dismissal). This may involve the Investigation Manager in reporting formally the results of the investigation and recommending a disciplinary hearing to consider the facts.

5.5 Chart 3 – Gathering Evidence

5.5.1 The chart cannot cover all the complexities of gathering evidence; each case must be treated according to the circumstances, taking professional advice from the Central Legal Office or CFS if necessary.

5.5.2 Physical evidence

Upon taking control of any physical evidence, it is very important that a record is made of the time and place it is taken. If evidence consists of several items, for example many documents, each one should be tagged with a reference number

corresponding to the written record. Care with evidence gathering is important as that which may initially be treated as a discipline case, could become a criminal prosecution.

5.5.3 Witnesses

If a witness to the event is prepared to give a written statement, it is best practice for an experienced member of staff to take a chronological record using the witness's own words. The witness must be happy to sign the document as a true record, but the involvement of an independent person usually helps to keep the statement to relevant facts.

5.5.4 Director of Finance to consider if suspect should be interviewed

The Director of Finance/Fraud Liaison Officer will consider the preliminary report of the Investigation Manager and consider if the suspect should be interviewed.

5.6 Chart 4 – Interview Procedure

5.6.1 Interviewing the Suspect(s)

The Director of Workforce and Planning as the Investigating Manager will provide advice on the procedures to be followed. The Investigating Manager must be accompanied at interview to ensure that one of the investigating team can ask necessary questions with the other team member taking complete and contemporaneous notes.

The suspect should be advised that he/she is entitled to be accompanied at the interview by a friend or other representative from a Trade Union/Staff Association or work colleague, who may observe proceedings and offer advice where necessary to the interviewee.

Questions should be prepared beforehand, but it will always be important to probe the responses to particular questions by pursuing supplementary points. Leading questions (such as “you do open the post on your own, don’t you”) should not be asked. Closed questions, which have simple alternative answers, are useful for obtaining specific information. The procedure to be followed during the interview should be explained, including that notes will be taken. It should be made clear the interviewee does not have to answer any question but that if he/she does not, that fact will be recorded in the interview note.

If it is necessary for notes to be written up in a neater and more legible form, this must be done immediately following the interview and signed and dated by the Investigating Manager and other interviewer. The original notes must be retained.

Within 48 hours of the interview, the interviewee should be asked to review the notes, and make any corrections that he/she considers are necessary. The Investigating Manager should then:

- Consecutively number all pages
- Cross through all blank spaces to demonstrate to the interviewee that nothing can be added subsequently

- Sign each page of notes, together with the HR professional providing support
- Enter the time the interview was conducted on the last page of notes

The interviewee should then be invited to sign and date the account of the interview, if he/she thinks it is a fair reflection of proceedings.

Copies of the notes should not normally be made available to the interviewee until the investigation has been completed, and the way forward decided.

It should be remembered that a manager has the right to ask an employee to account for his/her actions in respect of that employment.

If the employee refuses to answer questions on the grounds that he/she might incriminate him/herself, it is his/her right to do so. This should be confirmed. However the employee should also be informed that he/she may still be considered for disciplinary action including dismissal.

If it becomes clear in the course of an interview that the interviewee is likely to have been the perpetrator of a crime, or if he or she admits a criminal act, the interview should be halted at once, and the matter referred to the CFS for action.

Care must be taken to avoid defamation. Where the interviewee makes a statement which conflicts with other evidence, this should be pointed out – to say “you’re lying” could be held to be oppressive.

All interviews must be conducted fairly. In particular comments such as “if you do not tell me the truth you will get the sack” must be avoided.

No form of physical restraint or force should ever be attempted. If, for example it is considered that the suspect may have Board property on his or her person or in his or her vehicle, then the interviewer should request the person to allow a search. If the suspect refuses and attempts to leave, no attempt should be made to stop him or her. The suspect should be advised that his or her non-cooperation will be noted and may result in disciplinary action being taken.

If a criminal offence may have been committed and the person wishes to make a statement, then the CFS must be contacted immediately so that the statement can be made to them.

Offers to resign, or to make restitution for losses should be recorded but should not be accepted during the interview.

Any relevant records that might assist the investigation should be collected. To prevent their destruction, the employee should be accompanied to his or her place of work to collect such documents or personal belongings. Any official property at home should be collected and, depending on the outcome of the interview, it may be necessary to restrict the employee’s access to Board’s buildings and records.

Please note that control over draft and final reports is crucial if the Board is to avoid the risk of potential libel actions. No report of an investigation or interview is to be made available in the first instance to any person other than the Director of Finance.

The interview should end when:

- No explanation is given (and the person has been given ample opportunity to give one)
- An unsatisfactory explanation is given
- An admission is given
- A satisfactory explanation is given

5.6.2 Termination of the Investigation

The Board investigation should terminate when:

- There is sufficient evidence for dismissal or other appropriate disciplinary action
- The Investigating Manager considers that reasonable steps have been taken to obtain information in support of the allegation, but sufficient evidence has not been produced.

5.6.3 Dismissal of Staff

Under UK employment legislation dismissal must be for a “fair” reason. The manner of dismissal must also be reasonable and the procedure fair. It is therefore important that no employee should be dismissed without close consultation with the Director of Workforce and Planning and in compliance with the Board’s disciplinary procedures. In these circumstances the Director of Workforce will take into consideration guidance provided by the Central Legal Office.

The Director of Workforce and Planning should be consulted about the subsequent provision of references for employees who have been dismissed or who have resigned following suspicions of a fraud.

5.6.4 Losses and Compensations Register

Guidance on losses and special payments is provided in Circulars 1985(GEN)17 and HDL(2002)23.

The delegated limits for approving the writing off of losses and special payments are detailed in the Board’s Standing Financial Instructions.

5.7 Post investigation review

It will be important for one of the Boards Executive Director, in conjunction with the Director of Finance to consider the lessons to be learned, e.g. how internal controls can be strengthened. Any lessons learned should be disseminated to the Service through the internal audit network or by using the CFS’ bulletins.

5.8 Involving the Counter Fraud Services

Some managers may mistakenly be reluctant to involve the CFS in the belief that:

- they are only interested if the alleged criminal offence is greater than a specific £ value; the CFS are not interested because the potentially complex issues involved render little chance of a successful prosecution; or
- the Board prefers to deal with the incident themselves, in an attempt to minimise attention while implementing dismissal and pursuing recovery through civil action; or
- the CFS want hard evidence before they will pursue investigations, but when it is provided they advise that the rules of evidence have not been complied with; or
- the disciplinary process has to await a CFS investigation and/or prosecution.

Where there is any suggestion that a fraud or other irregularity has been perpetrated the CFS must be involved in any decision regarding the action to be taken.

The CFS, through the Communications Manager, may be able to advise on how to draft a statement to the staff or the press.

6. The Law and its Remedies

Criminal law may impose sanctions on the accused for causing loss, while civil law may assist the Board to recover its loss.

In Civil law the method of concealment (in the case of fraud) is unlikely to be a key factor in the value of compensation or the drafting of the statement of claim.

Criminal law now allows for the restraint (i.e. freezing) and confiscation of the proceeds of crime, following conviction. CFS, in conjunction with the police and fiscal service, will always press to have the full effect of the Proceeds of Crime Act 2002 applied whenever it is appropriate.

Subject to CFS obtaining approval from the procurator fiscal concerned, there is no reason why the criminal prosecution and civil process cannot be taken at the same time if the evidence supports such action.

6.1 Civil Law Remedies

The following is a brief description of some of the commoner civil law remedies. It is not comprehensive and legal advice should be sought from the Central Legal Office before action is taken.

6.1.1 Monies had and received

The claim will refer to funds of the pursuer, which have been 'had and received' by the defender at the pursuer's expense - and will seek their recovery.

6.1.2 Interest

The pursuer may be entitled to interest on the amount lost, and there are claims for interest under court rules and statute.

6.1.3 Interdict, Arrestment or Inhibition

In some cases a court order can be used to freeze the assets of a person suspected of fraud or a person who has been convicted of a criminal offence in respect of their fraudulent activity. These procedures can be used to prevent the disposal of assets of the accused or defender.

6.1.4 Damages for deceit

A defender may become liable to the pursuer for damages arising out of the act, and if the pursuer can establish this liability he is entitled to be put back into the position that he would have been in if the act had not been committed. If successful, this claim may result in the award of damages beyond mere recovery of assets stolen.

7. Guidance to Staff on Fraud

The Board of Directors approves this document. It sets out the Board's policy on fraud and gives advice to employees in dealing with fraud or suspected fraud or other illegal acts involving dishonesty or damage to Board property.

All staff have a responsibility to protect the assets of the Board.

7.1 Public Service Values

The three fundamental public service values underpinning NHS and all public sector work, specified by the NHS Code of Conduct, are:

- Accountability:** Everything done by those who work in the organisation must be able to withstand public and parliamentary scrutiny.
- Probity:** Absolute honesty and integrity should be exercised in dealing with NHS patients, assets, staff, suppliers and customers.
- Openness:** The organisation's activities should be sufficiently public and transparent to promote confidence between the organisation and its patients, staff and the public.

7.2 The Board's Policy

The Board is absolutely committed to maintaining an honest, open and well-intentioned atmosphere within the organisation, so as best to fulfil the objectives of the Board and of the NHS. It is therefore committed to the elimination of any fraud within the Board, to the rigorous investigation of any such cases, and where fraud or other criminal act is proven to ensure that those perpetrating fraud are appropriately dealt with. The Board will also take appropriate steps to recover any assets lost as a result of fraud.

The Board wishes to encourage anyone having suspicions of fraud to report them. The Board's policy, which will be rigorously enforced, is that no employee should suffer as a result of reporting suspicions held in good faith.

The Board has therefore set in place procedures (in the form of Standing Orders, Standing Financial Instructions and procedure notes) designed to minimise the likelihood of the Board being a victim of fraud, a response plan to be followed in the event suspected fraud being reported, and these guidance notes issued to all staff.

7.3 Instructions To Staff

You should be assured that there will be no recriminations against staff who report suspicions held in good faith. Victimising or deterring staff from reporting concerns is a serious disciplinary matter. Any contravention of this policy should be reported to the Chief Executive or Chair of the Audit Committee. Equally however, abuse of the process by raising malicious allegations would, if proven, be regarded as a disciplinary matter.

If you believe you have good reason to suspect a colleague, patient or other person of a fraud or an offence involving the Board or a serious infringement of Board or NHS rules you should discuss it in the first place with your manager.

Examples could include:

- theft of Board property
- abuse of Board property
- deception or falsification of records (e.g.: fraudulent time or expense claims)

If you have suspicions about the actions of your manager, such that you suspect that your manager is involved the fraud or any other financial irregularity, then you have a choice of:

- going to the next more senior person in your department or directorate
- discussing the matter confidentially and anonymously with the Director of Workforce and Planning
- reporting the matter directly to the Director of Finance

Further choices for staff are:

- you may use the CFS Fraud Reporting Line 08000 15 16 28 or report your suspicions (anonymously if desired) through the CFS Website on www.cfs.scot.nhs.uk. Both the CFS hotline and online reporting form are hosted and powered by Crimestoppers, which provides an independent, confidential and, if preferred, anonymous service.
- if you are concerned about speaking to another member of staff you could ask for advice first from the charity “Public Concern at Work” telephone 0207 404 6609. They can provide independent and confidential advice to you.

If you and your manager and the Director of Workforce and Planning decide between you that your suspicion may be justified, your manager or the Director of Workforce and Planning will report the matter to the Director of Finance. The Board will then follow the Fraud Action Plan to investigate and take appropriate action.

Under no circumstances should staff speak to representatives of the press, radio, TV or other third party unless expressly authorised by the Chief Executive.

Please be aware that time may be of the utmost importance to ensure that the Board does not continue to suffer a loss.

RESERVATION OF POWERS AND DELEGATION OF AUTHORITY

- 1. Schedule of Matters Reserved for Board Agreement**
- 2. Schedule of Matters Delegated to Board Executive Directors**
- 3. Scheme of Delegation Framework & Key Roles**
- 4. Delegated Limits and Authorised Signatories**
- 5. Delegation of Powers for Appointment of Staff**

1. SCHEDULE OF MATTERS RESERVED FOR BOARD AGREEMENT

1.1 Background

Under the proposals contained in the NHS Circular HDL (2003) 11 'Working Towards Single System Working', the Board will retain its focus as a board of governance, delivering a corporate approach to collective decision making based on the principles of partnership working and devolution of powers. Local leadership will be supported by delegating financial and management responsibility as far as is possible consistent with the Board's own responsibility for governance.

The Board has a corporate responsibility for ensuring that arrangements are in place for the conduct of its affairs and that of the Board and Executive Team and Clinical Executive. This includes compliance with applicable guidance and legislation, and ensuring that public money is safeguarded, properly accounted for, and used economically, efficiently and effectively. The Board has a responsibility to ensure that it monitors the adequacy and effectiveness of these arrangements in practice.

The Board is required to ensure that it conducts a review of its systems of internal control, including in particular its arrangements for risk management, at least annually, and to report publicly on its compliance with the principles of corporate governance codes.

Everyone needs to be clear about their role, responsibilities and their accountability. The main purposes and functions of NHS Borders are set out below.

The purpose and function of the Board will be:-

- Efficient, effective and accountable governance.
- Strategic leadership and direction for the Borders NHS system.
- To support the delivery of Health & Social Care Integration Strategic Commissioning Plan and associated outcomes as agreed by the Scottish Borders Health and Social Care Integration Joint Board (IJB) for functions delegated by the Borders Health Board to the IJB.
- Strategy development including the Local Delivery Plan.
- Allocation of resources.
- Performance management of the NHS Borders system.

The purpose and function of the Strategy and Performance Committee will be to:-

The Scheme of Delegation provides a mechanism to empower frontline staff to make decisions close to the point of care delivery, within a framework of delegated and reserved powers for NHS Borders

1.2 Matters Reserved for Board Agreement

The following shall be reserved for agreement by the Board:-

- 1.2.1 The Local Delivery Plan and underpinning Financial Plan;
- 1.2.4 The acceptance of contracts in respect of the Capital Programme Budget where the value exceeds £250,000. Where the contract value is greater than £1,000,000 this must be submitted to the Scottish Government Health Department for approval;

- 1.2.5 The acceptance of commercial contracts in respect of the Board's Revenue where the value exceeds £250,000;
- 1.2.6 NHS Service Agreements with an annual value over £1,000,000 excepting the Lothian Service Level Agreement where authorisation is delegated to the Director of Finance;
- 1.2.7 Contracts for goods/services above European Commission Tendering Limits;
- 1.2.8 Appointment of External Specialists over £25,000;
- 1.2.9 Approval of the Revenue and Capital Budgets;
- 1.2.10 Approval of transfer of funds between budget heads including transfers from contingency and balances where the value in any one instance exceeds £250,000;
- 1.2.11 Approval of the disposal of all property assets including land;
- 1.2.12 Approval of the disposal of fixed assets with an estimated value over £100,000;
- 1.2.13 The making, alteration and revocation of the Code of Corporate Governance and its component parts, including Standing Orders, Standing Financial Instructions; Scheme of Delegation; Counter Fraud Policy and Action Plan;
- 1.2.14 The establishment of terms of reference and reporting arrangements for all Committees acting on behalf of the Board and the determination of differences between such committees;
- 1.2.15 Financial and performance reporting arrangements;
- 1.2.16 Approval to delegate health functions and provide resources to the IJB
- 1.2.17 To review the Terms of Reference and appointment of the Internal Auditors;
- 1.2.18 Approval of arrangements for discharge of Board Members' responsibilities in relation to Endowment funds;
- 1.2.19 Approval of the Annual Report and accounts;
- 1.2.20 The incurring of expenditure for which no provision or insufficient provision has been made in the Budget of the Board;
- 1.2.21 Any proposal, which in the opinion of the Chief Executive will result in sensitivity and reputational issues, significant, permanent service change and will require public consultation in accordance with Scottish Government guidance;
- 1.2.22 Approval of the annual best value work plan;
- 1.2.23 Approval of the Boards local commercial banking arrangements;
- 1.2.24 The dismissal of executive members of the Board and other senior members of staff where the filling of posts concerned require the involvement of non-executive members of the Board;
- 1.2.25 On the recommendation of the Chair appointments of Non Executive Members to committees, steering groups, project boards or if allocated a role by the Chair or Chief Executive;

2. SCHEDULE OF MATTERS DELEGATED TO OFFICERS OF THE BOARD

2.1 Interpretation

- Any reference to a statutory or other provision shall be interpreted as a reference amended from time to time by any subsequent legislation.
- The Chief Executive as Accountable Officer can exercise delegated authority across all NHS Borders services and functions excluding those services, functions or resources delegated to the IJB.
- Powers delegated to the Chief Executive in terms of this scheme may be exercised by such an officer or officers as the Chief Executive may authorise.

2.2 Chief Executive

2.2.1 General Provisions

In the context of the Board's principal role to protect and improve the health of Borders residents, the Chief Executive as Accountable Officer shall have delegated authority and responsibility to secure the economical, efficient and effective operation and management of NHS Borders and to safeguard its assets in accordance with

- The statutory requirements and responsibilities laid upon the Chief Executive as Accountable Officer for NHS Borders;
- Direction from the Scottish Government Health Department;
- Current policies and decisions made by the Board;
- Within the limits of the resources available, subject to the approval of the Board;
- The Code of Corporate Governance.

The Chief Executive is authorised to take such measures as may be required in emergency situations, subject to consulting, where possible, the Chair and the Vice-Chair of the Board, and the relevant Committee Chair. Such measures, that might normally be outwith the scope of the authority delegated by the Board or its Committees shall be reported to the Board or appropriate Committee as soon as possible thereafter. Where such measures or actions relate to functions or resources delegated to the IJB the Chief Executive shall work in partnership with the Chief Officer and the IJB.

The Chief Executive is authorised to give a direction in special circumstances that any official shall not exercise a delegated function subject to reporting on the terms of the direction to the next meeting of the appropriate Committee.

2.2.2 Finance

For functions delegated and resources provided by Borders Health Board to the IJB, resources shall be used only for the purpose for which they are allocated, unless tri-partite agreement is given by the IJB and Scottish Borders Council to any proposal made by the Chief Executive and the Director of Finance.

For services, functions and resources of Borders Health Board resources will be used for the purpose allocated, unless otherwise approved by the Chief Executive, after taking account of the advice of the Director of Finance. The Chief Executive acting together with the Director of Finance has delegated authority to approve the transfer of funds between budget heads, including transfers from reserves and balances, up to a maximum of £250,000 in any one instance. The Chief Executive shall report to the Strategic and Performance Committee for formal inclusion in the minutes those instances where this authority is exercised and/or the change in use of the funds relates to matters of public interest.

The Chief Executive may, acting together with the Director of Finance, and having taken all reasonable action to pursue recovery, approve the writing-off of

losses, subject to the limits laid down from time to time by the Scottish Government Health Department.

2.2.3 Legal Matters

The Chief Executive is authorised to institute, defend or appear in any legal proceedings or any inquiry, including proceedings before any statutory tribunal, board or authority, and following consideration of the advice of the Central Legal Office to appoint or consult with Counsel where it is considered expedient to do so, for the promotion or protection of the Board's interests.

In circumstances where a claim against the Board is settled by a decision of a Court, and the decision is not subject to appeal, the Chief Executive shall implement the decision of the relevant Court on behalf of the Board.

In circumstances where the advice of the Central Legal Office is to reach an out-of-court settlement, the Chief Executive may, acting together with the Director of Finance, settle claims against the Board; subject to a report thereafter being submitted to the Strategy and Performance Committee.

The Chief Executive, acting together with the Director of Finance, may make ex-gratia payments, subject to the limits laid down from time to time by the Scottish Government Health Department.

The arrangements for signing of documents in respect of matters covered by the Property Transactions Manual shall be in accordance with the direction of Scottish Ministers. The Chief Executive is currently authorised to sign such documentation on behalf of the Board and Scottish Ministers.

The Board Secretary shall have responsibility for the safekeeping of the Board's Seal, and together with the Chair or other nominated non-executive member of the Board, shall have responsibility for the application of the Seal on behalf of the Board.

2.2.4 Procurement

The Chief Executive shall have responsibility for nominating officers or agents to act on behalf of the Board, for specifying, and issuing documentation associated with invitations to tender, and for receiving and opening of tenders.

Where post tender negotiations are required, the Chief Executive shall nominate in writing, officers and/or agents to act on behalf of the Board.

The Chief Executive, acting together with the Director of Finance, has authority to approve on behalf of the Board, the acceptance of tenders, submitted in accordance with the Board's Code of Corporate Governance, up to a value of £500,000 (Capital) and £250,000 (Revenue) (including VAT suffered) within the limits of previously approved Revenue and Capital Budgets.

The exercise of this authority for tenders in excess of £10,000 up to £500,000 must be included in the tender register.

In accepting a tender, which is not the lowest tender received, it is mandatory that a detailed explanation for accepting the tender must be clearly recorded in

the tender register. This must include an explicit detail of why this is the most advantageous tender for NHS Borders.

The Chief Executive shall provide the Director of Finance with a listing, including specimen signatures, of those officers or authorised agents to whom he has given delegated authority to sign official orders on behalf of the Board.

2.2.5 Human Resources

The Chief Executive may appoint staff in accordance with the Board's Scheme of Delegation for the Appointment of Staff as detailed in the Code of Corporate Governance at Section E.

The Chief Executive may, after consultation and agreement with the Director of Workforce and Planning, and the relevant officer, amend staffing establishments in respect of the number and grading of posts. In so doing, the Director of Finance must confirm that the cost of the amended establishment can be contained within the relevant limit approved by the Board for the current and subsequent financial years. Any amendment must also be in accordance with the policies and arrangements relating to human resource planning, approved by the Board or Staff Governance Committee.

The Chief Executive may attend and may authorise any member of staff to attend, within and outwith the United Kingdom, conferences, courses or meetings of relevant professional bodies and associations, provided that:

- Attendance is relevant to the duties or professional development of such member of staff; and
- Appropriate allowance has been made within approved budgets; or
- External reimbursement of costs is to be made to the Board.

The Chief Executive may, in accordance with the Board's agreed Disciplinary Procedures, take disciplinary action in respect of members of staff, including dismissal where appropriate.

The Chief Executive shall have responsibility for ensuring that the Board complies with Health and Safety legislation, and for ensuring the effective implementation of the Board Policies.

The Chief Executive may grant paid compassionate leave or unpaid special leave of absence to any employee for up to five working days. The Chief Executive may approve other paid or unpaid leave within the limits defined in the board's Leave Policy.

The Chief Executive may, following consultation and agreement with the Director of Workforce and Planning and the Director of Finance, and approval of the Remuneration Committee, approve payment of honoraria to any employee.

2.2.6 Patients Property

The Chief Executive has overall responsibility for ensuring that the Board complies with legislation in respect of patient's property. The term 'property' means all assets other than land and building (e.g. furniture, pictures, jewellery, bank accounts, shares, cash).

2.3 DIRECTOR OF FINANCE

Authority is delegated to the Director of Finance to take the necessary measures as undernoted, in order to assist the Board and the Chief Executive in fulfilling their corporate responsibilities.

2.3.1 Accountable Officer

The Director of Finance has a general duty to assist the Chief Executive in fulfilling their responsibilities as the Accountable Officer of the Board.

2.3.2 Financial Statements

The Director of Finance is empowered to take all steps necessary to assist the Board to:-

- Act within the law and ensure the regularity of transactions by putting in place systems of internal control to ensure that financial transactions are in accordance with the appropriate authority;
- Maintain proper accounting records;
- Prepare and submit for audit, timeous financial statements, which give a true and fair view of the financial position of the Board and its income and expenditure for the period in question.

2.3.3 Corporate Governance and Management

The Director of Finance is authorised to put in place proper arrangements to ensure that the financial position of the Board is soundly based by ensuring that the Board, its Committees and supporting management groupings receive appropriate, accurate and timely information and advice with regard to:-

- The development of financial plans, budgets and projections;
- Compliance with statutory financial requirements and achievement of financial targets;
- The impact of planned future policies and known or foreseeable developments on the Board's financial position.

The Director of Finance is empowered to take steps to ensure that proper arrangements are in place for:-

- Developing, promoting and monitoring compliance with the Code of Corporate Governance.
- Developing and implementing systems of internal control, including systems of financial, operational and compliance controls and risk management;
- Developing and implementing strategies for the prevention and detection of fraud and irregularity;
- Internal Audit.

2.3.4 Performance Management

The Director of Finance is authorised to assist the Chief Executive to ensure that suitable arrangements are in place to secure economy, efficiency and

effectiveness in the use of resources and that they are working effectively. These arrangements include procedures:

- For planning, appraisal, authorisation and control, accountability and evaluation of the use of resources;
- To ensure that performance targets and required outcomes are met.

2.3.5 Banking

The Director of Finance is authorised to oversee the Board's arrangements in respect of accounts held in the name of the Board as part of the national contract with Government Banking Services.

Local commercial banking arrangements are appointed by the Board and are authorised and operationally managed by the Director of Finance.

The Director of Finance will maintain a register of authorised signatories.

The Director of Finance will be responsible for ensuring that the Board operates within the Scottish Government Public Sector Banking Contract and that the National Contract Bank and the commercial bankers are advised in writing of amendments to the panel of authorised signatories.

2.3.6 Patients' Property

The Director of Finance has delegated authority to ensure that detailed operating procedures in relation to the management of the property of patients (including the opening of bank accounts where appropriate) are compiled for use by staff involved in the management of patients' property and financial affairs.

2.4 DIRECTOR OF NURSING, MIDWIFERY & ACUTE SERVICES

2.4.1 General Provisions

The Director of Nursing, Midwifery & Acute Services has delegated authority and responsibility to secure the economical, efficient and effective operation and management of the Clinical Executive and of their own Directorate or Departments to safeguard the Board's assets:

- In accordance with the current policies and decisions made by the Board;
- Within the limits of the resources made available to the Clinical Executive by the Board;
- In accordance with the Code of Corporate Governance.

The Director of Nursing, Midwifery & Acute Services has a general duty to assist the Chief Executive in fulfilling her responsibilities as the Accountable Officer of the Board.

The Director of Nursing, Midwifery & Acute Services is authorised to take such measures as may be required in emergency situations, subject to consulting, where possible, the Chair of the Clinical Executive, the Chair or the Vice-Chair of the Board, the Chief Executive and where appropriate, the relevant

Committee Chair. Such measures, that might normally be outwith the scope of the authority delegated by the Board or its Committees and shall be reported to the Board or appropriate Committee as soon as possible thereafter.

The Director of Nursing, Midwifery & Acute Services is authorised to give a direction in special circumstances that any officer within the Clinical Executive shall not exercise a delegated function subject to reporting on the terms of the direction to the next meeting of the Clinical Executive.

2.4.2 Finance

Resources shall be used only for the purpose for which they are allocated, unless otherwise approved by the Director of Nursing, Midwifery & Acute Services, after taking account of the advice of the Deputy Director of Finance (Financial Management). The Director of Nursing, Midwifery & Acute Services acting together with the Deputy Director of Finance (Financial Management), has delegated authority to approve the transfer of funds between budget heads, including transfers from reserves and balances, up to a maximum of £50,000 in any one instance. The Director of Nursing, Midwifery & Acute Services shall report to the Clinical Executive for formal inclusion in the minutes those instances where this authority is exercised and/or the change in use of the funds relates to matters of public interest.

The Director of Nursing, Midwifery & Acute Services may, acting together with the Deputy Director of Finance (Financial Management), and having taken all reasonable action to pursue recovery, approve the writing-off of losses in the Clinical Executive, subject to the limits laid down from time to time by the Scottish Government Health Department.

2.4.3 Procurement of Supplies and Services

The Director of Nursing, Midwifery & Acute Services shall have responsibility for nominating officers or agents to act on behalf of the Board, for specifying, and issuing documentation associated with invitations to tender, and for receiving and opening of tenders on behalf of the Board.

Where post tender negotiations are required, the Director of Nursing, Midwifery & Acute Services shall nominate in writing, officers and/or agents to act on behalf of the Board.

The Director of Nursing, Midwifery & Acute Services, acting together with the Deputy Director of Finance (Financial Management), has authority to approve on behalf of the Board the acceptance of tenders, in respect of the Clinical Executive submitted in accordance with the Board's Code of Corporate Governance, up to a value of £50,000 (including VAT suffered) within the limits of previously approved Revenue and Capital Budgets.

The Director of Nursing, Midwifery & Acute Services, acting together with the Director of Finance, has authority to approve on behalf of the Board the acceptance of tenders, in respect of the Clinical Executive submitted in accordance with the Board's Code of Corporate Governance, up to a value of £125,000 (including VAT suffered) within the limits of previously approved Revenue and Capital Budgets.

4. DELEGATED LIMITS AND AUTHORISED SIGNATORIES

4.1 Introduction

The Chief Executive has delegated authority to secure the efficient operation and management of services in accordance with the current policies of the Board, and within the limits of the resources available, subject to the approval of the Board, through Standing Financial Instructions.

Any changes to Delegated Limits and Authorised Signatories must be notified to the Director of Finance in writing. Departmental structure changes will be reflected in the Delegated Limits within the Code of Corporate Governance on an ongoing basis.

4.2 Schedule of Delegated Limits and Authorised Signatories

Delegated matters in respect of decisions which may have a far-reaching effect must be reported to the Chief Executive. All items concerning finance must be carried out in accordance with Standing Financial Instruction and Standing Orders.

Losses & Special Payments - NOTES

1. Cases not covered by the limits set out above should be referred to the SGHD as soon as the salient facts are clear and not delayed because of difficulties of unravelling complicated or inadequately documented transactions, or of assessing the amount of the final loss.
2. The limits set out above apply to individual incidents except as qualified in these notes.
3. The limits for Cash Losses refer to the gross loss, irrespective of any subsequent recovery. The limits for all other losses refer to the net loss.
4. The limit for overpayments of salaries, etc refers to the total involved at any one time through the same error or misinterpretation.
5. The limit for claims abandoned refers to the total of all cases arising from a single cause, but the loss in respect of each individual debtor should be recorded as one case.
6. The total net stores loss at any one hospital within the year should be aggregated and treated as one case. Similarly, the total net inventory losses at any one hospital within the year should be treated as one case.
7. In the case of central stores, the total beddage covered by the central store should determine the delegation limit for write-off purposes. For establishments, such as administrative offices and clinics, where the bed criterion cannot be used, the lowest limit of delegation for stores and inventory losses will apply.
8. Where an accident, such as fire or flood, involves losses under several heads, the limit for incidents of the service (i.e. £20,000) applies to the total of the damage incurred.
9. Where an extra contractual payment arises from a change in subsidy or other Government action, the first application for such payments should be referred to SGHD, irrespective of the limit of delegation.
10. **SGHD must be notified immediately of all possible cases of compensation payments (made under legal obligation)**, irrespective of the limit of delegation.

SECTION 1

INTRODUCTION

MADE IN TERMS OF REGULATION 4 OF THE NATIONAL HEALTH SERVICE (FINANCIAL PROVISIONS) SCOTLAND) REGULATIONS, 1974

BACKGROUND

1.1 These Standing Financial Instructions (SFI's) are issued for the regulation of the conduct of Borders Health Board (The Board), its directors, officers and agents in relation to all financial matters. The SFI's are issued in accordance with the financial directions issued by the Scottish Government Health Department under the provisions contained in Regulation 4 of the NHS (Financial Provisions) (Scotland) Regulations, 1974 together with the guidance and requirements contained in NHS Circular No 1974 (GEN) 88 and Annex, and NHS Circular MEL (1994) 80. Their purpose is to provide sound control of NHS Borders's financial affairs and shall have the effect as if incorporated in the Standing Orders of the Board.

1.2 The purpose of such a scheme of control is:

- To ensure that NHS Borders acts within the law and that financial transactions are in accordance with the appropriate authority;
- To ensure that proper accounting records, which are accurate and complete, are maintained;
- To ensure that financial statements, which give a true and fair view of the financial position of NHS Borders and its expenditure and income, are prepared timeously;
- To protect NHS Borders against the risk of fraud and irregularity;
- To safeguard NHS Borders's assets;
- To ensure that proper standards of financial conduct are maintained;
- To enable the provision of appropriate management information;
- To ensure that NHS Borders seeks best value from its resources, by making proper arrangements to pursue continuous improvement, having regard to economy, efficiency and effectiveness in NHS Borders's operations;
- To ensure that any delegation of responsibility is accompanied by clear lines of control and accountability, together with reporting arrangements.

1.3 NHS Borders shall exercise financial supervision and control by:

- formulating the financial strategy
- requiring the submission and approval of financial plans and budgets within approved allocations/overall income;
- defining and approving essential features of financial arrangements in respect of important procedures and financial systems (including the need to obtain value for money);
- defining specific responsibilities placed on directors and officers as indicated in the Scheme of Delegation document.

all within the financial resources made available to it, both directly and also through the framework introduced by Section 4 of the NHS and Community Care Act 1990.

1.4 The SFI's identify the financial responsibilities which apply to everyone working for the Board and its constituent organisations. They do not provide detailed procedural advice. These statements should therefore be read in conjunction with the detailed

departmental and financial procedure notes. All financial procedures must be approved by the Director of Finance.

- 1.5 Should any difficulties arise regarding the interpretation or application of any of the SFI's then the advice of the Director of Finance must be sought before you act.

COMPLIANCE

- 1.6 The Director of Finance is responsible for assisting the Chief Executive as accountable officer and therefore has ultimate responsibility for ensuring that SFI's are in place, up to date and observed in NHS Borders. The responsibilities of the Director of Finance specified in the SFI's may be carried out by such other senior finance officers as he or she might specify.
- 1.7 Members, officers and agents of NHS Borders, including Local Authority employees who are employed in Integrated Services, shall observe these SFI's. Executive Directors shall be responsible for ensuring that the SFI's are made known within the services for which they are responsible and shall ensure that they are adhered to.
- 1.8 Failure to comply with these SFI's shall be a disciplinary matter.
- 1.9 Where these SFI's place a duty upon any person, this may be delegated to another person, subject to the Scheme of Delegation contained within the Standing Orders.

SECTION 2

RESPONSIBILITIES OF CHIEF EXECUTIVE, DIRECTOR OF FINANCE AND EMPLOYEES

RESPONSIBILITIES OF CHIEF EXECUTIVE AS ACCOUNTABLE OFFICER

- 2.1 Under the terms of Sections 14 and 15 of the Public Finance and Accountability (Scotland) Act 2000, the Principal Accountable Officer for the Scottish Government has designated the Chief Executive of Borders NHS Board as Accountable Officer.
- 2.2 Accountable Officers must comply with the terms of the **Memorandum to National Health Service Accountable Officers**, and any updates issued to them by the Principal Accountable Officer for the Scottish Government. The Memorandum was updated in April 2006.
- 2.3 **General Responsibilities**
 - 2.3.1 The Accountable Officer is personally answerable to the Scottish Parliament for the propriety and regularity of the public finance for NHS Borders including functions delegated and resources provided by Borders Health Board to the IJB.
 - 2.3.2 The Accountable Officer must ensure that the Board takes account of all relevant financial considerations, including any issues of propriety, regularity or value for money, in considering policy proposals relating to expenditure, or income.

- 2.3.3 It is incumbent upon the Accountable Officer to combine his or her duties as Accountable Officer with their duty to the Board, to whom he or she is responsible, and from whom he or she derives his/her authority. The Board is in turn responsible to the Scottish Parliament in respect of its policies, actions and conduct.
- 2.3.4 The Accountable Officer has a personal duty of signing the Annual Accounts of NHS Board. Consequently, he or she may also have the further duty of being a witness before the Audit Committee of the Scottish Parliament, and be expected to deal with questions arising from the Accounts, or, more commonly, from reports made to Parliament by the Auditor General for Scotland.
- 2.3.5 The Accountable Officer must ensure that any arrangements for delegation promote good management, and that he or she is supported by the necessary staff with an appropriate balance of skills. This requires careful selection and development of staff and the sufficient provision of special skills and services. He or she must ensure that staff are as conscientious in their approach to costs not borne directly by their component organisation (such as costs incurred by other public bodies), or financing costs, e.g. relating to banking and cash flow) as they would be, were such costs directly borne.

2.4 Specific Responsibilities

- 2.4.1 Ensure that from the outset proper financial systems are in place and applied, and that procedures and controls are reviewed from time to time to ensure their continuing relevance and reliability, especially at times of major changes;
- 2.4.2 Ensure that the Board's financial obligations and targets are met. The Chief Executive shall be responsible for the implementation of the Boards financial policies and for co-ordinating any corrective action necessary to further these policies. In fulfilling this responsibility the Chief Executive shall take account of advice given by the Director of Finance on all such matters. The Director of Finance shall be accountable to the Board for this advice.
- 2.4.3 Sign the Accounts assigned to him or her, and in doing so, accept personal responsibility for ensuring that they are prepared under the principles and in the format directed by Scottish Ministers.
- 2.4.4 Ensure that proper financial procedures are followed incorporating the principles of separation of duties and internal check, and that accounting records are maintained in a form suited to the requirements of the relevant Accounting Manual, as well as in the form prescribed for published Accounts.
- 2.4.5 Ensure that the public funds for which he or she is responsible are properly managed and safeguarded, with independent and effective checks of cash balances in the hands of any official.
- 2.4.6 Ensure that the assets for which he or she is responsible, such as land, buildings or other property, including stores and equipment, are controlled and safeguarded with similar care, and with checks as appropriate.
- 2.4.7 Ensure that, in the consideration of policy proposals relating to expenditure, or income, for which he or she has responsibilities as Accountable Officer, all relevant financial considerations, including any issues of propriety, regularity

or value for money, are taken into account, and where necessary brought to the attention of the Board.

- 2.4.8 Ensure that any delegation of authority is accompanied by clear lines of control and accountability, together with reporting arrangements. Clarity is critical for delegated functions and resources provided to the IJB and the accountability of the Chief Officer. The Board's Code of Corporate Governance provides the required clarity.
- 2.4.9 Ensure that effective management systems appropriate for the achievement of the organisation's objectives, including financial monitoring and control systems have been put in place.
- 2.4.10 Ensure that risks, whether to achievement of business objectives, regularity, propriety, or value for money, are identified, that their significance is assessed and that systems appropriate to the risks are in place in all areas to manage them.
- 2.4.11 Ensure that best value from resources is sought, by making proper arrangements to pursue continuous improvement having regard to economy, efficiency and effectiveness, and in a manner which encourages the observance of equal opportunities requirements.
- 2.4.12 Ensure that managers at all levels have a clear view of their objectives, and the means to assess and measure outputs or performance in relation to those objectives.
- 2.4.13 Ensure managers at all levels are assigned well defined responsibilities for making the best use of resources (both those assumed by their own commands and any made available to organisations or individuals outside NHS Borders) including a critical scrutiny of output and value for money.
- 2.4.14 Ensure that managers at all levels have the information (particularly about costs), training and access to the expert advice which they need to exercise their responsibilities effectively.

2.5 Regularity and Propriety of Expenditure

- 2.5.1 The Accountable Officer has a particular responsibility for ensuring compliance with Parliamentary requirements in the control of expenditure. A fundamental requirement is that funds should be applied only to the extent and for the purposes authorised by Parliament in Budget Acts (or otherwise authorised by Section 65 of the Scotland Act 1998). Parliament's attention must be drawn to losses or special payments by appropriate notation of the organisation's Accounts. In the case of expenditure approved under the Budget Act, any payments made must be within the scope and amount specified in that Act.
- 2.5.2 All actions must be able to stand the test of Parliamentary scrutiny, public judgements on propriety and professional Codes of Conduct. Care must be taken to avoid actual, potential, or perceived conflicts of interest when employing external consultants and their staff.

2.6 Advice to the Board

- 2.6.1 The Accountable Officer has a duty to ensure that appropriate advice is tendered to the Board on all matters of financial propriety and regularity, and more broadly, as to all considerations of prudent and economical administration, efficiency and effectiveness.
- 2.6.2 If the Accountable Officer considers that, despite their advice to the contrary, the Board is contemplating a course of action which they consider would infringe the requirements of regularity or propriety, and that they would be required to take action that is inconsistent with the proper performance of his or her duties as Accountable Officer, they should inform the Scottish Government Health and Social Care Department's Accountable Officer, so that the Department, if it considers it appropriate, can intervene and inform Scottish Ministers. If this is not possible, the Accountable Officer should set out in writing his or her objection and the reasons, to the proposal. If their advice is overruled, and the Accountable Officer does not feel that he or she would be able to defend the proposal to the Audit Committee of the Scottish Parliament, as representing value for money, he or she should obtain written instructions from the Board for which he or she is designated, and send a copy of his or her request for instruction and the instruction itself as soon as possible to the External Auditor and the Auditor General for Scotland.
- 2.6.3 The Accountable Officer must ensure that their responsibilities as an Accountable Officer do not conflict with those as a Board member. They should vote against any action that they cannot endorse as an Accountable Officer, and in the absence of a vote, ensure that his or her opposition as a Board Member, as well as Accountable Officer is clearly recorded.
- 2.6.4 It is the duty of the Chief Executive to ensure that Executive Directors and employees and all new appointees are notified of and understand their responsibilities within the SFI's.

2.7 Absence of Accountable Officer

- 2.7.1 The Accountable Officer should ensure that they are generally available for consultation, and that in any temporary period of unavailability a senior officer is identified to act on their behalf.
- 2.7.2 In the event that the Accountable Officer would be unable to discharge their responsibilities for a period of four weeks or more, NHS Borders will notify the Principal Accountable Officer of the Scottish Government, in order that an Accountable Officer can be appointed pending their return.
- 2.7.3 Where the Accountable Officer is unable by reason of incapacity or absence to sign the Accounts in time for them to be submitted to the Auditor General, the Board may submit unsigned copies, pending the return of the Accountable Officer.

RESPONSIBILITIES OF DIRECTOR OF FINANCE

2.8 The Director of Finance is responsible for:

- 2.8.1 provision of financial advice to the Board and its employees;
- 2.8.2 implementing the Board's financial policies and for co-ordinating any corrective action necessary to further those policies;
- 2.8.3 ensuring that sufficient records are maintained to show and explain the Board's transactions, in order to disclose, with reasonable accuracy, the financial position of the Board at any time;
- 2.8.4 the design, implementation and supervision of systems of internal financial control incorporating the principles of separation of duties and internal checks;
- 2.8.5 the preparation and maintenance of such accounts, certificates, estimates, records and reports as the Board may require for the purpose of carrying out its statutory duties and responsibilities;
- 2.8.6 setting accounting policies consistent with Scottish Government and guidance and generally accepted accounting practice.

ALL DIRECTORS AND EMPLOYEES

2.9 All directors and employees of the Board, severally and collectively, are responsible for:

- 2.9.1 security of the Board's property;
- 2.9.2 avoiding loss;
- 2.9.3 exercising economy and efficiency in the use of Borders Health Board resources;
- 2.9.4 complying with the requirements of Standing Orders, Standing Financial Instructions, Financial Procedures and Scheme of Delegation.

SECTION 3

FINANCIAL STRATEGY, PLANNING AND CONTROL

Financial Strategy and Planning

- 3.1 The Board is required to perform its functions within the total of funds allocated by the Scottish Government and all plans, financial approvals and control systems shall be designed to meet this obligation.
- 3.2 The Chief Executive has overall executive responsibility for the Board's activities and is responsible to the Board for ensuring that the Board stays within its funding limits.

- 3.3 In accordance with guidance issued by the Scottish Government Health and Social Care Department, the NHS Borders Chief Executive shall be responsible for leading an inclusive process, involving staff and partner organisations, to secure the compilation and approval by the Board, of the Local Delivery Plan for Borders.
- 3.4 By concisely setting out how these objectives will be tackled and by whom, and by setting clear priorities, key milestones and other quantified improvement targets over time, the Local Delivery Plan will help to secure understanding of important health issues, a shared approach to taking action, and a common commitment to achieving results.
- 3.5 In order to ensure that the planned actions within the Local Delivery Plan are affordable, the Chief Executive, with the assistance of the Director of Finance, shall be responsible for the annual development and updating of the NHS Borders Strategic Financial Plan.
- 3.6 The Strategic Financial Plan shall include a statement of the significant assumptions and risks on which the Plan is based and comprise both Revenue and Capital components, and shall be compiled within available resources, as determined by reference to the Revenue Resource Limit and Capital Resource Limit as notified or indicated by the Scottish Government Health and Social Care Department, and as forecast for subsequent periods.
- 3.7 The Strategic Financial Plan shall be submitted to the Strategy and Performance Committee for detailed scrutiny and risk assessment, following which the Committee shall be responsible for recommending approval of the Strategic Financial Plan by the Board.
- 3.8 The Strategic Financial Plan shall be an appendix to the Local Delivery Plan and shall be reconcilable to an annual update of the financial planning returns which the Director of Finance will prepare and submit to the Scottish Government Health Department, in accordance with guidance or direction issued from time to time.
- 3.9 The Board Executive Team is responsible for the development and approval of operational financial plans which shall be:-
- consistent with the Local Delivery Plan as submitted to Scottish Government
 - in accordance with the aims and objectives set out in the annual Local Health Plan;
 - prepared within the limits of available funds;
 - identify potential risks; and
 - analyse both funds available and proposed expenditure between that which is recurring and that which is non-recurring.

Control

- 3.10 The Director of Finance shall ensure that adequate financial and statistical systems are in place to monitor and control income and expenditure and to facilitate the compilation of financial plans, estimates and any investigations which may be required from time to time.
- 3.11 The Director of Finance shall devise and maintain systems of budgetary control and all officers whom the Board may empower to engage staff or otherwise incur expenditure or to collect or generate income, shall comply with the requirements of those systems. The systems of budgetary control shall incorporate the reporting of

(and investigation into) financial, activity or workforce variances from budget. The Director of Finance shall be responsible for providing budgetary information and advice to enable the Chief Executive and other officers to carry out their budgetary responsibilities.

- 3.12 The Chief Executive may, within limits approved by the Board, delegate authority for a budget or a part of a budget to the individual officer or group of officers who will be responsible for the activities provided for within that budget. The terms of delegation shall include a clear definition of individual and group responsibilities for control of expenditure, exercise of virement, achievement of planned levels of service and the provision of regular reports upon the discharge of those delegated functions to the Chief Executive. Responsibility for overall budgetary control, however, shall remain with the Chief Executive.
- 3.13 Except where otherwise approved by the Chief Executive, taking account of advice of the Director of Finance, budgets shall be used only for the purpose for which they were provided and any budgeted funds not required for their designated purpose shall revert to the immediate control of the Chief Executive, unless covered by powers of virement delegated by him or her. Where an underspend in the integrated budget occurs as a direct result of planned actions by the IJB, the underspend will be retained by the IJB for reallocation.
- 3.14 Expenditure for which no provision has been made in an approved budget shall only be incurred after authorisation by the Chief Executive, subject to his/her authorised virement limit.
- Delegated authority is granted as set out in the Scheme of Delegation, this includes authority to approve the transfer of funds up to this level between budget heads, including transfers from reserves and balances.
- 3.15 The Director of Finance shall keep the Chief Executive and the Board informed of the financial consequences of changes in policy, pay awards, and other events and trends affecting budgets, and shall advise on the financial and economic aspects of future plans and projects.
- 3.16 There is a duty requiring the Chief Executive, other officers and agents of NHS Borders, not to exceed approved budgetary limits.
- 3.17 The Chief Executive is responsible for the negotiation of funding for the provision of services in accordance with the Local Delivery Plan and for establishing the arrangements for the cross-boundary treatment of patients in accordance with the guidance of the Scottish Government Health and Social Care Department. In carrying out these functions the Chief Executive shall take into account the advice of the Director of Finance regarding:
- Costing and pricing of services;
 - Payment terms and conditions;
 - Arrangements for funding in respect of patients from outwith the Borders area, and for the funding of the treatment of Borders residents other than by NHS Borders.
- 3.18 The Chief Executive shall also be responsible for negotiating agreements for the provision of support services to/from other NHS Bodies
- 3.19 Non-recurring funds should not be used to finance recurring expenditure without the approval of the Chief Executive.

Reporting

- 3.20 Any substantial funds arising from inability to action, or delay in the implementation of projects approved by the Board, shall be reported in the first instance by the Chief Executive, together with advice on the use of such funds, to the Strategy and Performance Committee. The Committee shall report as appropriate to the Board.
- 3.21 The Director of Finance shall produce a regular Financial Report for submission to the Board. This report shall highlight any significant in-year variance from the Strategic Financial Plan together with a forecast of the outturn position for the financial year concerned, and shall recommend any proposed corrective action.
- 3.22 In order to fulfil these responsibilities, the Director of Finance shall have right of access to all budget holders on budgetary related matters.

SECTION 4

BUDGETARY CONTROL AND MONITORING

Delegation of Budgets

- 4.1 The Chief Executive may delegate the management of a budget to the Clinical Executive or individual employees, to permit the performance of a defined range of activities. Responsibility for overall budgetary control, however, shall remain with the Chief Executive.
- 4.2 The delegation must be in writing and be accompanied by a clear definition of the:
- amount of the budget;
 - purpose(s) of each budget heading;
 - individual and group responsibilities;
 - authority to exercise virement;
 - achievement of planned levels of service; and
 - provision of regular reports.
- 4.3 In carrying out their duties:
- The Chief Executive and all budget holders with delegated authority shall not exceed the budgetary or virement limits set by the Board;
 - Budget holders shall strictly observe the budgetary limits and control procedures set for them by the Chief Executive;
 - The Chief Executive may vary the budgetary limit of a budget holder within the Chief Executive's own budgetary limit;
 - Officers shall not use non-recurring budgets on recurring expenditure.
- 4.4 All budget holders must provide information as required by the Director of Finance to enable budgets to be compiled.
- 4.5 The Director of Finance has a responsibility to ensure that adequate training is delivered on an on-going basis to budget holders to help them manage successfully.

- 4.6 The Chief Executive and delegated budget holders must not exceed the budgetary total or virement limits set by the Board.

Budgetary Control and Reporting

- 4.8 The Director of Finance will devise and maintain systems of budgetary control. These will include:
- monthly financial reports to the Board in a form approved by the Board containing:
 - income and expenditure to date showing trends and forecast year end position;
 - capital project spend and projected outturn against plan;
 - explanations of any material variances from plan;
 - details of any corrective action where necessary and the Chief Executive's and/or Director of Finance's view of whether such actions are sufficient to correct the situation;
 - the issue of timely, accurate and comprehensible advice and financial reports to each holder of a budget, covering the areas for which they are responsible;
 - investigation and reporting of variances from financial, workload and manpower budgets;
 - monitoring of management action to correct variances; and
 - arrangements for the authorisation of budget transfers.
- 4.9 Each holder of a budget with prior consent of their line manager is responsible for ensuring that:
- any likely overspending or reduction of income which cannot be met by virement is not incurred without the prior consent of the Board;
 - the amount provided in the approved budget is not used in whole or in part for any purpose other than that specifically authorised subject to the rules of virement; and
 - no permanent employees are appointed without the approval of the General Manager/Head of Service other than those provided for in the budgeted establishment as approved by the Board.
- 4.10 Expenditure for which no provision has been made in an approved budget and not subject to funding under the delegated powers of virement shall only be incurred after authorisation by the Chief Executive or the Board as appropriate.
- 4.11 No budget holder may charge expenditure to a budget for which they are not the budget holder without the express authority of the authorised budget holder.
- 4.12 The Chief Executive is responsible for identifying and implementing cost improvements and income generation initiatives in accordance with the requirements of the Local Delivery Plan and a balanced budget.
- 4.13 Except where otherwise approved by the Chief Executive, taking account of advice of the Director of Finance, budgets shall be used only for the purpose for which they were provided and any budgeted funds not required for their designated purpose shall revert to the immediate control of the Chief Executive, unless covered by delegated powers of virement. Any substantial funds arising from inability to action, or delay in the implementation of projects approved by the Board, should be reported to the Board by the Chief Executive, together with advice on the use of such funds.

- 4.14 Budget holders are required to take such action as may be required following the receipt of their budget reports from the Director of Finance to ensure that their budgetary objectives are met.

Establishment Control

- 4.15 The Director of Finance shall be responsible for designing a system of establishment control. The funded establishment of any department may only be varied in accordance with the approved establishment control system.

Virement

- 4.16 The Board is responsible for agreeing the rules applying to virement between budgets. These are contained in the Board's Scheme of Delegation.

Capital Expenditure

- 4.17 The Chief Executive will submit capital plans for the Board's approval and following on from this submit for Board approval all business cases required to be submitted to SGH&SCD.
- 4.18 The general rules applying to delegation and reporting shall also apply to capital expenditure.

Monitoring Returns

- 4.19 The Chief Executive is responsible for ensuring that the appropriate monitoring forms are submitted to SGH&SCD.

SECTION 5

COMMISSIONING/PROVIDING HEALTH CARE SERVICES

- 5.1 The Chief Executive, in conjunction with the Director of Finance, shall be responsible for ensuring that all services required or provided are covered by a series of service agreements or, if not, that adequate funds are retained or requested to pay for services obtained outside service agreements, all within the context of the approved Local Delivery Plan and Corporate Strategic Financial Plan. They shall be responsible for ensuring that the total service framework is affordable within the overall Revenue and Capital Resource Limits set by the Scottish Government Health and Social Care Department.
- 5.2 The Chief Executive is responsible for ensuring that service agreements are placed with due regard to the need to achieve best value and will personally authorise all agreed service agreements for health care purchases.
- 5.3 The Director of Finance is responsible for agreeing to the financial details contained in those service agreements agreed by the Board.
- 5.4 The Chief Executive is responsible for establishing robust financial arrangements, in accordance with guidance from the Scottish Government Health Department, for the

treatment of Borders residents by other NHS systems, or by the private sector, and for the treatment of residents of other health systems within NHS Borders.

- 5.5 The Director of Finance is responsible for maintaining a system for the rendering and payment of service agreements invoices in accordance with the terms of service agreements, or otherwise in accordance with national guidance.
- 5.6 The Director of Public Health in his capacity as Caldicott Guardian, is responsible for ensuring that all systems operate in a way to maintain the confidentiality of patient information as set out in the Data Protection Act 1998 under Caldicott guidance.

SECTION 6

ANNUAL REPORT AND ACCOUNTS

- 6.1 The Board is required under the terms of Section 86(3) of the National Health Service (Scotland) Act 1978 to prepare and transmit Annual Accounts to Scottish Ministers.
- 6.2 Scottish Ministers have issued Accounts Directions in exercise of the powers conferred by Section 86(1) of the National Health Service (Scotland) Act 1978 which contain the following provisions:

Basis of Preparation

Annual Accounts shall comply with:

- Generally accepted International financial reporting standards as applied to the NHS;
- The accounting and disclosure requirements of the Companies Act;
- All relevant accounting standards issued or adopted by the Accounting Standards Board, as they apply to the NHS and remain in force for the financial year for which the accounts are to be prepared;
- The historical cost convention modified by the inclusion of fixed assets at their value to the business by reference to current costs; and stocks at the lower of net current replacement cost (or historical cost if this is not materially different) and net realisable value.

Form of Accounts

The Annual Accounts shall comprise:

- A foreword (taken to be the Performance and Accountability Report in the Accounts);
- A Remuneration and Staff Report
- A Statement of Consolidated Comprehensive Net Expenditure (SOCNE);
- A balance sheet;
- A cash flow statement;
- Statement of Taxpayers' Equity
- Accounting Policies
- Such notes as may be necessary for the purposes referred to below.

The Annual Accounts shall give a true and fair view of the income and expenditure, total recognised gains and losses, balance sheet and cash flow statement. Subject to

the foregoing requirement, the annual accounts shall also contain any disclosure and accounting requirements which Scottish Ministers may issue from time to time.

- 6.3 The Director of Finance shall maintain proper accounting records which allow the timeous preparation of the Annual Accounts, in accordance with the timetable laid down by the Scottish Government Health and Social Care Department, and which give a true and fair view of NHS Borders and its expenditure and income for the period in question.
- 6.4 Annual Accounts should be prepared by NHS Borders in accordance with all appropriate regulatory requirements and be supported by appropriate accounting records and working papers prepared to an acceptable professional standard.
- 6.5 Under the terms of the Public Finance and Accountability (Scotland) Act 2000, the Auditor General for Scotland will appoint an external auditor to undertake the audit of NHS Borders annual accounts and report.
- 6.6 The Director of Finance shall agree with the External Auditor a timetable for the production, audit, adoption by the Board of accounts to the Auditor General for Scotland and the Scottish Government Health and Social Care Department. This timetable shall be consistent with the requirements of the Scottish Government Health and Social Care Department.
- 6.7 The Annual Accounts shall be prepared in accordance with the relevant Accounts Direction and Accounts Manual issued by the Scottish Government Health and Social Care Department.
- 6.8 The Chief Executive is responsible for preparing a Governance Statement, and shall seek appropriate assurances, including that of the Chief Internal Auditor, with regard to the adequacy of internal control throughout the organisation.
- 6.9 The Annual Accounts shall be reviewed by the Audit Committee, which has the responsibility of recommending adoption of the Accounts by the Board.
- 6.10 Under the terms of the Public Finance and Accountability (Scotland) Act 2000, Annual Accounts may not be placed in the public domain, prior to them being formally laid before Parliament.
- 6.11 Following the formal approval of the motion to adopt the Accounts by the Board, the Annual Accounts and relevant certificates shall be duly signed on behalf of the Board, and submitted to the External Auditor for completion of the relevant audit certificates.
- 6.12 Signed sets of Annual Accounts shall be submitted to the Scottish Government Health Department, and by the External Auditor to the Auditor General for Scotland.

SECTION 7

BANKING ARRANGEMENTS

- 7.1 The Director of Finance is responsible for managing the Board's banking arrangements and for advising the Board on the provision of banking services and the operation of bank accounts. This advice will take into account such guidance and directions as may be issued from time to time by the Scottish Government.

- 7.2 All arrangements with NHS Borders's bankers and the Government Banking Services will be made by or under arrangements approved by the Director of Finance who shall be authorised by the Board to operate such bank accounts as may be considered necessary.
- 7.3 No officer other than the Director of Finance shall open any bank account in the name of Borders NHS Board.
- 7.4 All funds shall be held in accounts in the name of Borders NHS Board, Borders NHS Board Endowment Fund or Borders NHS Board Patients' Fund. The Director of Finance shall report to the Board on the details of all accounts so opened, including the conditions on which they are operating.
- 7.5 The Director of Finance shall nominate, for each appropriate bank account, the officers, including him/herself, authorised to release monies from each account, on a single signature basis up to a maximum of £5,000. An authorisation schedule will be held by the appropriate Banks and over that limit of £5,000 two signatures will be required. As a minimum, a Senior Finance Manager will fulfil the 2nd signatory for transactions over £5,000.
- 7.6 The Director of Finance shall notify the bankers promptly of the cancellation of any authorisation to draw on the Board accounts.
- 7.7 Cheques processed will be signed by the Director of Finance or other officers authorised by the Strategy and Performance Committee. Where such cheques are for sums in excess of £5,000, two authorised officers will sign.
- 7.8 All cheques (which shall be crossed with 'Not Negotiable - Account Payee Only') to be treated as controlled stationery in the charge of a duly designated officer controlling their issue.
- 7.9 All cheques, postal orders, cash, etc, shall be banked intact promptly, in accordance with the Director of Finance's rules of procedures to the credit of the main account (or, if appropriate, endowment fund/patients' fund interest bearing account. Disbursements shall not be made from cash except under arrangements approved by the Director of Finance.
- 7.10 All arrangements for the receipt and payment of monies using BACS (the Bankers Automated Clearing Service) and CHAPS (The Clearing Houses Automated Payment System) will be made by or under arrangements approved by the Director of Finance.
- 7.11 All arrangements for payments to be made by Standing Order or Direct Debit from any NHS Borders bank account will be made by or under arrangements approved by the Director of Finance.
- 7.12 The use of credit cards will be made by or under arrangements approved by the Director of Finance.

SECTION 8

SECURITY

SECURITY OF CASH AND OTHER ITEMS

- 8.1 The Director of Finance is responsible for designing, maintaining and ensuring compliance with systems for the proper recording, invoicing, collection and coding of all monies due, including income due under service agreements for the provision of patient care services.
- 8.2 All receipt books, tickets, agreement forms, or other means of officially acknowledging or recording amounts received or receivable shall be in a form approved by the Director of Finance. Such stationery shall be ordered and controlled by him or her and subject to the same precautions as are applied to cash, in accordance with the Director of Finance's requirements.
- 8.3 All officers, whose duty it is to collect or hold cash, shall be provided with a safe or with a lockable cash box which will normally be deposited in a safe. The officer concerned shall hold one key and all duplicates shall be lodged with a banker or such other officer authorised by the Director of Finance and suitable receipts obtained. The loss of any key shall be reported immediately to the Deputy Director of Finance Financial Accounting. The Director of Finance shall, on receipt of a satisfactory explanation, authorise the release of the duplicate key. The Director of Finance shall arrange for all new keys to be despatched directly to him or her from the manufacturers and shall be responsible for maintaining register of authorised holders of safe keys.
- 8.4 The safe key-holder shall not accept unofficial funds for depositing in the safe unless deposits are in sealed envelopes or locked containers. It shall be made clear to the depositor that the Board is not to be held liable for any loss and written indemnity must be obtained from the organisation or individual absolving NHS Borders from responsibility for any loss.
- 8.5 During the absence of the holder of a safe or cash box key, the officer who acts in his place shall be subject to the same controls as the normal holder of the key. There shall be written discharge for the safe and/or cash box contents on the transfer of responsibilities and the discharge document must be retained for audit inspection.
- 8.6 All cash, cheques, postal orders and other forms of payment shall normally be received by more than one officer, neither of whom should be a Cashier and shall be entered immediately in an approved form of register which should be signed by both. All cheques and postal orders shall be crossed immediately 'Not negotiable - account payee [Borders NHS Board]'. The remittances shall be passed to the Cashier, from whom a signature shall be obtained in the register.
- 8.7 The opening of coin-operated machines (including telephones) and the counting and recording of the takings in the register shall normally be undertaken by two officers together and the coin box keys shall be held by a nominated officer. The collection shall be passed to the cashier from whom a signature shall be obtained in the register.
- 8.8 The Director of Finance shall prescribe the system for the transporting of cash and uncrossed pre-signed cheques. Wherever practicable, the services of a specialist security firm shall be employed.
- 8.9 All unused cheques, receipts and all other orders shall be subject to the same security precautions as are applied to cash. Bulk stocks of cheques shall normally be retained by the Director of Finance or his nominated officers and released by them only against authorised requisitions.

- 8.10 All Prepayment Certificates and Prescription Pads in Primary Care should be subject to the same security precautions and controls as is applied to cash items.
- 8.11 In all cases where NHS Borders officers receive cash, cheques, credit or debit card payments, empty telephone or other machine coin boxes, etc, personal identity cards must be displayed prominently. Staff shall be informed in writing on appointment by the departmental or senior officers of their responsibilities and duties for the collection, handling or disbursement of cash, cheques, etc.
- 8.12 Any loss or shortfall of cash, cheques etc, shall be reported immediately in accordance with the agreed procedure for reporting losses.
- 8.13 Under no circumstances shall funds managed by the Board be used for the encashment of private cheques or the making of loans of a personal nature.

SECURITY OF PHYSICAL ASSETS

- 8.15 The overall control of fixed assets is the responsibility of the Chief Executive.
- 8.16 Each employee has a responsibility to exercise a duty of care over the property of NHS Borders and it shall be the responsibility of senior staff in all disciplines to apply appropriate routine security practices in relation to NHS property. Persistent breach of agreed security practices shall be reported to the Chief Executive.
- 8.17 Wherever practicable, items of equipment shall be marked as NHS property. Items to be controlled shall be recorded and updated in an appropriate register including all capital assets.
- 8.18 Nominated officers designated by the Chief Executive shall maintain up to date asset registers of items which are capital by definition as well as items classed as 'special' and they shall ensure the responsible designated officers also maintain up to date and accurate copies.
- 8.19 There shall be an approved form of asset register and method of updating.
- 8.20 The items on the register shall be checked at least annually by the nominated officers and all discrepancies shall be notified in writing to the Director of Finance, who may also undertake such other independent checks as he/she considers necessary.
- 8.21 Any damage to premises, vehicles and equipment, or any loss of equipment or supplies shall be reported by staff in accordance with the agreed procedure for reporting losses.
- 8.22 Registers shall also be maintained by responsible officers and receipts retained for:
- Equipment on loan;
 - Leased Equipment;
 - All contents of furnished lettings.
- 8.23 On the closure of any facility, a check shall be carried out and a responsible officer will certify a list of items held showing eventual disposal. The disposal of fixed assets (including donated assets) shall be in accordance with Section 23.

SECTION 9

INCOME

- 9.1 The Director of Finance shall be responsible for designing and maintaining systems for the proper recording, invoicing and collection of all money due.
- 9.2 The Director of Finance is responsible for approving and regularly reviewing the level of fees and charges other than those determined by SGH&SCD.
- 9.3 All officers shall inform the Director of Finance of monies due arising from transactions they initiate, including all contracts, leases, tenancy agreement and any other transactions. The Director of Finance shall approve contracts with financial implications in excess of £5,000. Responsibility for arranging the level of rentals for newly acquired property and for the regular review of rental and other charges shall rest with the Director of Finance who may take into account independent professional advice on matters of valuation.
- 9.4 The Director of Finance shall take appropriate recovery action in all outstanding debts including the establishment of procedures for the write-off of debts after all reasonable steps have been taken to secure payment.
- 9.5 In relation to Income Generation Schemes, the Director of Finance shall ensure that there are systems in place to identify all costs and services attributed to each scheme before introduction and such schemes should only proceed on the basis of providing income in excess of the cost of the scheme.

SECTION 10

PAYMENTS OF ACCOUNTS

- 10.1 The Director of Finance must approve the manual or electronic list of officers authorised to certify invoices, non-invoice payments, and payroll schedules, including where required by the Director of Finance, financial limits to their authority. The Director of Finance will maintain details, together with his or her specimen signatures for manual authorisation. Electronic authorisation must be allocated by effective access control permissions to those approved by the Director of Finance.
- 10.2 The Director of Finance is responsible for the payment of all accounts, invoices and contract claims in accordance with contractual terms and/or the Confederation of British Industries (CBI) Prompt Payment Code. Payment systems shall be designed to avoid payments of interest arising from non-compliance with the Late Payment of Commercial Debts (Interest) Act 1998.
- 10.3 All officers shall inform the Director of Finance promptly of all monies payable by their organisation arising from transactions which they initiate, including contracts, leases, tenancy agreements and other transactions. To assist financial control, a register of regular payments should be created.
- 10.4 FHS Contractor payments and administration has been delegated to National Services Scotland under a Service Level Agreement, National Services Scotland will act as agents of the Board in accordance with the Service Level Agreement.
- 10.5 Where a manual payment system is in place, all requests for payment should, wherever possible, have relevant original invoices or contract payment vouchers attached and shall be authorised for payment by an approved officer from a list of

authorised signatories agreed by the appropriate organisation. Where an electronic payment system has been approved by the Director of Finance, the system must ensure that payment is made only for goods received for which there is an authorised Purchase Order.

- 10.6 The Director of Finance is responsible for designing and maintaining systems for the verification, recording and payment of all amounts payable, including monies relating to clinical services. Certification is required either manually or electronically (within a tolerance level approved by the Director of Finance) for the following:
- Goods have been duly received, examined, are in accordance with specification and order, are satisfactory and that the prices are correct;
 - Work done or services rendered have been satisfactorily carried out in accordance with the order; that where applicable, the materials used were of the requisite standard and that the charges are correct;
 - In the case on contracts based on the measurement of time, materials or expenses, the time charged is in accordance with the time sheets, that the rates of labour are in accordance with the appropriate rates, that the materials have been checked as regards quantity, quality and price and that the charges for the use of vehicles, plant and machinery have been examined;
 - Where appropriate, the expenditure is in accordance with regulations and that all necessary Board or appropriate officer authorisations have been obtained;
 - The account or claim is arithmetically correct;
 - The account or claim is in order for payment;
 - VAT has been recovered as appropriate;
 - Clinical services have been carried out satisfactorily in accordance with Service Agreements and Unplanned Activity arrangements (UNPACs);
 - A timetable and system for submission to the Director of Finance, of accounts for payment with provision shall be made for early submission of accounts, subject to cash discounts or otherwise requiring early payment, and
 - Instruction of staff regarding the handling, checking and payment of accounts and claims within Financial Accounting section of the Finance Directorate.
- 10.7 Budget holders shall ensure, before an order for goods or services is placed, that the purchase has been properly considered and forms part of the department's allocations, agreed business plans, or other known and specific funds available to the department.
- 10.8 The Director of Finance shall ensure that payment for goods and services is only made once the goods and services are received other than under the terms of a specific contractual arrangement.
- 10.9 Budget Holders shall ensure, before an order for goods or service is placed, that the purchase has been properly considered and forms part of the department's allocations, agreed business plans, or other known and specific funds available to the department.
- 10.10 Where an officer certifying accounts or claims relies upon other officers to do preliminary checking he shall, wherever possible, ensure that those who check delivery or execution of work act independently of those who have placed an order and negotiated prices and terms. Budget Managers must therefore ensure, within delegated limits that there is effective separation of duties between:
- The person placing the order;

- The person certifying receipt of goods and services, and;
- The person authorising the invoice manually or electronically

That no one person should undertake all three functions.

- 10.11 In the case of contracts for building or engineering works which require payment to be made on account during progress of the works, the Director of Finance shall make payment on receipt of a certificate from the technical consultant or officer. Without prejudice to the responsibility of any consultant or works officer appointed to a particular building or engineering contract, a contractor's account shall be subject to such financial examination by the Director of Finance and such general examination by a works officer as may be considered necessary, before the person responsible for the contract issues the final certificate. To assist financial control, a contracts register should be created.
- 10.12 Where a contract is based on the measurement of time, materials or expenses, the checks to be carried out must provide confirmation that:
- the time charged is in accordance with the time sheets;
 - the rates of labour are in accordance with the appropriate rates;
 - the materials have been checked as regards quantity, quality, and price;
 - the charges for the use of vehicles, plant and machinery have been examined.
- 10.13 The Director of Finance may authorise advances on the imprest system for petty cash and other purposes as required. Individual payments must be restricted to the amounts authorised by the Director of Finance and appropriate vouchers obtained and retained in accordance with the policy on culling and retention of documents.
- 10.14 NHS Borders officers responsible for commissioning self employed contractors (who were previously employees of the Board or other NHS bodies) must ensure that, subject to their delegated authority and before any work assignment is agreed, that evidence is obtained from the self employed contractor that confirms their status to ensure that NHS Borders is not held liable for Income Tax and National Insurance by the Inland Revenue. This evidence must be submitted to the Director of Finance.
- 10.15 Advance Payment for supplies, equipment or services shall not normally be permitted. Should exceptional circumstances arise, any proposal must be submitted to the Director of Finance at the earliest opportunity. The Director of Finance shall take appropriate advice in determining a course of action.
- 10.16 Advance payments to general medical practitioners and community pharmacists shall comply with the specific contractor NHS plans and regulations.
- 10.17 The budget holder is responsible for ensuring that all items due under a payment in advance contract are received and he must inform the Director of Finance or Chief Executive immediately problems are encountered.

SECTION 11

CONSTRUCTION INDUSTRY SCHEME

- 11.1 The scheme is to be administered in accordance with guidance supplied by HM Revenue and Customs, booklet CIS348.

- 11.2 In the event of any doubt, the Deputy Director of Finance (Financial Accounting) Financial Accounting (Newstead), will determine whether a payment should be made gross or net of deduction of tax and shall consult with the HMRC, as necessary.
- 11.3 The Director of Finance is responsible for remitting to the HMRC any tax deducted from payments made to sub-contractors. The Director of Finance must ensure that this is done in accordance with the timetable(s) set out in CIS348, as appropriate.

SECTION 12

PAYMENT OF SALARIES AND WAGES

- 12.1 Staff may be engaged or regraded only by authorised officers within the limit of the approved budget and establishment when agreed by the Chief Executive or other authorised officer unless following successful grading appeals.
- 12.2 The Remuneration Committee of the Staff Governance Committee will approve any changes to the remuneration, allowances and conditions of service of the Chief Executive and other Directors in accordance with the Code of Corporate Governance.
- 12.3 The Director of Finance is responsible for:
- specifying timetables for submission of properly authorised time records and other notifications;
 - ensuring the processing of payroll data;
 - making payment on agreed dates and
 - agreeing the method of staff payment.
- 12.4 The Director of Workforce & Planning shall be responsible for issuing contracts of employment and for dealing with variations to, or termination of, contracts of employment.
- 12.5 Each employee shall be issued with a contract which shall comply with current employment legislation and be in a form approved by the Board.
- 12.6 A signed copy of the engagement form and such other documents necessary for the payment of staff as they may require shall be sent to the Senior Accountant (Financial Accounting) immediately upon the employee commencing duty.
- 12.7 A termination of employment form and such other documents as they may require, for payment purposes, shall be submitted to the Senior Accountant (Financial Accounting) immediately upon the effective date of an employee's resignation, retirement or termination being known. Where an employee fails to report for duty in circumstances which suggest that he or she has left without notice, the Senior Accountant (Financial Accounting) shall be informed immediately.
- 12.8 A notification of change form shall be sent to the Senior Accountant (Financial Accounting) by the Director of Workforce & Planning immediately upon the effective date of any change in state of employment or personal circumstances of an employee being known.
- 12.9 Where the personnel and payroll systems are connected by an electronic interface the requirement for contract/engagement forms, termination of employment forms and notification of change forms to be sent to the Senior Accountant (Financial Accounting) may be altered to allow for such information to be transmitted by

electronic means providing always that appropriate procedures for such transmissions are agreed by the Director of Finance.

- 12.10 All time records, staff returns and other pay records and notifications shall be in a form approved by the Director of Finance and shall be certified and submitted in accordance with his instructions. Where this information is transmitted by electronic means, appropriate procedures covering such transmissions require to be agreed by him or her.
- 12.11 Subject to the limits laid down in the Scheme of Delegation, all early retirements which result in additional costs being borne by the employer will be submitted to the Remuneration Committee. The Chair shall personally authorise payments in respect of the Chief Executive, and the Chief Executive shall personally authorise payments in respect of all other employees, following approval by the Remuneration Committee.
- 12.12 The Director of Workforce and Planning and the Director of Finance shall be jointly responsible for ensuring that rates of pay and relevant conditions of service are in accordance with current agreements. The Chief Executive or the Remuneration Committee in appropriate circumstances, shall be responsible for the final determination of pay, but subject to the statutory duty of the Director of Finance, who shall issue instructions regarding:
- Verification of documentation or data;
 - The timetable for receipt and preparation of payroll data and the payment of staff;
 - Maintenance of subsidiary records for Superannuation, Income Tax, National Insurance and other authorised deductions from pay;
 - Security and confidentiality of payroll information in accordance with the principle of the Data Protection Act, 1984;
 - Checks to be applied to completed payroll before and after payment;
 - Authority to release payroll data to a Security firm, if applicable;
 - Methods of payment available to various categories of staff;
 - Procedures for payment of cheques, bank credits or cash to staff;
 - Procedures for unclaimed wages which should not be returned to salaries and wages staff;
 - Pay advances authorised in paragraph 12.16 and their recovery;
 - Maintenance of regular and independent reconciliation of adequate control accounts;
 - Separation of duties of preparing records and handling cash;
 - A system to ensure the recovery from leavers of sums due by them; and
 - A system to ensure recovery or write-off of payment of pay and allowances.
- 12.13 The Director of Finance or Director of Workforce and Planning shall have the right to request work rosters or any other supporting information to ensure that correct payments are made to staff.
- 12.14 The Remuneration Committee shall approve performance assessments and salary uplifts of the Chief Executive and all other Executive and Senior Management posts.
- 12.15 The Medical Director and Director of Workforce and Planning, acting together and with the agreement of the Chair of the Remuneration Committee, are given delegated authority to approve payments, in circumstances where recruitment has to be actioned urgently and requires agreement for expedience reasons. Where such approval is given, powers are delegated to the Director of Workforce and Planning to

agree appropriate contractual arrangements. There is a requirement for such payments to be homologated at the following Remuneration Committee.

- 12.16 The Director of Finance shall ensure salaries and wages are paid on the currently agreed dates, but may vary these when necessary due to special circumstances (e.g. Christmas and other Bank Holidays). Payment to an individual shall not be made in advance of normal pay, except:-

- To cover a period of authorised leave involving absence on the normal pay day; or
- As authorised by the Chief Executive or Director of Finance to meet special circumstances and limited to the net pay due at the time of payment.

All employees shall be paid by bank credit transfer monthly unless otherwise agreed by the Director of Finance.

SECTION 13

TRAVEL, SUBSISTENCE AND OTHER ALLOWANCES

- 13.1 The Director of Finance shall ensure that all expense claims by employees of NHS Borders or outside parties are reimbursed in line with the relevant national pay agreements or otherwise approved within the authority of the Staff Governance Committee and that all such claims should be supported by receipts wherever possible. Removal expenses will be limited to £6,000, authority has been given to the Medical Staffing Officer to approve to a limit of £8,000 on an individual basis in exceptional circumstances following agreement of the Director of Workforce and Planning. Executive Director removal expenses must be approved by the Remuneration Committee.
- 13.2 All claims for payment of car allowances, subsistence allowances, travelling and incidental expenses will be submitted to the Deputy Director of Finance (Financial Accounting), duly certified in an approved form, and made up to a specified day of each month. The names of officers authorised to sign such records will be sent to the Deputy Director of Finance (Financial Accounting), together with specimen signatures for manual authorisations and an approved list of officers with appropriate access control permissions for electronic authorisation and will be amended on the occasion of any change.
- 13.3 The Chair shall personally authorise all expense claims from the Chief Executive. The Chief Executive shall personally authorise all expense claims from the Executive Directors of the Board.
- 13.4 The Chair shall personally authorise all expense claims from Non-Executive Board Members. In the absence of the Chair, this duty shall be undertaken by the Chief Executive or Director of Finance.
- 13.5 The certification by or on behalf of the Director of a service, or Head of Department shall be taken to mean that the certifying officer is satisfied that the journeys were authorised, the expenses properly and necessarily incurred and that the allowances are properly payable by NHS Borders.
- 13.6 The Director of Finance shall issue additional guidance on the submission of expense claims, specifying the documentation to be used, the timescales to be adhered to and

the required level of authorisation. The express approval of the Director of Finance or Deputy Director of Finance (Financial Accounting) is required for claims which are signed by the claimant after three months of the month of claim. If approval is not given the claimant may submit a grievance in accordance with the appropriate grievance procedure.

SECTION 14

CONTRACTING AND PURCHASING

- 14.1 This section should be read in conjunction with Section E of the Code of Corporate Governance and the Tendering Procedure set out at Appendix 1. These procedures specify the arrangements for the placing of contracts and for the purchase of supplies and equipment.
- 14.2 The requisitioner shall seek to obtain best value through the application of Standing Orders, Standing Financial Instructions and the Tendering Procedure. In so doing, the advice of the appropriate procurement adviser (Procurement, Pharmacy, Estates or IM&T) should normally be followed. Where the requisitioner has sound evidence that this advice is inappropriate or that it is divergent from best professional practice, the Director of Finance or Chief Executive shall be consulted, whose decision shall be final.
- 14.3 Where national, regional or local contracts exist (including framework arrangements), use of these contracts is mandatory. Only in exceptional circumstances and with the authority of the Board's lead Procurement manager or Director of Finance, based on existing schemes of delegation, shall goods or services be ordered outwith such contracts. [CEL 05(2012)]
- 14.4 NHS Borders shall comply as far as is practicable with the Scottish Capital Investment Manual and other Scottish Government Health and Social Care Department guidance on contracting and purchasing.
- 14.5 NHS Borders will utilise the Public Contracts Scotland Portal for the advertisement of all procurement of goods and services, to the value of over £50K, which are not covered by local or national contracts.
- 14.6 European Union Procurement Directives shall have effect as if incorporated in these Standing Financial Instructions.
- 14.7 Orders must not be split or otherwise placed in a manner devised so as to avoid the financial thresholds.

Acceptance and Award by Chief Executive, etc

- 14.8 The Chief Executive as Accountable Officer is authorised to accept tenders and award contracts up to a value of £500,000 (Capital) and £250,000 (Revenue) (including VAT suffered) and where the most economically advantageous tender is to be accepted. Tenders and contracts in excess of this amount will require to be approved by the Board.
- 14.9 The limits for delegation for the acceptance of tenders must be approved by the Board.

Waiver

- 14.10 Formal tendering procedures may be waived by officers to whom powers have been delegated by the Board or Chief Executive as detailed in the Scheme of Delegation within Section E of the Code of Corporate Governance without reference to him or her, where:
- The estimated expenditure or income does not, or is not reasonably expected to, exceed £10,000 (including VAT suffered); or
 - Where the supply is proposed under special arrangements negotiated by the Scottish Government in which event the said special arrangements must be complied with.
- 14.11 Formal tendering procedures may be waived by officers to whom powers have been delegated by the Board or Chief Executive as detailed in the Scheme of Further Delegation within Section E of the Code of Corporate Governance, where:
- The timescale genuinely precludes competitive tendering. Failure to plan the work properly is not a justification for single tender; or
 - Specialist expertise is required and is available from only one source; or
 - The task is essential to complete the project, and arises as a consequence of a recently completed assignment and engaging different consultants for the new task would be inappropriate or;
 - There is a clear benefit to be gained from maintaining continuity with an earlier project. However, in such cases the benefits of such continuity must outweigh any potential financial advantage to be gained by competitive tendering; or
 - Where provided for in the Scottish Capital Investment Manual.
- The exercise of this authority and reason for the decision made must be recorded in the waiver of tender register.
- 14.12 Where it is decided that competitive tendering is not applicable and should be waived, the fact of the waiver and the reasons should be documented and reported by the delegated officers to the Board in a formal meeting and recorded in a register kept for that purpose.

Quotations

- 14.13 Quotations are required where formal tendering procedures are waived.
- 14.14 Where quotations are required they should be obtained from at least three firms/individuals based on specifications and / or statement of requirements prepared by, or on behalf of, NHS Borders.
- 14.15 Quotations should be in writing or by secure electronic means approved by the Chief Executive unless they determine that it is impractical to do so in which case quotations may be obtained by telephone/fax. Confirmation of telephone quotation should be obtained as soon as possible and the reasons why the telephone quotation was obtained should be set out in a permanent record. 'Quick Quote' facility can be utilised as an alternative to the above, this facility is available on the Public Contracts Scotland Portal.

- 14.16 All quotations should be treated as confidential and should be retained for inspection in accordance with NHS Borders Records Retention Schedules.
- 14.17 The Chief Executive or nominated officer should evaluate the quotations and select the one which gives best value. If this is not the lowest then this fact and the reasons why the lowest quotation was not chosen should be in a permanent record and reported to the Director of Finance.
- 14.18 Non-competitive quotations in writing or by secure electronic means approved by the Chief Executive may be obtained for the following purposes with the recorded approval of the Director of Finance where:
- The supply of goods/services of a special character for which it is not, in the opinion of the Chief Executive or their nominated officer, possible or desirable to obtain competitive quotations;
 - The goods/services are required urgently.

Single Tender

- 14.19 The limited application of the single tender rules should not be used to avoid competition or for administrative convenience or to award further work to a external consultant originally appointed through a competitive procedure.

Maintenance Measured Term Contracts

- 14.20 The Director of Finance and Head of Estates shall establish through competitive tendering, for each three year period an approved a list of Maintenance Contractors.
- Works not exceeding a value of £10,000 (including VAT suffered) may be instructed from the maintenance contractors listed on a time and material basis;
 - Works exceeding £10,000 (including VAT suffered) but not exceeding £25,000 (including VAT suffered) will be ordered on the basis of competitive tenders invited from the maintenance contractors listed or other approved contractors;
 - All contractors either listed as maintenance contractors or approved contractors may be invited to tender for works in excess of £25,000 (including VAT suffered).
- 14.21 Where a project exceeds the threshold set out above, for reasons that could not be foreseen before the project commenced, then the justification for continuing to complete the project without going out to tender should be documented on file and be approved by the Director of Finance and Head of Estates unless the revised value exceeds £25,000 (including VAT suffered) in which case the authority of the Chief Executive is required.

Third Party Developer Schemes

- 14.22 Where accommodation is procured through the Third Party Developer Scheme in conjunction with General Medical Practitioners and the District Valuer independently determines the lease rent, the Contract price in this instance will not be set through competitive tender.
- 14.23 Where an NHS Borders organisation procures accommodation through a Third Party Developer but in conjunction with General Medical Practitioners, the District Valuer independently determines the leased rent. The contract price in these instances will not be set through competitive tender.
- 14.24 Irrespective of the authority vested by 13.18 above, the supervising officer will seek to obtain best value through competition from approved jobbing contractors on NHS Borders's list. The supervising officer will ensure strict adherence to the NHS Borders jobbing contractor's conditions of service.

Official Orders

- 14.25 No goods, services or works other than works and services executed in accordance with a contract and purchases from petty cash shall be ordered except on an official order, whether hard copy or electronic, and contractors shall be notified that they should not accept orders unless on an official order form or processed via an approved secure electronic medium. Verbal orders shall be issued only by an officer designated by the Chief Executive and only in cases of emergency or urgent necessity. These shall be confirmed by an official order issued no later than the next working day and clearly marked 'Confirmation Order'. National and Local contracts should be used where available/appropriate.
- 14.26 Official orders shall be consecutively numbered, in a form approved by the Director of Finance and shall include such information concerning prices or costs as he may require. The order shall incorporate an obligation on the contractor to comply with the conditions printed thereon as regards delivery, carriage, documentation, variations etc.
- 14.27 Manual requisition forms shall only be issued to and signed by officers authorised by the Chief Executive. Lists of authorised officers shall be maintained and a copy of such list supplied to the Director of Finance.
- 14.28 No order shall be issued for any item or items for which there is no budget provision or for which no funding has been provided under the delegated powers of virement, unless authorised by the respective Director of Finance on behalf of his Chief Executive. Members and officers must ensure that all contracts, leases, tenancy agreements and other commitments they enter into on behalf of NHS Borders for which a financial liability may result but without secured funding or budget provision are notified to the Director of Finance in advance of any commitment being made.

Purchases from Petty Cash

- 14.29 Purchases from Petty Cash will be restricted in value and by type of purchase and records maintained in accordance with instructions issued by the Director of Finance, and shall not be placed in a manner devised to avoid the financial thresholds specified.

Trial and Lending

- 14.30 Goods e.g. medical equipment shall not be taken on trial or loan in circumstances that could obligate or compromise NHS Borders in a future procurement process.
- 14.31 Arrangements to trial or loan medical equipment should be as directed by the Head of Procurement in line with agreed process.

Management Consultants

- 14.32 Management Consultants are defined as always having two characteristics. Firstly they are engaged to work on specific projects that are regarded as outside the usual business of the NHS Borders and there is an end-point of their involvement, and secondly the responsibility for the final outcome of the project largely rests with NHS Borders. Management Consulting is distinct from 'outsourcing' or 'staff substitution'.
- 14.33 Management Consultants should only be engaged after all other options have been explored. This should include an assessment of whether internal resources could be used instead. Documentary evidence, based on the assessment, should be recorded in the register to be held within Supplies, that benefit will accrue to NHS Borders. The officer responsible for seeking the engagement should carry out the assessment using the standard documentation devised for this purpose. Approval based on the outcome of the assessment, should be given by officers who have delegated authority to approve tenders, and the decision must be reported to the appropriate Committee.
- 14.34 The following guiding principles should be followed for the placing and controlling of all management consultancy assignments. These principles include the recommendations contained in the NHS Circular MEL(1994) 4, which advise health bodies of the results of a review undertaken on the use of Management Consultants and sets out a course of action to be adopted.
- 14.35 In consideration of whether a particular Management Consultant should be accepted, officers shall have regard to whether the Management Consultants are capable of carrying out the assignment, whether value for money will be obtained and whether probity is demonstrated in awarding the contract and these decisions should be formally recorded, using the standard documentation devised for this purpose, in a register held within the Supplies Department.
- 14.36 Appointment of Management Consultants should be through use of National Framework Contract or by competitive tender, where no such Framework exists. This section should be read in conjunction with the detailed tendering procedures contained in section E on approval of tenders by officers to whom powers have been delegated by the Chief Executive and the Tendering Procedure set out in Appendix 2, to the Code of Corporate Governance. Where it is likely that there will be successive assignments, these should also be subject to tender arrangements. It may be appropriate, for follow on assignments to appoint one management consultant under a call off arrangement and to carry out periodic systematic reviews, to be documented in the register held within the Supplies Department, of such contracts, to ensure they are not self perpetuating, thus losing the benefit of commercial competition. To avoid self perpetuation, a clear contract duration with clear contract deliverability or financial cap must be specified.
- 14.37 It is recognised that tender action is not always appropriate. In this event, formal tendering procedures may be waived by officers to whom powers have been

delegated by the Chief Executive as detailed within Section E of the Scheme of Delegation.

- 14.38 Assignments should be made by entering into a contract and not simply by letter. NHS Scotland standard Terms & Conditions of Contract should be used where possible. Variation from standard terms and conditions should be discussed with and approved by the Procurement Steering Group. The agreement should explicitly cover the payment of expenses and place a limit on the amount payable. Receipted invoices should always be provided to support claims for expenses, to ensure that the expenditure has been incurred.
- 14.39 At conclusion of an engagement, an overall review and evaluation for all projects more than £25,000 (inclusive of VAT), should be carried out using the standard documentation devised for this purpose, as formal records of the Management Consultant's effectiveness, by the officer responsible for engaging the Management Consultant, and recorded in the register held within the Supplies Department. Specific issues to be addressed in any review should be:
- Was the work completed on time
 - Were costs contained within the contracted figure
 - Did the consultants carry out all their contractual obligations
 - Were the terms of reference discharged
 - How did the consultants key people perform
 - Were effective and realistic solutions proposed
 - Did the engagement represent value for money
- 14.40 The outcome of the review and evaluation must be reported to the same Committee as the initial assessment was reported to. The degree of record keeping will vary depending on the materiality of the contract.
- 14.41 It should be noted that Professional Adviser fees are exempt from the process contained in sections 14.31 to 14.38 above. Professional Advisers are defined as having two characteristics. Firstly they are engaged on work that is an extended arm of the work done in-house and secondly they provide an independent check. Examples include professional advice on the treatment of VAT, work carried out in relation to ratings revaluations/appeals. Professional Advisers fees relating to capital projects such as architects, quantity surveyors, structural engineers etc. are also exempt from this process.

Property Advisers

- 14.42 The Scottish Government Health Department Property Transaction Manual 2000 states that all external professional advisers, including Property Advisers, Independent Valuers and other valuers or consultants if engaged, should be appointed by competitive tender unless the fees for the work are estimated at less than £1,000 when fee negotiation may be adopted. The Valuation Office Agency offers a valuation service and may be included in the list of those invited to tender for this work.

Invitation to Tender

- 14.43 NHS Borders shall ensure, through utilisation of the Public Contracts Scotland Portal and pre qualification questionnaires, PQQ, the appropriate selection of prospective tenders. The short listed invitees would normally consist of six, and in no case less than three, firms/individuals, having regard to their capacity determined through PQQ utilisation to supply the goods or materials or to undertake the services or works required.
- 14.44 NHS Borders shall ensure that tenders will be invited following the process of contract advertisement with in the Public Contracts Scotland Portal, or through Frameworks Scotland or 'hub' South East Scotland Territory Partnering Agreement.

Contracts

- 14.45 NHS Borders may only enter into contracts within their statutory powers and shall comply with:
- Standing Orders;
 - Standing Financial Instructions;
 - EU Directives and other statutory provisions;
 - Any relevant directions including the Scottish Capital Investment Manual and guidance on the Use of Management Consultants;
 - Such of the NHS Standard Contract Conditions as are applicable.
- 14.46 Where specific contract conditions are considered necessary by the lead officer appointed by the Chief Executive or Director of Finance, or by the Project Team/Board, where appropriate, advice shall be sought from suitably qualified persons. Where this advice is deemed to be legal advice, this must be sought from the Central Legal Office.
- 14.47 Where appropriate, contracts shall be in or embody the same terms and conditions of contract as was the basis on which tenders or quotations were invited.
- 14.48 In all contracts made by NHS Borders, Members and officers shall endeavour to obtain best value. The Chief Executive or Director of Finance shall formally nominate an officer who shall oversee and manage each contract.
- 14.49 All contracts entered into shall contain standard clauses empowering NHS Borders to:
- Cancel the contract and recover all losses in full where a company or their representative has offered, given or agreed to give, any inducement to staff or officials;
 - Recover all losses in full or enforce specific performance where goods or services are not delivered in line with contract terms.
- 14.50 The Director of Finance shall ensure that the arrangements for financial control and financial audit of building and engineering contracts JCT, Frameworks Scotland NEC3, 'hub' and property transactions comply with the guidance contained within the current version of the NHS Scotland Property Transactions Handbook and the Scottish Capital Investment Manual - SCIM. The technical audit of these contracts shall be the responsibility of the relevant Director.
- 14.51 Contracts shall be executed on behalf of the Board as follows:-

- A contract which is executed in the form of an attested deed shall be subscribed on behalf of the Board by the Chair or Vice-Chair and Chief Executive and the Common Seal shall be affixed to it where required.
- A contract in writing, but not in deed form, shall be executed on behalf of the Board by the Chief Executive or other officer acting on their authority.
- A contract which may be validly made verbally may be made on behalf of the Board by the Chief Executive or other officer acting on their authority, but shall be confirmed in writing.
- A building, engineering property or capital contract should be signed by the Chief Executive or other officer acting on their authority.
- Any document required to be completed on behalf of the Board in connection with legal proceedings, including the acquisition and disposal of property, shall be signed in accordance with Ministerial direction.

Acceptance of Financial Assistance, Gifts and Hospitality, and Declaration of Interests

- 14.52 The principles relating to the acceptance of financial assistance, gifts and hospitality from commercial sources and declaration of interest are stated in Section C of the Code of Corporate Governance.
- 14.53 Where the maintenance of a register is referred to for recording interests in contracts or receipt of gifts/inducements, a register will be maintained by the Chief Executive.
- 14.54 No order shall be issued for any item or items, for which an offer of gifts (other than low cost items, e.g. calendars, diaries, pens and like value items) or hospitality has been received, from the person interested in supplying goods or services. Any officer receiving such an offer shall notify his senior officer as soon as is practicable.
- 14.55 Visits at supplier's expense to inspect equipment, etc. should only be undertaken in exceptional circumstances and must have the prior written approval of the Chief Executive.

SECTION 15

STORES

- 15.1 Subject to the responsibility of the Director of Finance for the systems of control, the overall control of stores, except for pharmaceutical stocks, shall be the responsibility of designated officers. The day to day management may be delegated to departmental officers and Stores Manager/Keepers, subject to such delegation being entered in a record available to the Director of Finance. The control of pharmaceutical stocks shall be the responsibility of the Director of Pharmacy.
- 15.2 The responsibility for security arrangements and the custody of keys for all stores' locations shall be clearly defined in writing by the Head of Estates/Director of Pharmacy and the designated officer referred to in the above clause in the case of the Board. Wherever practicable, stocks shall be marked as health service property.
- 15.3 All stores records shall be in such form and shall comply with such system of control as the Director of Finance shall approve.
- 15.4 All goods received shall be checked as regards quantity and/or weight and inspected as to quality and specifications. A delivery note shall be obtained from the supplier

at the time of delivery and shall be manually signed or receipt acknowledged electronically by the person receiving the goods. Instructions shall be issued to staff covering the procedure to be adopted in those cases where a delivery note is not available. Particulars of all goods received shall be entered on a goods received record or input to computer file on the day of receipt. Where goods received are seen to be unsatisfactory or short on delivery they shall be accepted only on the authority of the designated Supplies/Pharmaceutical Officer and the supplier shall be notified immediately.

- 15.5 The issue of stores shall be supported by an authorised requisition and a receipt for stores issued shall be given to the Supplies/Pharmaceutical Department, independent of the Storekeeper. Where a 'topping-up' system is used, a record shall be maintained in a form approved by the Director of Finance (such a form may be electronic in place of paper). Regular comparisons shall be made of the quantities issued to wards/departments, etc and explanations recorded of significant variations.
- 15.6 Requisitions whether for stock or non-stock items may be transmitted electronically and not held in paper form providing always that appropriate procedures for such transmissions are agreed by the Director of Finance.
- 15.7 All transfers and returns shall be recorded on forms provided for the purpose and approved by the Director of Finance.
- 15.8 Breakages and other losses of goods in stores shall be recorded as they occur, and a summary shall be presented to the Director of Finance at regular intervals. Tolerance limits shall be established for all stores subject to unavoidable loss, e.g. shrinkage in the case of certain foodstuffs and natural deterioration of certain goods.
- 15.9 Stocktaking arrangements shall be agreed with the Director of Finance and there shall be a physical check covering all items in store at least once a year. The physical check shall involve at least one other officer other than the Storekeeper and the Director of Finance shall have the right to attend, or be represented at their discretion. The stocktaking records shall be numerically controlled and signed by the officers undertaking the check. Any surplus or deficiency revealed on stocktaking shall be reported immediately to the Director of Finance, and he may investigate as necessary. Any known losses of stock items not under the control of the stores department shall be reported to the Director of Finance.
- 15.10 Where a complete system of stores control is not justified, alternative arrangements shall require the approval of the Director of Finance.
- 15.11 The designated Officers/Pharmaceutical Officer shall be responsible for a system approved by the Director of Finance for a review of slow-moving and obsolete items for condemnation, disposal, and replacement of all unserviceable articles. The designated Supplies/Pharmaceutical Officer shall report to their Chief Executive any evidence of significant overstocking and of any negligence or malpractice (see also Section 23).
- 15.12 Instructions for stock-take and basis of valuation will be issued at least once per year by the Director of Finance where appropriate.

SECTION 16

LOSSES AND SPECIAL PAYMENTS

- 16.1 Any officer discovering or suspecting a loss of any kind must inform their head of department, who must immediately inform the Director of Finance. Where a criminal offence is suspected, the Counter Fraud Policy and Action Plan must be applied.
- 16.2 The Director of Finance shall maintain a losses and compensation register in which details of all losses shall be recorded as they are known. Write-off action shall be recorded against each entry in the register.
- 16.3 Losses are classified in accordance with SFR 18.1 'Details of Losses and Special Payments' issued by the Scottish Government Health and Social Care Department in the NHS Board's Accounts Manual for Accounts.
- 16.4 In accordance with the Scheme of Delegation, the Chief Executive may, acting together with the Director of Finance, or any officer, approve the writing-off of losses within the limits delegated to the Board by the Scottish Government Health and Social Care Department.

SECTION 17

ENDOWMENT FUNDS

- 17.1 Endowment (or non-exchequer) Funds are those gifts, donations and endowments made under the relevant charities legislation and held on trust for purposes relating to the National Health Service, the objects of which are for the benefit of the National Health Service in Scotland. They are administered by the Board acting as trustees. An Endowment Fund Board of Trustees will be responsible for the management of the Board's Endowments Funds.
- 17.2 The foregoing sections of these Standing Financial Instructions shall apply to the Endowment Funds of the Board, except that expenditure from Endowment Funds shall be restricted to the purposes of the appropriate Fund and made only with the approval of the respective Trustees.
- 17.3 All Members of the Board, appointed by Scottish Ministers, are by virtue of their appointment Trustees of the Borders NHS Board Endowment Fund. By virtue of his appointment, the Chair of NHS Borders is also appointed Chair of the Board of Endowment Fund Trustees. By virtue of their appointment by Scottish Ministers, Executive and Non-executive Members of NHS Borders Board are "ex officio" Trustees of NHS Borders Endowment Fund. The Vice Chair shall be elected by the Trustees.
- The Trustees have specific responsibilities:
 - Acting together and individually with all other Trustees;
 - Control cannot be delegated to staff or fund managers;
 - Must have an understanding of ideals and purposes of the Endowment Fund;
 - Cannot carry out activities beyond the remit within the appropriate legislation;
 - Money can only be spent for charitable purposes within the remit of the charity or the purposes of a restricted fund;
 - Transactions entered into by Trustees, which although legal but are outwith the Charity's objectives and are deemed to be 'ultra vires', and could lead to the Trustees being personally liable for any loss incurred by the Endowment Fund.
- 17.4 Meetings of the Board of Trustees shall be held not less than four times per annum. Meetings will be quorate when at least five Trustees are present. In the absence of the Chair, the Vice Chair shall preside. In the absence of both the Chair and the Vice Chair, the Trustees shall nominate a Chair for the meeting.
- 17.5 The remit of the Board of Trustees is:
- Approve an annual budget for Unrestricted Funds based on recommendations from the Endowment Advisory Group
 - Consider expenditure proposals based on recommendations from the Endowment Advisory Group
 - Consider fund raising proposals as recommended by the Fundraising Sub Group
 - Ensure that funds received for specific purposes are used in accordance with the expressed wishes of the legator or donor so far as is reasonably practical
 - Appoint an Investment Advisor to the Fund and review their performance over the agreed contract period
 - Determine the investment policy, taking cognisance of the capital value necessary to generate the required level of income and monitor the performance of the investments within that policy on a regular basis

- Taking account of advice from the Investment Advisor, authorise investment / disinvestment decisions. Investments to be reviewed with the Investment Advisor not less than twice per annum
 - Appoint an Auditor to the Endowment Fund
- 17.6 Under the Law Reform (Miscellaneous Provisions) (Scotland) Act 1990 the Trustees have a responsibility to:-
- Provide on request an up to date annual report and set of accounts in a form and content consistent with the requirements of the Act;
 - Control and manage the finances of the Endowment Fund, ensure proper accounts are kept as required by Statute, regulations and reported in a form prescribed as best practice in the Statement of Recommended Practice - SORP;
 - Control the investment policy and monitor the performance of the investments within that policy on a regular basis;
 - Prepare an annual statement of accounts comprising an Income and Expenditure Statement, Balance Sheet and Cash Flow Statement, together with additional information by way of notes all consistent with the requirements laid down under SORP;
 - The annual statement of accounts must be approved by the Trustees and signed by one of their members on their behalf and as authorised by them.
- 17.7 The Director of Finance shall ensure that annual accounts are prepared as soon as possible after the year end and in accordance with the Charities (Scotland) Act 1992, and that proper arrangements are made for these to be subject to audit by a separately appointed External Auditor.
- 17.8 The Director of Finance shall maintain such accounts and records as may be necessary to record and protect all transactions and funds of the Trustees as Trustees of Endowment Funds, including an Investments Register consistent with the current statutory requirements (Law Reform (Miscellaneous Provision) (Scotland) Act 1990).
- 17.9 All share and stock certificates and property deeds shall be deposited either with the Trustee's Board's Bankers or Investment Advisers, or in a safe, or a compartment within a safe, to which only a designated responsible officer will have access.
- 17.10 The ownership of all shares and stock certificates, if managed by a commercial concern, shall be periodically verified by the auditors appointed by the Trustees.
- 17.11 All gifts, donations and proceeds of fundraising activities which are intended for Endowment Funds shall be handed immediately to the Director of Finance, or an officer nominated by him or her for the purpose, to be banked directly into the appropriate Endowment Fund, subject to the local use of smaller amounts as agreed from time to time.
- 17.12 All gifts accepted shall be received and held in the name of appropriate Trustees and administered in accordance with the Trustees' policy, subject to the terms of specific Funds.
- 17.13 As Trustees may accept gifts for specific and non-specific purposes relating to the Health Service, officers shall, in cases of doubt or where there are material revenue

expenditure consequences, consult the Director of Finance before accepting any gifts.

- 17.14 The Director of Finance shall be required to advise the appropriate Trustees on the financial implications of any proposal for fundraising activities which the Board may initiate, sponsor or approve under the guidance contained in Circular No 1981 (GEN) 34.
- 17.15 The Director of Finance shall be kept informed of all enquiries regarding legacies and shall keep an appropriate record. After the death of a testator, all correspondence concerning a legacy shall be dealt with on behalf of the appropriate Trustees by the Director of Finance who alone shall be empowered to give an executor a good discharge.
- 17.16 Where it becomes necessary for the Trustees to obtain a grant of probate, or to make an application for Confirmation of Executor in order to obtain a legacy due to the Trustees under the terms of a will, the Director of Finance shall be the Trustees' nominee for the purpose.
- 17.17 Non-Exchequer Funds shall be invested by the Director of Finance in accordance with Board policy and subject to statutory requirements. The Director of Finance shall have authority to obtain professional advice on investments.
- 17.18 The Endowment Fund Board of Trustees is required to review its Terms of Reference on an annual basis.

SECTION 18

PRIMARY CARE CONTRACTORS

- 18.1 In line with Scottish Government arrangements, the Practitioner Services Division (PSD) of National Services Scotland is the payment agency for all Family Health Services (FHS) contractor payments:-
- Primary Medical Services;
 - Prescribing;
 - General Dental Services
 - General Pharmaceutical Services
 - General Ophthalmic Services
- 18.2 The Director of Finance shall conclude a 'Service Level Agreement' with the PSD covering administration of primary care contractors, payment validation, monitoring and reporting and the provision of an payment verification process conducted by National Services Scotland.
- 18.3 The Primary Care Contracts Manager (NHS Lothian) will approve additions to, and deletions from, approved lists of contractors, taking into account the health needs of the local population, and the access to existing services. All applications and resignations received will be dealt with equitably, within any time limits laid down in the contractors' NHS Terms and Conditions of Service.
- 18.4 The Primary Care Contracts Manager (NHS Lothian) will:-

- Ensure that lists of all Primary Care contractors, are maintained and kept up to date; and
 - Ensure that systems are in place to deal with applications, resignations, inspection of premises, etc, within the appropriate contractor's terms and conditions of service.
- 18.5 The Director of Finance shall ensure that National Services Scotland systems are in place to provide assurance that:
- Only contractors who are included on the Board's approved lists receive payments;
 - All valid contractors' claims are paid correctly, and are supported by the appropriate documentation and authorisations;
 - All payments to third parties are notified to the General Practice Independent Contractors on whose behalf payments are made;
 - Ensure that regular independent post payment verification of claims is undertaken to confirm that:
 - Rules have been correctly and consistently applied;
 - Overpayments are prevented wherever possible; if, however, overpayments are detected, recovery measures are initiated;
 - Fraud is detected and instances of actual and potential fraud are followed up.
 - Exceptionally high/low payments are brought to his/her attention;
 - Payments made on behalf of the Board by National Services Scotland are pre-authorised;
 - Payments made by the National Services Scotland are reconciled with the cash draw-down reported by the Scottish Government to Health Boards.
- 18.6 The Director of Finance shall issue operating procedures to cover all payments made by National Services Scotland (both payments made directly and payments made on behalf of the Board).
- 18.7 Payments made to all Primary Care independent contractors and community pharmacists shall comply with their appropriate contractor regulations.

SECTION 19

Delegation of functions by Borders Health Board to the IJB

- 19.1 Under the Joint Working Act 2014 Borders Health Board is required to delegate adult health functions and provide resources for those delegated functions to the Integrated Joint Board with effect from 1st April 2016.
- 19.2 . Full details on arrangements linked to the IJB are covered in Section D of the Board's Code of Corporate Governance.
- 19.3 The IJB is delegated functions and provided with resources for the functions delegated to it by Borders Health Board and Scottish Borders Council. Details of the arrangements in place to demonstrate the IJB's financial governance framework are detailed in the IJB Financial Regulations.
- 19.4 Borders Health Board has agreed the financial governance framework (Section D of the Code) it will have in place to delegate functions to the IJB

- 19.5 The IJB will have oversight on the delivery of services it commissions from NHS Borders ensuring that the outcomes detailed in the strategic plan are delivered.

SECTION 20

PATIENTS' FUNDS AND PROPERTY

- 20.1 NHS Borders has the responsibility (NHS Circular 1976 (GEN) 68), and the Adults with Incapacity (Scotland) 2000 Act (Part 4) to provide safe custody for money and personal property (thereafter referred to as 'property') which is:

- Handed in by a patient;
- In the possession of an unconscious or confused patient;
- In possession of a patient dying in hospital or dead on arrival;
- Managed on behalf of an incapable patient.

- 20.2 The Chief Executive shall be responsible for ensuring that patients or their guardians, as appropriate, are informed before or at admission by:

- notices and information booklets;
- hospital admission documentation and property records;
- the oral advice of administrative and nursing staff responsible for admissions;

that the Board will not accept responsibility or liability for patients' monies and personal property brought into the Board's premises, unless it is handed in for safe custody and a copy of an official patient's property record is obtained as a receipt.

- 20.3 The Director of Finance shall provide written procedures for all staff whose duty it is to administer the property. This shall include instructions for accepting, recording, safekeeping, continuing management and disposal of (both discharge and death of a patient) the property.

- 20.4 Interest bearing bank account(s) shall be opened, under arrangement of the Director of Finance, solely for the management of patients' funds.

- 20.5 In summary, the procedure shall require:-

- Patients, relatives, carers and guardians, as appropriate, to be informed before or at any time of the patient's admission, that the Board shall not take responsibility or liability for property brought to the Board's premises unless it is handed in for safe keeping and an official receipt obtained. This will be done by:
 - Notices and leaflets;
 - Hospital admission documents;
 - Verbal advice of administrative and nursing staff.
- Systems for:
 - Collection and banking of funds, pension and other income belonging to patients;
 - For paying to patients' pocket money, or paying creditors on their behalf ;
 - Recording intrusions on behalf of patients;
 - Recording, holding and maintaining where appropriate, patients' property;
 - To ensure patients' pension and allowances are dealt with in accordance with NHS Circular 1981 (GEN) 42 and the Social Security Contributions and Benefits Act 1992;

- Returning to the patient their money and property on discharge;
 - Disposal of a deceased patient's estate;
 - Reporting financial information (Form 19).
- Compliance with the Adults with Incapacity (Scotland) Act (Part 4) (thereafter referred to as the 'Act'). The procedure shall include instruction to Authorised Managers of their roles under the Act:
 - Principles of intervention;
 - Method of intervention;
 - What can and cannot be managed;
 - Authority limits;
 - Record keeping and reporting;
 - Use of patients' funds;
 - Sale of assets;
 - Reviewing and revoking certificates;
 - Variation of authority;
 - Supervisory body requirements.

20.6 The Director of Finance shall prepare an abstract of receipts and payments of patients' private funds in the form laid down in the Manual for Accounts. This abstract shall be audited independently and presented to the Audit Committee annually, with the auditor in attendance at the meeting.

SECTION 21

AUDIT

21.1 In accordance with Standing Orders, the Board shall formally establish an Audit Committee, with clearly defined terms of reference, which will consider:-

- Internal Control and Corporate Governance;
- Internal Audit;
- External Audit;
- Code of Corporate Governance;
- Accounting Policies;
- Annual Accounts (including the schedules of losses and compensations);
- Risk Management;
- Information Governance;
- Counter Fraud.

21.2 Where the Audit Committee feels there is evidence of ultra vires, i.e. illegal or unauthorised transactions, evidence of improper acts, or if there are other important matters that the Committee wish to raise, the Chair of the Audit Committee should refer the matter to a full meeting of the Borders NHS Board. Exceptionally, the matter may need to be referred to the Scottish Government Health Department.

21.3 It is the responsibility of the Audit Committee to regularly review the operational effectiveness of the internal audit service. The Audit Committee shall be involved in the selection process when an internal audit service provider is changed.

21.4 The Director of Finance shall be notified immediately whenever any matter arises which involves, or is thought to involve, irregularities involving cash, stores, other

property of the Board, or any suspected irregularity in the exercise of any function of a financial nature, and at his discretion, normally through the Fraud Liaison Officer, shall participate in the investigation of cases of fraud, misappropriation or other irregularities in accordance with the Counter Fraud Policy and Action Plan.

21.5 The Chief Executive is responsible for:

- Ensuring arrangements are adequate to review, evaluate and report on the effectiveness of internal control including the establishment of an effective internal audit function (in accordance with Government Internal Audit Standards and the Audit Committee Handbook);
- Ensuring that the Chief Internal Auditor prepares the following plans for approval by the Audit Committee:
 - Strategic audit plan covering the coming three years;
 - A detailed operational plan for the coming year.
- Designating an officer as the Fraud Liaison Officer to work with NHS Scotland Counter Fraud Services and co-ordinate the reporting of frauds and thefts.

21.6 Ensuring that an annual internal audit report is prepared by the Chief Internal Auditor, in accordance with the timetable laid down by the Audit Committee, for the consideration of the Audit Committee and the Board. The report must cover:

- A clear statement on the effectiveness of internal control;
- Major internal control weakness discovered;
- Internal control evaluation;
- Progress against plan over the previous year.

21.7 The Director of Finance is entitled without necessarily giving prior notice to require and receive:

- Access to all records, documents and correspondence relating to any financial or other relevant transactions, including documents of a confidential nature;
- Access at all reasonable time to any land, premises or employee of each organisation;
- The production of any cash, stores or other property of each organisation under an employee's control; and
- Explanations concerning any matter under investigation.

21.8 The Chief Internal Auditor, as required, will produce interim reports for the Audit Committee, which contain details of work completed, recommendations made and the response of managers to these recommendations.

ROLE OF INTERNAL AUDIT

21.9 The purpose of Internal Audit is to provide an objective evaluation and opinion on the adequacy and effectiveness of governance, risk management and control. The role of Internal Audit and scope of activities are as set out in the Government Internal Audit Standards, including Internal Audit's assurance role and consulting services.

21.10 Internal Audit operates in accordance with the Definition of Internal Auditing, Code of Ethics and Standards set out in the Government Internal Audit Standards. Any

deviations from the standards will be reported to the Audit Committee, and significant deviations will be considered for inclusion in the Statement on Internal Control.

- 21.11 The Chief Internal Auditor's reporting line is to the Chief Executive. However, the Chief Internal Auditor has direct access and freedom to report to the Audit Committee, Chairman and the Board. Within this right, the Chief Internal Auditor has freedom to meet in private with the Chairperson of the Audit Committee.
- 21.12 Internal Audit has the right to determine audit scopes, perform work and issue reports free from interference. In particular, Internal Audit has the right to issue reports without necessarily obtaining agreement or approval from directors or operational managers.
- 21.13 Internal Audit is entitled without necessarily giving prior notice to require and receive:
- (a) access to all records, documents, correspondence or information relating to any transactions or matters, including documents of a confidential nature;
 - (b) access at all reasonable times to any land, premises or employee of the health board;
 - (c) the production of any cash, stores or other property of the health board under an employee's control; and
 - (d) explanations concerning any matter under investigation.
- 21.14 At least one director will represent NHS Borders on the panel which selects and appoints the Chief Internal Auditor.
- 21.15 The Chief Internal Auditor is responsible for appointing members of the Internal Audit team, in line with the agreed contract. The Chief Internal Auditor will appoint candidates to maintain appropriate professionalism, skills and experience to deliver Internal Audit's assurance and consulting services.
- 21.16 The Chief Internal Auditor will normally attend Audit Committee meetings.
- 21.17 The Chief Internal Auditor shall prepare risk-based audit plans for approval by the Audit Committee. Unless otherwise agreed by the Audit Committee, audit plans will comprise:
- (i) a detailed annual audit plan for the forthcoming year; and
 - (ii) outline audit plans covering the two years thereafter.
- 21.18 In addition to standard audit reports, the Chief Internal Auditor shall prepare an annual report to be considered by the Audit Committee. The annual report will confirm whether:
- (i) adequate and effective internal controls were in place throughout the year;
 - (ii) the Chief Executive as Accountable Officer has implemented a governance framework sufficient to discharge the responsibilities of this role; and
 - (iii) the internal audit plan has been delivered in line with the Government Internal Audit Standards.
- 21.19 Directors and operational managers are required to respond fully to draft audit reports within two weeks of the issue date. Responses should be presented either in writing

or during a close-out meeting with Internal Audit. If an appropriate response is not received, Internal Audit can deem the draft audit report and management actions as being fully accepted.

- 21.20 Directors and operational managers must address issues raised in audit reports by the agreed target dates. Finance department will follow-up on the completion of management actions, and provide the Audit Committee with reports on completion. Failure by directors or managers to complete agreed actions on time shall be reported by Finance to the Audit Committee.
- 21.21 In addition to the appropriate directors and operational managers, Internal Audit will issue copies of final audit reports to the board's external auditors.

EXTERNAL AUDIT

- 21.22 The External Auditor is concerned with providing an independent assurance of each organisation's financial stewardship including value for money, probity, material accuracy, compliance with guidelines and accepted accounting practice for NHS accounts. Responsibility for securing the audit of the Board rests with Audit Scotland. The appointed External Auditor's statutory duties are contained in the Public Finance and Accountability (Scotland) Act 2000.
- 21.23 The appointed auditor has a general duty to satisfy himself that:
- The organisation's accounts have been properly prepared in accordance with directions given under the Public Finance and Accountability (Scotland) Act 2000;
 - Proper accounting practices have been observed in the preparation of the accounts;
 - The organisation has made proper arrangements for securing economy, efficiency and effectiveness in the use of its resources.
- 21.24 In addition to these responsibilities, Audit Scotland's Code of Audit Practice requires the appointed auditor to consider:
- Whether the statement of accounts presents a true and fair view of the financial position of the organisation.
- 21.25 The Audit Committee provides a forum through which Non-Executive Members can secure an independent view of any major activity within the appointed auditor's remit. The Audit committee has a responsibility to ensure that NHS Borders receives a cost-effective service and that co-operation with senior managers and Internal Audit is appropriate.

SECTION 22

INFORMATION MANAGEMENT AND TECHNOLOGY

- 22.1 The Director of Finance shall be responsible for the accuracy and security of the financial data of the Board.
- 22.2 The Director of Finance shall devise and implement any necessary procedures to protect the Board and individuals from inappropriate use or misuse of any financial or

other information held on computer files for which he has responsibility and shall take account of the provisions of the Data Protection Act 1998.

- 22.3 The Director of Finance shall satisfy themselves that such computer audit checks and reviews as they may consider necessary, are being carried out.
- 22.4 The Director of Finance shall ensure that new financial systems and amendments to current financial systems are developed in a controlled manner and thoroughly tested prior to implementation. Where this is undertaken by an organisation outwith NHS Borders, assurances of adequacy will be obtained from them prior to implementation.
- 22.5 The Director of Finance shall ensure that contracts or agreements for computer services for financial applications with the Board or any other agency shall clearly define the responsibility of all parties for the security, privacy, accuracy, completeness, and timeliness of data during processing and storage. The contract or agreement should also ensure rights of access for audit purposes.
- 22.6 Where the Board or any other agency provides a computer service for financial applications, the Director of Finance shall periodically seek assurances that adequate controls are in operation.
- 22.7 Where computer systems have an impact on corporate financial systems the Director of Finance shall ensure that:
- Systems acquisition, development and maintenance are in line with corporate policies such as an Information Management and Technology Strategy;
 - Data produced for use with financial systems is adequate, accurate, complete and timely and that a management (audit) trail exists;
 - The Director of Finance staff have access to such data.
- 22.8 The Chief Executive shall arrange to draw up business continuity plans to ensure minimal disruption to business operations in the event of an interruption in the operation of Board IM&T systems.

SECTION 23

CAPITAL AND FIXED ASSETS

- 23.1 The Chief Executive shall ensure that
- There is an adequate appraisal and approval process in place for determining capital expenditure priorities and the effect of each proposal upon the financial plans for each organisation.
 - Capital investment, whether public or private, is consistent with an approved Property and Asset Management Strategy, and supportive of the Local Delivery Plan.
 - All stages of capital schemes are managed and shall institute procedures to ensure that schemes are delivered on time and to cost.
 - Appropriate project management and control arrangements are in place.
- 23.2 The Director of Finance shall ensure that every capital expenditure proposal meets the following criteria:

- Complies with delegated authority for capital investment issued by Scottish Government Health and Social Care Department;
 - Potential benefits have been evaluated and compared with known costs;
 - Potential purchasing authorities should be able and (as far as can be ascertained) willing to meet cost consequences of the development as reflected in prices; and
 - Complies with the guidance in the NHS in Scotland Scottish Government Scottish Capital Investment Manual including appropriate option appraisal and business case preparation.
- 23.3 Consideration should be given to the use of Private Finance or Operating Leases where appropriate.
- 23.4 The Director of Finance shall maintain a system for assessing whether leases or any NPD contracts should be accounted for as on or off balance sheet in the context of SSAP21, IFRS17 and any other relevant guidance advice received.
- 23.5 Refinancing of any NPD projects may be undertaken, however, guidance issued by the Scottish Government in June 2006 must be followed in order to facilitate appropriate Scottish Government approval. Refinancing is often undertaken once a NPD project has been completed and it is essentially the substitution of new debt on more attractive terms.
- 23.6 In the case of large capital schemes a system shall be established for progressing the scheme and authorising necessary payments up to completion. The Director of Finance shall ensure that provision is made for regular reporting of actual expenditure against authorisation of capital expenditure.
- 23.7 It is mandatory that Post Project Evaluation be carried out at the completion of all capital projects in excess of £250,000
- 23.8 Where capital assets are sold, scrapped, lost or otherwise disposed of, their value must be removed from the accounting records and each disposal must be validated by reference to authorisation documents and invoices (where appropriate). Where land and property is disposed of, the requirements set out in the NHS Scotland Property Transactions Handbook, together with any subsequent amendments, shall be followed.
- 23.9 There is a requirement to achieve best value when disposing of assets belonging to NHS Borders. Competitive tendering should normally be undertaken in line with the requirements of each organisation's tendering procedure.
- 23.10 Competitive Tendering or Quotation procedures shall not apply to the disposal of:
- Any matter in respect of which a fair price can be obtained only by negotiation or sale by auction as determined (or pre-determined in a reserve) by the Chief Executive or their nominated officer;
 - Obsolete or condemned articles and stores, which may be disposed of in accordance with the supplies policy of the Board;
 - Items to be disposed of with an estimated sale value of less than £5,000, this figure to be reviewed annually
 - Capital expenditure purchases which fall into the following categories should be included as fixed assets:

- Intangible assets such as computer software licence which can be valued and are capable of being used within NHS activities for more than one year and have a replacement cost equal to or greater than £5,000;
- Tangible assets which are capable of being used for a period of which could exceed one year and have a cost equal to or greater than £5,000;
- Assets of lesser value than £5,000 which may be included as fixed assets where they form part of a networked computer system purchased at approximately the same time and cost over £5,000 in total, or where they are part of the initial cost of equipping a new development and total over £5,000.
- Items arising from works of construction, demolition or site clearance, which should be dealt with in accordance with the relevant contract;
- Land or buildings concerning which Scottish Office Guidance has been issued but subject to compliance with such guidance.

23.11 Managers must ensure that:

- All assets are to be disposed of in accordance with MEL (1196) 7 'Sale of Surplus and Obsolete Goods and Equipment';
- The Director of Finance is notified of the disposal of any fixed assets;
- All proceeds from the disposal of fixed assets are notified to the Director of Finance.

23.12 The overall control of fixed assets shall be the responsibility of the Chief Executive, advised by the Director of Finance.

23.13 The Board shall maintain an asset register recording fixed assets. The minimum data set to be held within these registers shall be as specified in the Capital Accounting Manual (Section 10) as issued by the Scottish Government Health Department.

23.14 The organisation shall maintain a register of any assets held under operating leases or Private Finance Initiative contracts.

23.15 The Director of Finance shall approve fixed asset control procedures. This procedure shall make provision for:

- Recording managerial responsibility for each asset;
- Identification of additions and disposals and transfers between departments;
- Identification of all repairs and maintenance expenses;
- Physical security of assets;
- Periodic (at least annual) verification of the existence of, condition of and title to assets recorded;
- Identification and reporting of all costs associated with the retention of an asset.

23.16 Additions to fixed asset registers must be clearly attributed to an appropriate asset holder and be validated by reference to:

- Properly authorised and approved agreements, architect's certificates, supplier's invoices and other documentary evidence in respect of purchases from third parties;
- Stores requisitions for own materials and wages records for labour including appropriate overheads;
- Lease agreements in respect of assets held under a finance lease and capitalised.

- 23.17 The Director of Finance shall approve procedures for reconciling balances on fixed assets accounts in ledgers against balances on fixed asset registers.
- 23.18 All discrepancies revealed by verification of physical assets to fixed asset register shall be notified to the Director of Finance.
- 23.19 The value of each asset shall be indexed to current values in accordance with methods specified in the Capital Accounting Manual (Section 4).
- 23.20 The value of each asset shall be depreciated using methods and rates as specified in the Capital Accounting Manual.
- 23.21 The Director of Finance shall approve procedures for the calculation of capital charges as specified in the Capital Accounting Manual.

SECTION 24

RISK MANAGEMENT AND INSURANCE

- 24.1 The Chief Executive shall ensure that NHS Borders has a programme of risk management that will be approved and monitored by the Board. The programme of risk management shall include, amongst other things
- A process for identifying and quantifying risks and potential liabilities;
 - Engendering among all levels of staff a positive attitude to the control of risk;
 - The implementation of a programme of risk awareness training;
 - Management processes to ensure that all significant risks and potential liabilities are addressed, including effective systems of internal control, cost effective insurance cover, and decisions on the acceptable level of retained risk. All significant risks and action taken to manage the risks will be reported to the Board;
 - The maintenance of an organisation-wide risk register;
 - Contingency plans to offset the impact of adverse events;
 - Audit arrangements, including internal audit, clinical audit, health and safety review;
 - Arrangements to review the risk management programme;
 - A process whereby the risk management plans are measured against compliance with CNORIS standards.
- 24.2 The existence, integration and evaluation of the above elements will provide a basis for the Risk Management Board to make a statement to the Audit Committee of the Board on the effectiveness of risk management arrangements in the organisation.
- 24.3 In the case of Partnership Working with other agencies, the NHS Borders risk management framework will be shared to identify and quantify the individual risks, particularly where responsibility cannot be assigned to an individual partner.
- 24.4 The Director of Finance shall ensure that insurance arrangements exist in accordance with the risk management programme.

SECTION 25

FINANCIAL IRREGULARITIES

This section should be read in conjunction with the NHS Borders Counter Fraud Policy and Action Plan contained within Section D of the Code of Corporate Governance.

SUSPECTED THEFT, FRAUD AND OTHER IRREGULARITIES

INTRODUCTION

The following procedures should be followed, as a minimum, in cases of suspected theft, fraud, embezzlement, corruption or other financial irregularities to comply with Scottish Government Health Department Circular No HDL (2005) 5. This procedure also applies to any non-public funds.

Theft, Fraud, Embezzlement, Corruption and Other Financial Irregularities

The Chief Executive has the responsibility to designate an officer within the Board with specific responsibility for co-ordinating action where there are reasonable grounds for believing that an item of property, including cash, has been stolen.

It is the designated officer's responsibility to inform as he deems appropriate, the Police, the Counter Fraud Services (CFS), the appropriate Executive Director, the Appointed Auditor, and the Chief Internal Auditor where such an occurrence is suspected.

Where any officer of the Board has grounds to suspect that any of the above activities has occurred, his or her local manager should be notified without delay. Local managers should in turn immediately notify the Director of Finance, who should ensure consultation with the CFS, normally by the Fraud Liaison Officer. It is essential that preliminary enquiries are carried out in strict confidence and with as much speed as possible.

If, in exceptional circumstances, the Director of Finance and the Fraud or Deputy Fraud Liaison Officer are unavailable, the local manager will report the circumstances to the Chief Executive who will be responsible for informing the CFS. As soon as possible thereafter, the Director of Finance should be advised of the situation.

Where preliminary investigations suggest that *prima facie* grounds exist for believing that a criminal offence has been committed, the CFS will undertake the investigation, on behalf of, and in co-operation with the Board. At all stages, the Director of Finance and the Fraud Liaison Officer and Director of Workforce and Planning will be kept informed of developments on such cases. All referrals to the CFS must also be copied to the Chair of the Audit Committee and/or Board Chair.

Remedial Action

As with all categories of loss, once the circumstances of a case are known, the Director of Finance will require to take immediate steps to ensure that so far as possible these do not recur. However, no such action will be taken if it would prove prejudicial to the effective prosecution of the case. It will be necessary to identify any defects in the control systems, which may have enabled the initial loss to occur, and to decide on any measures to prevent recurrence.

Reporting to Scottish Government Health & Social Care Directorate (SGH&SCD)

While normally there is no requirement to report individual cases to the Scottish Government Health & Social Care Directorate there may be occasions where the nature or scale of the alleged offence or the position of the person or persons involved, could give rise to national

or local controversy and publicity. Moreover, there may be cases where the alleged fraud appears to have been of a particularly ingenious nature or where it concerns an organisation with which other health sector bodies may also have dealings. In all such cases, the Scottish Government Health & Social Care Directorate must be notified of the main circumstance of the case at the same time as an approach is made to the CFS.

Responses to Press Enquiries

Where the publicity surrounding a particular case of alleged financial irregularity attracts enquiries from the press or other media, the Chief Executive should ensure that the relevant officials are fully aware of the importance of avoiding issuing any statements, which may be regarded as prejudicial to the outcome of criminal proceedings.

Section F – Appendix 1:

TENDERING PROCEDURE

1. Invitation to Tender

- 1.1 All invitations to tender on a formal competitive basis shall state that no tender will be considered for acceptance unless submitted as follows:
- Plain, sealed package bearing a pre-printed label supplied by NHS Borders (or bearing the word 'Tender' followed by the subject to which it relates and the latest date and time for the receipt of such tender); or
 - In a special envelope supplied by NHS Borders to prospective tenderers and the tender envelopes/packages shall not bear any names or marks indicating the sender; or
 - By electronic means that identifies the date and time of receipt and keeps the contents 'closed' prior to the agreed opening, as set out below. Such facilities must be approved by the Chief Executive in advance.
- 1.2 Every tender for goods, materials, manufactured articles supplied as part of a works contract and services shall embody such of the main contract conditions as may be appropriate.
- 1.3 Every tender for building and engineering works, shall embody, or be in the terms of the current edition of the appropriate, a) Joint Contracts Tribunal (JCT) standard forms of contract amended to comply with the current version of the Property Procurement Guidance for NHSScotland - PROCODE, b) New Engineering Contract 3, (NEC3), or c) Contract conditions deemed appropriate for use within the 'hub' South East Scotland Territory Partnering Agreement. Tendering based on other forms of contract may be used only after prior consultation with the Scottish Government Health Department.
- 1.4 Every tender for goods, materials, services (including consultancy services) or disposals shall embody the NHS Standard Contract Conditions as far as this practical. The advice of NHS Borders Procurement, National Procurement or the Central Legal Office must be sought where alternative contract conditions are used. Every tenderer must have given or give a written undertaking not to engage in collusive tendering or other restrictive practice.

2. Receipt, Safe Custody and Record of Formal Tenders

- 2.1 Formal competitive tenders shall be addressed to the Chief Executive.
- 2.2 The officer designated by the Chief Executive will endorse the date and time of receipt of each tender on the unopened tender envelope/package and shall print and sign their name accordingly as means of proof of receipt. Individuals who are hand delivering tenders may witness the endorsement. A secure electronic recording system shall be in place for tenders received electronically.
- 2.3 Tenders must be stored either in a safe or other locked facility, to which only designated officers/key holders have access, from the time they are received until opening.

3. Opening Formal Tenders

- 3.1 As soon as possible after the date and time stated as being the latest time for the receipt of tenders, they shall be opened by representatives as detailed in the Scheme of Delegation. Opening of tenders can be conducted either manually or electronically.
- 3.2 Tenders for the provision of services where an in-house tender is also being invited shall be opened, either manually or electronically, as soon as practicable after the date and time stated as being the latest time for the receipt of tenders in the presence of a Non-Executive Member of the Board and the Chief Executive or Executive Director who has not been party to the preparation of any of the said tenders and neither of whom shall have pecuniary interest in the contract for which the tenders have been received.
- 3.3 The envelope/package/electronic record, or such part as may reasonably evidence receipt endorsement, shall be retained by the designated officer(s) along with the tender documents and in accordance with the NHS Borders Records Retention Schedules.
- 3.4 Every tender received shall be stamped with the date of opening and initialled by two of those present at the opening. The date stamp may be manual or electronic.
- 3.5 A permanent record shall be maintained, manually or electronically, to show for each set of competitive tender invitations despatched:-
- The names of firms/individuals invited;
 - The names of and the number of firms/individuals from which tenders have been received;
 - The total price(s) tendered;
 - Closing date and time;
 - Date and time of opening;
- and the record shall be signed manually by the persons present at the opening or acknowledged electronically by a secure means.
- 3.6 Except as in Section 3.7 below, a record shall be maintained of all price alterations on tenders, i.e. where a price has apparently been altered, and the final price shown shall be recorded. Every price alteration appearing on a tender and the record should be initialled by two of those present at the opening of manual tenders. The audit trail shall include the identity of the person making the change and be date and time stamped.
- 3.7 A report shall be made in the record if, on any one tender, price alterations are so numerous as to render the procedure Section 3.6 unreasonable.

4. Admissibility and Acceptance of Formal Tenders

- 4.1 In considering which tender to accept, if any, the designated officers shall have regard to whether best value will be obtained and whether the number of tenders received provides adequate competition. In cases of doubt they shall consult the Chief Executive.
- 4.2 In exceptional circumstances and with the approval of the Chief Executive, a tender may be received and accepted after the closing date, provided that none of the tenders available for opening at the appointed time have been opened. Where the

available tenders have been opened, a late tender shall be opened solely to identify the sender and returned with a letter of explanation. Tenders received after the due time and date may be considered only if the Chief Executive or nominated officer decides that there are exceptional circumstances, e.g. where significant financial, technical or delivery advantages would accrue, and is satisfied that there is no reason to doubt the bona fides of the tenders concerned.

The Chief Executive or nominated officer shall decide whether such tenders are admissible and whether re-tendering is desirable. Re-tendering may be limited to those tenders reasonably in the field of consideration in the original competition. If the tender is accepted the late arrival of the tender should be reported to the Board at its next meeting.

- 4.3 In the event of an extension of time for receipt of tenders being approved by the Chief Executive or nominated officer, all invited tenderers shall be advised of the extension and the revised closing date.
- 4.4 Incomplete tenders (i.e. those from which information necessary for the adjudication of the tender is missing) and amended tenders (i.e. those amended by the tenderer upon his own initiative either orally or in writing after the due time for receipt) should be dealt with in the same way as late tenders under Section 4.2
- 4.5 Where examination of tenders reveals errors which would affect the tender figure, the tenderer is to be given details of such errors and afforded the opportunity of confirming or withdrawing the offer.
- 4.6 Necessary discussions with a tenderer of the contents of their tender, in order to clarify technical points, etc, before the award of a contract, need not disqualify the tender.
- 4.7 While decisions as to the admissibility of late, incomplete, or amended tenders are under consideration and while re-tenders are being obtained, the tender documents shall remain strictly confidential and kept in safe keeping by an officer designated by the Chief Executive.
- 4.8 Where only one tender/quotation is received, NHS Borders must ensure, as far as practicable, that the price to be paid is fair and reasonable.
- 4.9 A tender other than the lowest (if payment is to be made by the Board), or other than the highest (if payment is to be received by the Board) shall not be accepted unless for good and sufficient reason the Board, or the Chief Executive acting with the Director of Finance within limits delegated to them, decide otherwise and report the reason for their decision to the Board
- 4.10 Where the form of contract includes a fluctuation clause all applications for price variations must be submitted in writing by the tenderer and shall be approved by the Chief Executive or nominated officer.
- 4.11 Access to all tender documentation will be managed in accordance with the requirements of the Freedom of Information (Scotland) Act 2002. Any relevant exemptions specified in the Act will be applied, taking account of both commercial and public interest. The documentation will be retained in accordance with the NHS Borders records retention schedules (See Section A Para 29).

5. Lists of Approved Firms

- 5.1 NHS Borders shall compile and maintain, a contract register of all those organisations contracted to NHS Borders, whether through national or local contracts, or through specifically tendered contracts through which a short list is determined through appropriate utilisation of the Public Contracts Scotland Portal. Of those organisations invited to tender, a prequalification questionnaire will determine their status which will aid in establishing a tender shortlist provided that:-
- In the case of building, engineering and maintenance works, the Chief Executive is satisfied of their capacity, conditions of labour, etc and that the Director of Finance is satisfied that their financial standing is adequate;
 - In the case of the supply of goods, materials and related services, and consultancy services, the Chief Executive or the nominated officer is satisfied as to their technical competence, etc, and that the Director of Finance is satisfied that their financial standing is adequate;
 - In the case of the provision of healthcare services by a private sector provider, the Director of Finance is satisfied as to their financial standing and the Medical Director is satisfied as to their technical/medical competence.
- 5.2 NHS Borders shall arrange for advertisements to be issued as may be necessary, and not less frequently than every third year, in trade journals and national newspapers, inviting applications from firms for inclusion in the prescribed lists. Applications from firms or individuals wishing to be admitted to the list may also be considered at any time.
- 5.3 If in the opinion of the Chief Executive or the Director of Finance, it is impractical to use a list of approved firms/individuals (for example where specialist services or skills are required and there are insufficient suitable potential contractors on the list), the Chief Executive or nominated officer should ensure that appropriate checks are carried out as to the technical and financial capability of firms invited to tender or quote.
- 5.4 A permanent record should be made of the reasons for inviting a tender or quote other than from an approved list.

6. Post-Tender Negotiations

- 6.1 It is acceptable to enter into post-tender negotiations only with those tenderers who have been granted 'preferred supplier' status in any particular tendering exercise or who have a reasonable chance of gaining the contract. The negotiations must be fully documented and clearly indicate:-
- The justification for the use of post-tender negotiation;
 - The aim of the negotiations and the methods used;
 - A precise record of all exchanges, both written and verbal;
 - Management approval for the award of contract;
 - The approval of the Chief Executive.

7. Unsuccessful Tenders

- 7.1 Following completion of the tender acceptance, and having obtained confirmation from the successful tenderer of acceptance of the contract, the unsuccessful tenderers should be advised in writing that the contract has been awarded and that they have not been successful.

In advising the unsuccessful tenderers, it should be drawn to their attention that their tender documentation will be retained in accordance with the time limits set out in the policy on culling and retention. However, they should also be advised that they may collect additional copies of the documentation.

Section F - Appendix 2:

COMMON SEAL

The Common Seal shall be kept by the Board Secretary in a secure place and they shall be responsible for its safe custody and use.

The Seal shall be affixed in the presence of the Chair and the Chief Executive. If the Chair cannot be present the Vice Chair or a Non-executive Member nominated by the Chair must be present.

The Board Secretary shall keep a register which shall record the sealing of every document. Every such entry shall be signed by those present when the document is sealed. The entries in the register shall be consecutively numbered.
