

Freedom of Information request 27-21

Request

How many people have dies in your hospitals from Covid-19 alone? As in they died only form Covid-19. I can see the figures you publish online, but these are deaths within 28 days of a positive Covid test, so they could have died from other causes. I just want to know the exact figure from 1st February 2020 until the 16th January 2021 of people that have died due to Covid-19 and not anything else please.

Response

Between 1 February 2020 and 16 January 2021, a total of 28 patients died in NHS Borders hospitals where the only cause of death was coded and recorded by NHS Borders as COVID-19.
